A LECHY FATHER AND SON.

The following naralive of the suffering of a Father and son, will prove interesting to the readers of this raper. G. Bartholomew, of Kalkaska, Mich., says, I located in this place five years ago, having formerly resided in Troy, N. Y. My friends there, as well as here know that I have been a great sufferer from what the Physicians of Troy called

Right's Disease.

As a last reart I commenced the use of Dr. David Kennody's Favorite Remedy, (made a miracle. All the terrible symptoms of this lisease are gone. I do not have any more difficulty in volding the urine, no pain or ache in the small of the back, no more soreness across the loins or over the bladder, no more constitution of the Bowels, no swelling of feet, hands of the Kidneys, Liver or Bladder.

So you see, help came to me.

In Br. Kennedy's Favorite Remedy.

Who would begrudge the cost of this medicine (One Dollar a bottle) for such a blessing, or refuse this simple though sincere token of gratitude, for being perfectly cured? I owe everything to Dr. David Kennedy's Favorite Hemedy, of Rondout, N. Y., and hope my writing this will induce others to use the medicine who suffer from a Kidney or Blood disorder. But my recove y was not more remarkable than that of my son George, who when a boy fell from a fence, bruising his leg, which was followed by disease of the bone. Large pieces were removed by surgical operations. His Blood to try Dr. Kennedy's Favorite Remedy, made at Rondout, N. Y., and as sure as I am writing this grateful acknowledgement his leg is entirely healed up. He now works with me, doing agood man's work. Heowes everything in Dr. D. PILES.

Piles are almost instantly and pain-I have been afflicted with Hemorrholds (or Bleeding Piles) for the past
twenty-five years. For several weeks
past the pain has been so intense that I
was forced to quit work. I found no
relief either day or night, and was frequently compelled to walk the floor all
night long, as it was impossible for me
to sleep. In this condition I called on
Dr. Prentice at the Continental Hotel,
who, after a painless operation of less
than one minute, relieved me from all
pain, and I have been able to sleep and
rest well ever since. est well ever since. I consider myself perfectly cured, and unsolicited offer this testimonial for the benefit of those who may be simi-larly afflicted. HENRY GREGORY, 149 N. West Temple Street.

Dr. Prentice can be found at the SUNDAY, JUNE 24, '88, Continental Hotel, Salt Lake City.

The Utah & Nevada Railway will run its until trains daily (Sundays excepted) as follows: SEPT. 1st.

MADE HANDSOME. Mr. B. H. Shettler, of Zion's Savings Bank, has a bright and intelligent little daughter nearly nine years old, but she has suffered the unfortunate disfigurement all her life of being badly cross-eyed. Susie M. Shettler's parents were very loath to trust any one to operate on her eyes. But they had faith enough to trust Dr. Prentice, and he has made the eyes perfectly straight, which was done in less than a minute, and Susie Shettler is now a handsome little girl, while her parents are well pleased.

JUDGE CARLTON'S LETTER. Balt Lake City, August 7, 1888.

Dear Doctor:—Before leaving for the east I wish to express my appreciation of your treatment of a complicated case of the eyes. I have tried for several years to get far-seeing glasses, and I had concluded that I could get none that would be of any benefit to me. But after I saw the wonderful benefit of your system, I take pleasure in saying that the glasses furnished by you have restored my vision both for reading and far-seeing to the same condition as in my boyhood. I resolved to have you furnish me glasses after I witnessed your system to a beautiful young lady of sixteen years, from Summit County, afflicted with a complicated condition of the eyesight. She told me she had never been able to distinguish one's face at a distance of six feet. With Dr. Prentice's glasses she could see as well as any one. As she looked up and down the street, and for the first time in her life saw the distant mountain tops, she was greatly delighted, and inquired with childish simplicity, "Do other people see this way?" It seemed that a new world was opened to her view, so novel and beautiful as "Eden's rose bowers" SALT LAKE CITY, August 7, 1888.

Owens suggested that the gentleman had not answered his question.

O'Neill—If the gentleman says that I am a partyto the bargain in connection with this bill, he states what is a lie.

Owen thought that gentleman incapable of offering him a personal affront. He had objected to the bill on account of certain language which he had heard J. Milton Turner use, and had subsequently told members of Congress with whom Turner had a conversation, that pessibly a difficulty would arise upon the floor or curing the campaign concerning the matter. Townshend inquired of the Speaker what bill would be considered if the motion should prevail.

The Speaker declined to say, declaring that was a matter to be determined by the chairman of the committee of he whole.
Townsherd said he wished that the

ieficiency bill should be considered, the subject of fortifications being in conference in the army appropriation fight was resumed in committee. Townshend objected to the considera-tion of the fortifications bill and that tion of the fortifications bill and that objection was reported to the House.

On the question whether the House would direct the fortification bill to be laid aside the vote resulted—yeas 17, mays 132. No quorum, and a call of the House was ordered. The after moon was consumed in an ineffectual effort to secure and hold a quorum. On each call of the House a bare quorum would be developed, but the margin of votes would be lost when the question recurred on setting aside the fortification bill, and finally on motion of Sayres the House adjourned.
