Saved His Life.

June 14, 1891, I want to tell you I believe Ballard's Snow Liniment saved my life. I was under the treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. I also had a lump in my side. I don't think that I could have lived over two months longer. I was cured by the use of Ballard's Snow Liniment. The first application gave me great relief; two fifty cent bottles cured me. I would not give it to a suffering humanity. 25c, 50c, \$1.00. Sold by Z. C. M. I. Drug Dept.
