DESERET EVENING NEWS | PROTEST AGAINST BUILDING SITE.

Followed.

PETITION TO THE COMMITTEE

It is Forwarded by Mr. Dooly and is Reavily signed by Prominent Chizens.

The likelihood that the question of the site of the federal building will be re-opened in Washington by the committee on public buildings and grounds, has awakened a wide degree of interest in Salt Lake, especially among those who were concerned in other locations at the time of the big contest for the | during the past few years, site. Since the return of Banker J. E. Dooly from Washington there has been renewed activity among those opposed to the Walker site, and it is freely said that if it can be shown that the law governing the selection of the site has not been complied with, the committee, and probably Secretary Gage, will see that the matter is again thrown open. The petition to the committee, which has been sent to Washington is as fol-

The Pettition,

To the Honorable Committee of Public Buildings and Grounds, House of Hepresentatives, Washington, D. C. Gentlemen:—Your petitioners, merchants, bankers and business men of Salt Lake City, Utah, respectfully represent that in compliance with "An act to provide for the purchase of a site and for the erection of a public building thereon at Salt Lake City, the capital of the State of Utah," approved March 2nd, 1898, advertisements were March 2nd, 1899, advertisements were inserted in the Sait Lake papers for such site requiring among other things that the government building be lo-cated on a corner lot, one approximat-ing 180 feet front by 180 feet in dimensions preferred. If not a corner lot, the property must approximate 189 feet by 220 feet in dimensions. The 220 feet to be street frontage. The act referred to requires among other things after the

said advertisement is made:
THAT THEREAFTER THE SECRETARY OF THE TREASURY SHALL
CAUSE EXAMINATION TO BE MADE
OF THE SAID BIDS AND THE SAID PROPOSED SITES AND SHALL CAUSE STATEMENTS MAPS AND PLATS THEREOF TO BE TAKEN AND SUBMITTED TO HIM. Your petitioners therefore allege

First—That no examination such as the act referred to has ever been made. Second—That they are informed and believe that the site was selected by ne H. A. Taylor, who had visited Salt take City but three times and at dates ong prior to 1895 and hence was not qualified at the date said site was seeted to make a proper or sultable se-etlen without personal examination. Third-That it is south of all the business portion of the city and not the direction of the city's growth.

Fourth—That it is on low ground only

the line of the gravity sewer. It is an round similar to that on which the foundation of which is estimated to have cost from \$40,000 to \$50,000 more than if located on solid ground in the center or upper portion of the city. Fifth. The advertisement fixed the size of the site 180 feet square if located

at a street intersection. Streets in the business portion of Salt Lake City are 192 feet wide. The site selected is on the corner of East Temple and Market streets. Market street is a private street one block in length, one half the width of regular streets, hence it does not comply with the terms of intention of said advertisement. Sixth. Your petitopers believe that

Sixth. Your petioners believe that the capital of the State of Utah should receive more consideration in the selection of a site for a public building.

That no proper consideration was given to the other numerous sites offered. That if proper examination had been

nade, the site which was structed on owest ground, and which would rejuire the greatest expenditure for foundation would not have been selected. Seventh. Your petitioners request hat a committee be appointed to make n the business district of the city, where it will be centrally located as regards population-in the direction of the city's growth-and where it will be avenient to all residents and at a me time present an imposing and dig-nified appearance. They also request that all persons may be awarded an im partial hearing to present the merits of the respective locations.

And your petitioners will ever pray. Following are some of the signers of

Beatle, are delightfully located on the share of the ocean, only two and a half unles from the noted Hotel Del Monie. He says that on Christmas day they had a repast of strawberries and cream, and a big part of their pastine consisted in paddling barefoot in the ocean. Mr. and Mrs. W. J. Clawson of San Francisco spent the holiday with them. Mr. Burton states that Bishop Beatle is still afflicted with a touch of the gout, but that he is convalescing, and that the health of the party is generally good.

A Mexican war veteran and prominent editor writes: "Seeing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy, I am reminded that as a soldier in Mexico in '47 and '48, I contracted Mexican diarrhoea and this remedy has kept me from getting an increase in my pension for on every renewal a dose of it re-stores me." It is unequalled as a quick cure for diarrhoea, and is pleasant and safe to take.

ABOUT THE NEW TELEPHONE LINE.

Claim That the Law Has Not Been | Company Being Organized and a Franchise Will Be Asked For.

WILL DUPLICATE THE BELL

Promoters Expect to Furnish Service at Half the Cost of Existing Rates - To Expend \$300,000.

The Utah Home Telephone company is to be the name of a company now being organized to enter the local field as a competitor of the Rocky Mountain Bell Telephone company, which has been extending its lines throughout Utah and the intermountain country

Particulars concerning the new venture were not fully obtainable until today, when Attorney Elmer B. Jones, a former well known resident of Utah, made the following statement to the "News" "The principal promoter of the enterprise is Edward W. Hammer, one of the largest and wealthiest elec-trical men of Chicago, Associated with tried men of Chicago. Assertation the him will be quite a large number of Utah capitalists, including residents of Sali Lake and Ogden. Within the Salt Lake and Ogden. Within the next two weeks we will present a peti-tion to the City Council asking for a franchise to come into Salt Lake and erect our poles, string our wires and give a full and modern service to its citizens at half the existing rates."

Continuing, Mr. Jones said: "In other words we propose by the low price to make the telephone a necessity and not a luxury, as it now is. Instruments used in the business district will cost just half what they do at present; in the residence sections the price will be \$2.50 per month, and independent, upto-date metallic service; if placed on a neighborhood line, the cost will be but \$1,00 You will readily see that with such prices prevailing that a telephone will become a necessity and that under them it cannot be longer considered a

Asked as to whether the company would be able to make the enterprise pay at such figures, Mr. Jones replied by producing a long list of eastern cities some of which had a population of only 6,000 where the Rocky Mountain Bell Telephone company's lines had been paralleled and where the projectors were, he said, paying fair dividends "Of course," he added, "they do not make as much money as where the double price practice obtains, but they make enough to make it pay. We have looked the field over very carefully and know that we can do the same thing here. We are of the opinion that there will be little opposition if any to our enterprise. As soon as we get our franchise we will incorporate under the name given, and put competent men in the field with blank contracts to be signed by subscribers. We are certain of one thousand to begin with, and expert a very great many more within a period of twelve months."

Regarding the cost of the undertak-ing and the territory to be covered, Mr. Jones said: "It will require an expendi-ture this year of not less than \$300,000 first install the service in Salt Lake Mry. Ogden, Phovo, and Park City. In short, we propose to parallel the lines of the Rocky Mountain Bell Telephone of the Rocky Mountain company. But it will be the purpose to extend toll lines all over Utah, and the intermountain country. It is in every way a bondafide proposition, and is here to stay,'

Jones said that in the course of a few days he would be able to give out the names of the Utah people, all men of capital, who would be numbered

HURT ON THE ICE.

Dick Fletcher Falls and Receives Painful Injuries.

Dick Fletcher, a 14-year-old boy residing in Sugar Souse, met with a severe accident this morning while skating on the ice. He went with a crowd of boys to one of the rinks on South State street, and had been skating about an hour when the mishap occurred. The hoys were playing some sort of game when young Fletcher fell and was run into by some of his companions. The unfortunate boy sus-tained a badly lacerated hand which was run over, and a heavy knock on the head which dazed him for some He was assisted home by two of the boys.

A serious shooting scrape occurred of recovery are exceedingly meager.

Frank Sano, a Jap 33 years of age. charged booked against him.

Oto Noda and Rosa Hide, eye-witnesses to the shouting, are also tocked up, and will be held as witnesses.

CELEBRATING NEW YEAR'S. At an early hour just evening a party of Japanese assembled at the resort mentioned and began making merry by putting whisky out of sight. About 10 o'clock, Nishyama showed up and, according to the other Japs, he was con-siderably the worse for liquor. He started in by using bad language, both English and Japanese, and several times insulted the woman Rosa Hide This state of affairs continued until nearly 12 o'clock. The Hide woman of-fered no resentment to the quarrelsome Jap's insuit, as she desired to remain in a cheerful mood, it being New Year's, and according to the time hon-ored idea of her people if she got "mad" she would get "mad" every day for a year.

THE TROUBLE BEGINS.

Sano is more Americanized, however and he ordered Nishyama to "clear out," This he refused to do. Sano again told him to go, but instead of doing so. Nishyama pulied a gun from his pocket and took a shot at the would-be peace-maker. Sano's ire was then aroused and he concluded that forebearance had ceased to be a virtue. Ruxhing into a bedroom he soon resppeared, armed with a revolver. No sooner did Sano thrust his head in the room than Nish-yama took another shot at him. Sano then did a little shooting on his own account.

ONE SHOT WAS ENOUGH.

Nishyama fell to the floor with a but-Also yama fell to the hoor with a out-let wound in his head, Some of the denizens of the street ran to Officer Lincoln and told bim of the affair. The officer hastened to the scene followed by Officers Williams and John-son, When Officer Lincoln reached the place, he found Nishyama lying on the their unconscious, in a large pool of blood, while the Japanese and half dozen women were running excitedly about giving vent to incoherent exclamations. The police at once summoned Dr. Giesy, who attended to the wound in Nishyama's head. The patrol wagon was called and the wounded man was removed to the police station,

SHOT THROUGH THE HEAD,

The bullet passed entirely through Nishyama's head, Entering on the right side just in front of the ear, it passed low the left ear. Nishvama's condition was made more serious from the great loss of blood than the wound itself. About 1 o'clock he was taken to St. Mark's hospital. At 10 o'clock this morning the wounded man rallied and was considerably improved. Nishyama ly a rook by trade and has been work. ing at the Miller hotel for several years. He is 25 years of age and unmarried.

SANO MAKES A STATEMENT.

Sano was seen at the city fail today by a "News" reporter and he made the following statement, speaking fairly good English:

At 12 o'clock I said to Nishyama, You go home, you drink too much you get sick,' He say, 'Shut up! Never mind or I shoot you,' Then." said Sano, "he pointed gun at me, I ducked and he shoot. I then ran to the bed room, got my gun and went back to the kitchen. He shoot again and I shoot kitchen. He shoot again and I shoot quick Nishyama fall. Me no try to kill, just shoot quick." When Sano was informed that Nish-

yama was not dead he looked pleased and said he hoped he would not die.
