

POOLS ARE SOLD TO YOUNG BOYS

The Rev. E. I. Goshen Brings Matter to Official Attention and Gets Quick Action.

GOVERNOR CALLS MEETING.

Mayor Bransford Says Chief of Police Will be Told to Stop It—Sheriff Says He Will Act.

Pool selling to minors must stop. This conclusion was reached after a meeting of the governor's office brought about by the efforts of the Rev. E. I. Goshen. He had concluded a thorough investigation of the pool rooms, saloons and cigar stores complained of by the ministers. Present at the meeting were Governor Spry, Mayor Bransford, President McDonald and Secretary H. S. Ensign of the State Fair. Also present were Sheriff Sharp, and W. W. Finn, Judge P. P. Pomeroy, J. W. Rice of the Utah Jockey club, and Captain Force, a Pinkerton detective who is in command of the police at the track.

The Rev. Mr. Goshen related to those present that while in a cigar store yesterday he had accidentally discovered the methods of the pool players. He was offered a pool on the ponies and was at first somewhat shocked to discover that betting was going on in the business district. Then he resolved to investigate more thoroughly and after visiting several saloons, cigar stores and the pool rooms, he found that the "hand books" were made and that they were to be found in many places in the city. Betting was open to all comers without regard to age or sex. Boys were found buying tickets and their expertise in discussing odds, bets to win, place or show, weights and jockeys convinced him that the matter was not going on for some time and that the practice was not a feeling fancy with the youngsters, but that it had reached the stage where it was a habit, confirmed and vicious.

The discussion was extended over more than two hours and at the conclusion of the hearing the authorities agreed that there exists no law to put a stop to the racing in the state, county or city. That there are laws which will stop the pool selling, though, was plainly shown and Sheriff Sharp declared that his office will permit it, especially to young boys and women. Mayor Bransford declared that the chief of police would be instructed to enforce the law and that the city ordinances covering this matter.

The Jockey club officials, if not from a standpoint of idealism or morality, were touched with the phase of the matter which affects their own bookies. If the books are played upon, then the books at the track will suffer. They accordingly manifested no eagerness to urge those present at the meeting to let the matter stand, but were heartily in accord with the proposition adopted, which is to stop pool selling, especially to women and youths in the city.

HAIR REMOVERS ARE DANGEROUS

Ladies should be most particular in choosing a hair remover, for one who has used a hair remover knows about it. In treating superfluous hair it is of vital importance that the agent to be used should be absolutely non-poisonous, antiseptic and germicidal, because if it is not so with frequent use it will produce eczema, or blood poisoning. De Mirac is the only hair remover that is harmless, safe and sure. Don't be deceived by startling statements made by fake "FREE" advertisers. De Mirac is sold by the following: Dr. J. L. Brown, Salt Lake City, and all other good stores. De Mirac Chem. Co., Desk 116, 1905 Park Ave., New York.

GO BY THE DIET BOOK

It Explains the Tonic Treatment for Stomach Trouble That is Making Such Remarkable Cures.

The processes of digestion are controlled by the blood and nerves. That is why the tonic treatment with Dr. Williams' Pink Pills by which the blood is built up, has cured so many cases of stubborn stomach trouble.

Many people are suffering daily from stomach trouble because they cling to old-fashioned methods, eat indigestible foods and in other ways aggravate the trouble. They seek to cure. But prejudice must give way before proper such as the cure of Mr. John T. Timmons, a well-known newspaper writer, of Cadiz, Ohio, offers.

"For ten or more years I suffered severely with dyspepsia and a weak stomach, and in a sense was a burden to myself and others. I was thin and pale, had no ambition, suffered with cramps in my stomach, headaches, was constipated and finally my kidneys became affected. My tongue was coated and I had a bad taste in my mouth. I had severe attacks of vomiting, with dreadful pains in my stomach and bowels from which I could get no relief unless I starved myself. Following these attacks I had to eat very light food. My heart was weak and, in going up stairs or exercising, I would beat rapidly and on several occasions caused me to fall. I was under a doctor's care all of the time but his medicine did not help me. I became desperate. I tried many remedies, that were guaranteed to cure, but without gaining any benefit. As a last resort I decided to try Dr. Williams' Pink Pills. I saw a change for the better in a very short time, and continued to take the pills, making wonderful improvement, until I was completely cured. I now weigh over 200 pounds while during the many years I suffered I only weighed about 125. I have no stomach or kidney trouble, do not feel tired, am vigorous and the picture of health. I consider I owe my present condition to Dr. Williams' Pink Pills."

A diet book containing full information about the tonic treatment will be sent free upon request. Dr. Williams' Pink Pills are sold by all druggists, or sent postpaid, on receipt of price, by mail, in six boxes for \$2.50, by Dr. Williams' Medicine Co., Schenectady, N. Y.

WORKERS CONTINUE THEIR CONFERENCE

Interesting Paper by Prof. J. L. Brown Brings Up Lively Discussion.

At this morning's session of the Church school teachers, Prof. James L. Brown read a paper on the work of domestic organizations in Church schools. The paper explained that in the Brigham Young university the students are organized into groups, wherein there is a supervision of their daily life. The necessity of this is seen when it is realized that there is a difference between learning or knowing the right and of doing the right. The theory of right living learned in the schoolroom is perfected only when it is put into practice in the daily home life of the student. That this may be done, a system of supervision and reports is put into effect, in which the student, as well as the teacher, takes a part. Prof. Brown's paper brought out many questions and some lively discussions, the distribution of authority among teachers and students being the chief topic.

Miss Annie Nebeker read an excellent paper on "Physical Education." In the department work this afternoon the following are the subjects under discussion: "Missionary Class Work," by Horace H. Cummings; "Essentials to Emphasize in the Book of Mormon," by George F. Hickman; "Essentials to Emphasize in the New Testament," by John C. Swenson; "Essentials to Emphasize in the Old Testament," by Wm. H. Chamberlain; "Essentials to Emphasize in Church History," by Guy C. Wilson; "Essentials in Religion Class Work," by Jos. W. Sumner.

COMMENCEMENT AT ROWLAND HALL

Special Services at St. Mark's Cathedral This Morning—Graduates Receive Diplomas.

The commencement exercises at Rowland hall closed this morning in an elaborate breakfast for the seniors at Rowland hall at 8:30, followed by a special church service at St. Mark's cathedral at 11 o'clock, with Bishop Spalding presiding.

The breakfast table at the hall was laid in form of a cross, and the decorations were in red peonies, a program of toasts being given with Miss Colbourne as toastmistress and a half dozen guests responding. Among those present were Bishop Spalding, Rev. C. E. Perkins, Rev. Rice, Mrs. W. C. Jennings, Mrs. J. E. Hart, Mrs. Morris Ritchie, Mrs. Clarence Dresser, Mr. and Mrs. Powell, Mrs. George Bradley, Miss Flanders and Mrs. C. M. Benedict, who have been connected with the school in a musical capacity, and Mrs. M. S. Bascom and the Misses Amy and Isabel Osbourne, all of whom are past graduates of the institution. Mrs. Bascom having the distinction of being the first graduate of the school.

Afterward the guests, faculty and students of the institution repaired to St. Mark's cathedral where elaborate exercises were held, and a special service conducted by Bishop Spalding being the feature at 11 o'clock. The church was filled with flowers, and the students in dainty gowns marched up the aisle to the sound of strains from the organ. After a short prayer service, Bishop Spalding took for his text the senior class motto, "Not honor but honors," preached an impressive sermon upon the fulfillment of this ideal, whose requirements mean being more than doing the sum of character more than that of achievement. The school world is not a large world," said Bishop Spalding, but it is a very real one, and in it you are trained in knowledge in noble thoughts and necessary discipline. It is there you store up much of your capital for future life and that is what makes the school commencement momentous.

In the past year you have gained new knowledge of the heavens above, and the earth below, many useful and uplifting truths have come into your consciousness, yet it is only as you live the life that Christ lived, assimilating His example and teaching, that you will have any real power in your physical, mental, or moral lives. He closed with a benediction upon the participants in the exercises, and a prayer for their guidance through life. Afterward the names of those who had won honors and awards during the past school year were read, and then the students following the cross borne down the aisle formed in procession and marched from the church, while the choir and congregation sang "My Soul Thou Must Be Wakening."

The two graduates, Miss Neta Powell and Dora Bradley, received their diplomas and various awards were made. Mrs. C. G. Plummer's medal for the girl doing the best work in vocal music going to Miss Neta Powell, who also won the Bishop Leonard medal for the best school record in average scholarship. Miss Powell's credits brought out the year never going under 95.

In the boarding department Dorothy Blunk and Katherine and Georgia Creighton won prizes for the best kept rooms; Bertha Norton prize for the best reading in the academic department; Alice Calverly prize for same in preparatory department; Dorothy Ingram prize for best progress in sixth and seventh and eighth grades; Mary Woodward for same in fourth and fifth grades; Ellen Evans same in preparatory department; Alberta Bradley, Wilda Davis, Bertha Norton, Christina Schoer, Beatrice Sumner and Florence Ware.

Those who have been neither absent nor tardy during the year are: Preparatory department, Margaret Callow, Myrtle Cunningham, Ellen Evans, Margaret McMillan, Helen McVie. In the academic department, Alberta Bradley, Wilda Davis, Bertha Norton, Christina Schoer, Beatrice Sumner and Florence Ware.

COMES TO SETTLE STRIKE.

Stewart Contracting Firm Sends General Manager for Conference.

The strike situation on the Commercial club building remains unchanged. H. W. Loman, general manager for the James E. Stewart company, which has the general contract, was expected to arrive in this city this morning from Chicago, but his train was delayed by washouts and he will not be here before about 3 o'clock this afternoon. It is expected that Mr. Loman will clear the entire matter up as the Commercial club refuses to take any steps in the matter whatsoever, looking to the company having the general contract to complete the building in the time specified in the contract. In turn the Stewart company will look to the parties holding the sub-contracts to make good and it is expected that the matter will be truly cleared upon the arrival of Mr. Loman.

TO HOLD SPECIAL SESSION.

The board of education will meet in a special session at 7:30 o'clock Tuesday evening to continue the investigation into the affairs of the buildings and grounds department. Bids have been asked for by the board on school furniture for the three new buildings now in construction. The furniture consists of 2,500 desks, 50 teachers' desks and five roll top desks. The bids will be opened at 12 o'clock on July 1, 1909.

NEW INCORPORATIONS.

The Pioche National Mining and Milling company filed its articles of incorporation today with the county clerk. It has a capital stock of \$30,000 divided into shares of 10 cents each. Of this amount 200,000 shares of stock have been set aside for treasury purposes. The company owns several claims in the Highland mining district in Lincoln county, Nev. The officers are: Thomas W. James, president and Nicholas Schneider, secretary and treasurer. Articles of incorporation of the South Jumbo Gold Mining company were filed in the office of the county clerk this morning. The capital stock amounts to \$50,000, divided into shares of 10 cents each. The company has claims in Iron county and 200,000 shares of stock have been set aside for development purposes. The officers are: Thomas Marleneaux, president; P. J. Donovan, vice president; and J. W. McKinney, secretary and treasurer.

POSTOFFICE SHOWS GAINS.

The Salt Lake postoffice shows another advance this month in the volume of business for May. The increase is nearly 15 per cent as compared with the same month last year and is made up of sales of stamps and envelopes, the sales of cards showing a falling off. The figures are as follows:

May Stamps	Cards	Envelopes	Total	
1909	20,203.60	676	6,152.20	27,025.80
1908	18,139.30	850	4,811.25	23,799.55
	2,064.30	180	1,570.95	3,455.25
				Increase nearly 15 per cent.
