SUNDAY SCHOOL CONVENTION.

On Monday and Tuesday, Nov. 29 and 30, a most important gathering will be held in this city, in the interest of the Sunday School of the Latter-day Saints. At a general meeting of the Deseret Sunday School Union, on the 25th of this month it was decided to hold a Church Sunday School convention, and the following resolutions were adopted:

The importance of the early training of children in the principles of the Gospel is a subject which has long been recognized by the Latter-day Saints. It has been said that all the great work and mission in the kingdom of God, those who have been associated with the duties and responsibilities of leadership, have been men and women from early childhood surrounded with religious influences. Perhaps the most important of these influences is the influence of the home.
