ERTISE

Our reputation is sustained by sturdy values. Our guarantee begins with the cutter and ends with the salesman: that is, every line must be true, every stitch honest: no misrepresentation from start to finish-"If it comes from Siegel's." Were it possible we would like to show you the history of our clothing from the time the cloth leaves the loom to when it is placed on our counters, ready to wear. There is nothing to hide in our Clothing but the secret of perfect tailoring. OUR TOP COATS you ought to see them : they're full cousins to the best that money can buy-the clean cut, easy, grace-ful, quick to get on, slik lining kind, just right for chilly days-not a few, but counters piled full to choose from. We are going to make this season a record breaker. We've got the convincing arguments-GOODS AND PRICES-to back up this statement.
