## A CARD.

To the Inhabitants and purchasing Community of this Territory:—

Owing to the great decline in the prices of goods in the Eastern Markets (being determined to keep IN RATIO with them,) I have made a further reduction in the prices of goods, which upon examination will speak for themselves. I have also on hand a great many articles that have laid over for one and two years—which I will sell, REGARDLESS OF COST, even lower than the present rates in the Eastern Markets will permit of; viz: Table and Pocket Cutlery, Spades, Shovels, Scythes and Snaths, Bake Skillets, Locks and Latches, Tea and Table Spoons, Carriage Bolts, Cast, Blister and Plough Steel, Soap, Lye, Tobacco, and an immense variety of other goods, which are necessities for every day use. Farmers and Country Merchants would do well to call and examine the stock and prices, and as Greenbacks are scarce in the country, I will take for pay, Cattle, Wheat, Flour, Barley, Oats, Pork, &c., for which I will give a price that will guarantee satisfaction.

EAGLE EMPORIUM

WM. JENNINGS,

d34-w47tf PROPRIETOR.

## Correspondence.

PARADISE, CACHE CO.,

December 26, 1868.

Editor Deseret News:—I thought a word from this secluded place would not be uninteresting to your numerous readers, and especially as you have little or no correspondence from us. Notwithstanding our silence, I assure you we are doing our best in keeping pace with the spirit of the times manifested by our more numerous inhabited towns and cities.

Our settlement numbers about fifty families, quite a number of whom have but just commenced to realize the pleasure in obeying the first commandment given to man and woman on the earth, and therefore cannot at present boast of a numerous family, but those whose children's age is four years and upwards, are endeavoring to give them an education. Our day school numbers fifty scholars under the able teaching of Elder Henry A. Shaw, and it is a well conducted, and most interesting institution; and although we are in a corner, isolated from a thoroughfare, our children are being brought up in a manner creditable to the community. Some two months since a Sunday School was established under the superintendency of Elder John P. Wright, and on Christmas day, there was an exhibition of the attainments of the scholars. Chapters in the Old and New Testament had been given to each class to learn for prizes, and to see the little juveniles walk to the stand and rehearse their tasks, was one of the most gratifying sights that I have seen for many years. I have witnessed similar exhibitions in my native land, but never saw it equalled.

One remarkable feature in our little settlement is the fact, that eighteen members of our ward were residents of the same branch of the church in England, and but a small branch at that, namely, Shrewsbury. The early associations we formed in coming into the church, nearly simultaneously; brought up together, almost as one family; emigrating to this Territory; finding ourselves forming so large a part of a little ward, with our numerous families growing up, uncontaminated by the wickedness and tradition of the world; and with our beloved and much esteemed Bishop, David James, one of our number, to preside over us, gives a satisfaction to us that is better realized than expressed.

By the counsel of our presiding officers in Cache, we are moving our present location two and a half miles north, on an open bench, to be better situated to protect ourselves from the surprise of an enemy. When we get established, with our fine houses built, our orchards planted, and our mills moved, if not before, I will take the liberty of again dropping you a line.

Praying for your success in your noble undertaking of editing a paper aimed at defending "Truth and Liberty,"

I remain your brother in the Gospel,

HENRY B. GWILLIAM.
