# "HONEST" GEORGE GETS SOFT JOB

Erstwhile Chief of McWhirter  
Fame Is Now "Special Detective."

## COUNCIL TO ATTEND CHURCH.

Aldermen Will Hear of Graft and Dishonesty Next Sunday—Session Concludes Tonight.

At last the faithful sleuth has been rewarded; the "martyr" has been vindicated; George Sheets has been given a job, and at the rate of \$125 per month will have his "persecution" be wiped out down through the reaches of time as long as the "American" party shall exist and the henchmen remain in power. And when you come to think of it, \$125 is pretty small potatoes to have to pick up after waiting so many months for "vindication." Many of the pabulum sheets favored depicting Chief Tom Pitt and reinstating the "martyr" at his old salary. The pittance of \$125 apparently is only a slight concession for all the things and why should the taxpayers kick? The "Americans" are asking. "The matter came up in council meeting last night in the shape of an 'appointment' by Chief of Police Tom Pitt, who 'submitted' the name of George Sheets as 'special detective' to the council at salary of \$125 per month, and added 'at the pleasure of the council.'"

## HENCHMEN ON THEIR FEET.

Readall was on his feet immediately with a motion that the appointment be confirmed; with equal alacrity Councilman Black seconded the motion, and it went through like a hot knife through butter. The "Americans" and Councilman Cowburn, a Democrat from the Third, voting in favor of the proposition. Following is the vote in detail:

Ayes—Black, Cowburn, Ferry, Martin, O'Donnell, Haybould, Readall, Stewart, Wood and Ferguson. Daisies—Nays—Ferguson, Hodgson, Holley, Hall and Murdoch—5.

## GOSHEN UNFRAID.

Another matter of interest coming up last night was the much looked for reply of Rev. E. I. Goshen to the resolution adopted by the city council at its meeting held April 27, in which the reverend gentleman was invited to meet with the council to substantiate his charges of corruption and graft among officials of the city government. It was read in council meeting last night soon after the session began. The communication gave no satisfaction to those who expected to hear for the purpose of hearing charges made in the council, for the reverend gentleman merely acknowledged the receipt of the invitation, and stated that the council and stating that the charges preferred by him would be presented, together with the corroborating evidence he possesses, at the First Congregational church, on Sunday, May 10, at 11 o'clock a. m. The members of the council were invited to attend the meeting, Rev. Goshen promising to reserve seats for them on the occasion.

On motion of Mr. Cowburn, the invitation was accepted, and President Davis asked the members to attend in a body.

"But is that hour right—11 o'clock?" queried President Davis.

"Why, yes," spoke up Councilman Wood, "it is, if you mean 11 o'clock," and a smile went round the council.

## THE REV. GOSHEN'S LETTER.

The reply of Rev. Goshen follows: "I have before me your resolution of April 27, 1908, asking that I present you any facts that I may possess that tend to show the unfaithfulness of any city official or officials. You have expressed your desire to deal faithfully and earnestly with such facts, and I shall therefore present them to you with the corroborating evidence that is in my possession."

"Inasmuch as my initial statement, to which you refer in your resolution of April 27, was made before a public gathering, I have concluded that it is but fair that I make my additional statements before the same body. This I will do in the auditorium of the First Congregational church, on Sunday morning, May 10, at 11 o'clock."

"If you have any more facts, desires, and will so advise me, I will have seats reserved for your accommodation."

## THE USUAL WRANGLE.

The council got into a parliamentary tangle last night from which it seemed the members would never emerge. For an hour and five minutes the learned councilmen tossed back and forth on the billows of acts of the legislature, regulations of the council and Roberts' rules of order until they became entangled in such a mix-up that even that parliamentary expert, City Attorney Dinwiddie, could not explain where they were. Old stagers like Councilman Black, Councilman Fernstrom, Ferry and O'Donnell floundered about in the waves of verbosity and rules of usage until they got President Davis all mixed up, and he too, was unable to turn the council around and it looked like the old ship would be foundered in the deep.

The trouble all arose over the proposed amendment in regard to the veto of Mayor Bransford on the bill of Contractor Kennedy for \$9,985.54 for pumping water from the completed portion of the intersecting sewer, which the council had allowed, but upon receipt of the mayor's veto had laid over for one week from the last meeting.

## THE FIGHT BY ROUNDS.

Councilman Black introduced an amendment to the committee report by which the council had decided to override the veto of the mayor, voting the amount of the claim, but the same as any claim is passed, without regard to the action of the mayor in the preliminary stage.

Councilman Ferry opposed such action, saying it was only courtesy to give the veto proper consideration and consistent action.

Councilman Stewart stood with Ferry, and wanted action on the veto postponed another week.

Councilman Fernstrom held that action on the veto should be held then, as the time limit had expired and should the council not act, either by approving, overriding or amending the veto, it would become self-operative the following day.

Ferry again opposed action, and wanted to know if there was any way to postpone consideration of the matter until Mayor Bransford, who is in San Francisco, shall return. He called upon the city attorney for an opinion. Mr. Dinwiddie said the council could act on the veto any day it saw fit, but it did not matter who the man was who acted upon the document, as long as he bore the title of mayor of the city.

President Davis told Ferry he would rule out of order any motion to amend the veto and then to reconsider the action in order to delay action for one week, as he was of the opinion that the matter must be acted upon at once.

## ORATORY RAMPANT.

Stewart, Ferry, Fernstrom, Wood, Black and the city attorney all got in and oratory was piled up in bunches all over the chamber. Again and again attempts to extricate themselves from the tangle were made by the councilmen; again and again the city attorney was called on for an opinion; and finally, Mr. Dinwiddie, in great desperation, finally said: "Gentlemen, I cannot decide for you a point in parliamentary law; you will have to decide that for yourselves. I only know of one more about that than I do about many other things," and then he subsided.

## THE REFEREE'S DECISION.

The matter finally got down to a vote on the amendment, which carried. Ferry then gave notice that at the next meeting he would move for reconsideration of the action of the council. President Davis ruled Ferry out of order. Ferry appealed from the decision on the basis that he was entitled to the vote on the proposition being as follows:

For the decision—Black, Cowburn, Fernstrom, Martin, O'Donnell and Wood—5.

Against the decision—Ferry, Hodgson, Holley, Hall, Murdoch, Haybould, Readall and Stewart—8.

Excused from voting—President Davis.

## AFTER BOARD OF WORKS.

The matter of approving the action of the board of public works in releasing P. J. Moran from forfeiting \$25 per day for every day longer than the contract time that was consumed by him in laying the water mains on Fifth South street was held up by the council on motion of Councilman Murdoch, who said he did not think the board of works had any right to go outside of the contract. He opposed the idea of the board assuming the price and never being paid. They are releasing a man from a contract for a maximum service, at a minimum expenditure and solicit your investigation. L. C. Mariger, Salt Lake.

## ROUTINE MATTERS.

The board of public works submitted contract as follows: P. J. Moran, grading Third South, between Eleventh and Twelfth East, \$14,196.01; P. J. Moran, paving Fifth South street from Main to Second East, \$1,000.00; P. J. Moran, paving Fifth East street from South Temple to Third South, \$44,593.57; P. J. Moran, paving Fifth East street from Third South to Second East, \$1,000.00; S. Birch, sidewalks, \$4,234.36; James Kennedy, sewers, \$35,258.64. Referred to finance committee, except in case of the Birch contract, which was approved.

Mrs. La Roy asked for a free license to tell fortunes. She stated that she saw Mayor Bransford and he told her to go ahead and tell fortunes. She also asked for a free license to read palms. The petitions were referred to the license committee.

Charles D. Edwidge asked that the city offer for sale all lands belonging to the city in block 31, plat P. Referred to public grounds committee.

The city auditor submitted the following estimates: P. J. Moran, paving, \$1,270.35; Utah Fireproofing company, \$149.43; P. J. Moran, paving, \$1,000.00; S. Birch, sidewalks, \$4,234.36; James Kennedy, sewers, \$35,258.64. Referred to finance committee.
