

## Correspondence.

COPENHAGEN, May 25th, 1870.

President George A. Smith:—Dear Bro.—Your welcome favor of April 28th is received. Very glad to hear that Bro. Wm. W. Cluff had been called to take my place here. I shall take pleasure in calling on our friends at Potsdam, if circumstances will permit. I am very glad to hear that mother intends to avail herself of the privilege of attending to some of the ordinances for her ancestors, the more so, as she stands almost alone in the Church, as far as her relatives are concerned.

President Carrington and Bro. L. W. Shurtliff have recently visited us. I traveled around in company with them. We held meetings at the following places: Malmo, Norrkoping, Stockholm, Gothenburg, Christiania and Copenhagen.

Bro. Carrington seemed to be delighted with the Scandinavian people, but terribly down on the country, which he declared was too poor to lie out doors. He however saw very little of Denmark, which for the greater part is much superior for farming purposes to either Sweden or Norway. Still there are patches in each of the three countries which, in point of worthlessness, will almost come up to the Rio Virgen or the Bitter Creek countries. We found the Saints feeling well at all the places we visited, and the Valley Elders working harmoniously with the local priesthood; and that a spirit of liberality was increasing among all classes of people. Wonderful changes have been brought about during the past ten years with regard to freedom of conscience and of speech throughout these lands. The priests, who held the minds of the people bound in chains of tradition, have been compelled to give up some of their influence. This enrages them and they feel vicious and fiendish, but they can not help themselves.

Accept my best regards for yourself, your family and all friends.

Yours in the gospel,  
JESSE N. SMITH.

PROVO CITY, June 23, 1870.

Editor Deseret News.—At a regular adjourned session of the District Court of the United States for the First Judicial District, Utah Territory, convened in Provo city, in said District, on Tuesday, the 21st ult., at ten o'clock, a.m. Present, Hon. O. F. Strickland, Judge; R. H. Robertson, Esq., Acting U. S. Prosecuting Attorney; M. T. Patrick, U. S. Marshal; John McEwan, Esq., Clerk; Silas Smith and John B. Milner, Esqrs., Attorneys.

The court opened in due form of law, proclamation being made by the marshal. The grand jurors were all present except three, who were excused by reason of sickness. The Court ordered the marshal to summon talesmen enough to fill up the vacancies, which was done, and they were sworn by the clerk. After being duly empanelled they retired to their room, in charge of the bailiff, Thaddeus E. Fleming. The remainder of the day was occupied in admitting a number of aliens as citizens of the United States.

WEDNESDAY, SECOND DAY.

No business being ready for the services of the petit jurors, they were released until the next morning at nine o'clock. Several aliens were admitted citizens of the United States.

THURSDAY, THIRD DAY.

The grand jurors came into Court. The Court called the names, all present except one, being excused by sickness. They presented two bills of indictment, endorsed as true bills, viz: The people of the United States of America vs. Henry B. Munroe, indictment for embezzlement from mails and post office. Defendant on being arraigned plead "guilty." The Court ordered, adjudged and decreed: That he be imprisoned in the penitentiary of Utah Territory for the term of three years from this date.

The people of the United States of America vs. Charles J. Taysom, indictment for stealing from the post office and mails. Defendant on being arraigned plead "guilty." The Court ordered, adjudged and decreed: That he be imprisoned in the penitentiary of Utah Territory for the term of two years.

The Court remanded them to the custody of the U. S. Marshal of Utah Territory, to be by him delivered into the custody of the proper officers of said penitentiary.

The petit jurors were discharged until Tuesday next at eleven o'clock a.m.

The grand jurors were to meet at their own convenience until that time.

The Court then adjourned until Tuesday next at eleven o'clock a.m.

JOHN MCEWAN,  
Clerk of Court.

## LOCAL AND OTHER MATTERS.

FROM FRIDAY'S DAILY

THE RETURN OF THE PRESIDENT AND PARTY.—President Young and party reached this city at 2 o'clock, from their northern trip. The members of the party were all well. Flags were flying from the principal business places in the town, in honor of the President's return.

POSTPONED.—Snedaker's land sale, which was advertised to take place tomorrow, is unavoidably postponed till Saturday, July 16th.

TIMPANAGOS BRANCH OF THE DESERET UNIVERSITY.—Elder Robert L. Campbell, Secretary of the Regency of the Deseret University, left this city for Provo last Saturday, to visit and inspect the Timpanagos branch of the Deseret University, at Provo. He returned to this city yesterday morning, and gives a very good report of the Provo college. The building in which the college is held is the best, used for school purposes, in the Territory. The pupils in the institution, at the present time number over a hundred, which for this season of the year, when so many youngsters are kept from school to do summer work, is a very large number. The advanced scholars are not very numerous, but they are increasing.

The order observed and maintained among the pupils is second to no institution in the Territory. A sub-regency has been appointed, of which Elder Myron Tanner is chairman, and he attends frequently and gives much countenance to the institution. Secretary Campbell says he spent two days at the institution and was highly pleased with what he saw there, and felt satisfied that the day has dawned for educational advancement in Provo.

CHANGE OF TIME.—On and after Monday the 27th inst., Dr. Meik can be consulted, at this office, between the hours of twelve and three daily, except Sundays, instead of from eleven to two as heretofore.

CONVICTED.—It will be seen, by the letter, of Bro. McEwan, clerk of the 1st Judicial District Court, published in today's paper, that, at a session of that court held in Provo on Thursday last, the young men Monroe and Taysom, arrested some time since for abstracting money from the mails in the Southern portion of the Territory, have been sentenced, the former to three, the latter to two, years in the Penitentiary.

FROM MONDAY'S DAILY.

FOR CALIFORNIA.—John W. Young, Esq., left by this afternoon's train for California, whither he has gone on a short visit to inspect the cocooneries and silk manufactories of that State. He is sanguine that this branch of production is most remunerative in this country and should engage the attention of our people; his success thus far, this season sustains him in his views. We wish him a pleasant trip and a safe return.

DIED.—In the 20th Ward of this city, on the 25th inst., David B., son of Benjamin and Emma Morren, aged 1 year, 10 months and 14 days.

Mt. Star please copy.

RETURN OF THE GOVERNOR.—Governor Shaffer arrived in this city on Saturday evening, and we are pleased to learn that his health has been improved by his journey. Since leaving us he has suffered a sad bereavement, and we sincerely condole with him under his great loss.

AT LIVERPOOL.—Horace S. Eldredge, President Joseph Young, sen., and the elders with them, who left this city on the 13th ult., reached Liverpool on the 5th inst. They had a pleasant journey and arrived at their destination all well.

AN ERROR.—A late number of the Omaha Herald, has the following among its items from Utah:

"A young man at Kelton has been accused of improper conduct towards a little girl, only six years old. An attempt was made to mob him, but it failed. He denies his guilt, and it is believed that the terrible accusation is entirely groundless, and made from spiteful and malicious motives."

Our contemporary seems to have got things slightly mixed. We have not heard of any such case as the above; and if there is such a place as Kelton in Utah we are in total ignorance of its topography.

THE WEATHER IN THIS CITY.—About noon yesterday, the thermometer stood at 92 in the shade.

A telegram received per Deseret Telegraph this morning, says the thermometer at St. George, Washington County, at half-past one o'clock to-day, stood at 111° in the shade, it was 112° on Saturday.

KILLED IN A STREET BRAWL.—The Boise City Chronicle, of the 22nd instant, contains an account of the killing, in a street brawl, of the Hon. E. D. Holbrook, the person by whom, it will be remembered by some of our citizens, Hon. W. H.

Hooper, Delegate to Congress from this Territory, was some time since insulted and assaulted. The affray in which Holbrook was killed took place at Idaho city, and the following particulars are furnished the Chronicle by a correspondent from that place:

"A terrible tragedy took place in this city, on Saturday evening last (18th inst.) in which Hon. E. D. Holbrook lost his life. It occurred in a street affray or pistol fight between Mr. Holbrook and Charles H. Douglas. Mr. Holbrook was mortally wounded at the first shot fired by Douglas, the ball penetrating the right side of the abdomen and ranging inward. Both parties emptied the contents of their pistols, firing some five or six shots each. Holbrook was supported from where he stood, during the affray, into his office, by Sheriff Frank B. Britten and Mike Durein, and fainted immediately afterward. Drs. Healy and Zipf were immediately summoned, and every appliance known to medical skill proved unavailing to prolong life longer than about eight o'clock, a.m., on Sunday morning. He was conscious to the last moment, said he was dying, was not afraid to die; that Douglas fired the first shot, and he was glad he had not hit him on account of his wife and children."

Douglas was arrested and committed to await examination after Holbrook's funeral, which took place on Monday, the 20th instant.

PASSED OVER.—The Washington Daily Globe, of the 11th instant, says that on the day previous a call was made in the Senate for the Cullom Bill, when a Tennessee Senator, Hon. Joseph S. Fowler, said "let that be passed over," to which the President said "The bill will be passed over, objection being made."

FOOTPADS IN NEVADA.—The Reese River Reveille of the 24th says:

It has become unsafe for any one to venture out of the city limits of Virginia and Gold Hill. These two cities are besieged by an army of footpads. We expect to hear of their capturing the police and municipal authorities and holding them for ransom after the style of the legendary brigands of Greece and Italy.

SHOOTING AFFAIR BETWEEN TYPOS.—The telegrams two or three days since made mention of a probably fatal shooting scrape between two printers, named Austin and Bell, working in the Times office at Council Bluffs. The Nonpareil of that city contains the full particulars of the affair. It says that Austin, the person shot, was addicted to liquor, and when under its influence, was quarrelsome and insolent. On the evening of the shooting, he had an altercation with Bell, during which the latter called Austin a liar. Austin made a rush for Bell, but stumbled on the sidewalk; rising, he again made for Bell, who drew his revolver and fired, the ball striking Austin over the right eye, passing entirely through the upper portion of the brain, and lodging against the cranium, at the back part of the head. Bell was arrested; and upon an examination of Austin by medical men, they pronounced that his chances for life were as one to a thousand.

SABBATH MEETINGS.—Yesterday morning Elders J. D. M. Crockwell and John Taylor addressed the meeting; in the afternoon, in the New Tabernacle, the time was occupied by Elders W. Woodruff and B. Young, jr.
