

WE ANNOUNCE WITH PRIDE

That we have open for inspection, the acme of clothes styles, FALL, 1908.

"Chesterfield" Clothes

Maintain the exalted position of setting the pace for other so-called high grade clothes---that haven't been able to keep up to the standard. Let your own eyes prove the truth by a personal examination.

"Chesterfield" Overcoats

Fashioned to the season's decree and constructed to fulfill the requirements of a perfect garment.

Our men's furnishing and hat department occupy the most prominent part of the store, and contain exclusive styles that will please you.

Our Shoe Department

Is receiving its merited patronage for the two well known lines: Johnston & Murphy, and Regal shoes.

We will be pleased to show you the correct styles in men's wear.
