BENEFIT of Miss Amy Stone at the Theatre on Monday night. Play—the "Pearl of Savoy."

DURYEAS' "Improved Corn Starch" is the title the Messrs. Duryea give to this famous article of food. This article is made from the choicest corn, which is selected with great care. Its great delicacy and purity make it an article of food much sought after by those who appreciate a good thing. Enquire for Duryeas' "Improved Corn Starch;" "Duryeas" on every package.

NOTICE.—It is advisable that our settlements take immediate steps to raise the molasses-producing variety of sorghum, also broom corn and mustard, and prepare in time for drying, canning and otherwise saving the different varieties of fruit, and for making pickles, that, so far as possible, these products may be supplied without importing. d102 LOUIS A. BERTRAND.

TO BISHOPS AND OTHERS.—For the benefit of those who desire a complete and faithful record of their families, when born, blessed, confirmed, etc., in their respective wards, and with a view of securing uniformity of information under suitable headings, a Bishop's Record has been carefully compiled by the authority and sanction of the bishops and the leading men in Israel, and as such is recommended, hoping the bishops and brethren of wards will avail themselves of a correct record that may be handed down to posterity.

Respectfully yours,
EDWD. HUNTER,
L. W. HARDY,
J. C. LITTLE.

SUPERB ORGANS.—Calder & Careless inform the public, in another column, that they have just received another shipment of the Mason and Hamlin Organs—grand new styles and magnificent cases of solid walnut, without papier-mache or saw-dust ornamentation entering into their construction. They will sell on monthly instalments, running through one or more years, and at prices 30 per cent. cheaper than is asked for inferior organs. They solicit a comparison of prices and quality before purchasers buy elsewhere.

Span of mules lost, see advt.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of nasal passages, discharge falling into throat, sometimes profuse, watery, acrid, thick and tenacious, mucous, purulent, muco-purulent, bloody, putrid, offensive, etc. In others a dryness, dry, watery, weak or inflamed eyes, ringing in ears, deafness, hawking and coughing to clear the throat, ulcerations, scabs from ulcers, voice altered, nasal twang, offensive breath, impaired smell and taste, dizziness, mental depression, tickling cough, etc. Only a few of the above symptoms are likely to be present in any case at one time. No disease is more common or less understood by physicians. The proprietor of Dr. Sage's Catarrh Remedy will pay $500 reward for an incurable case.

READ WHAT IT WILL DO.

BROOKVILLE, Pa., April 27, '72.
DR. R. V. PIERCE.

Sir:—Having first applied to a number of home physicians and failed to get relief, I resolved to try your Remedy. Four bottles have completely cured me of one of the worst cases of Catarrh of which I have any knowledge, having suffered four months with an acute pain in the head, and breathed only with the greatest difficulty. I deem it due you as well as suffering humanity that this recognition be made of what we deem an invaluable medicine.

CHAS. Q. ANDERSON.

LOCAL AND OTHER MATTERS.

THERMOMETER 55 degrees F. in the shade, at 1 p. m. to-day. Fine, some clouds.

Message at the W. U. Tel. Office for V. V. Hall.

Home Again.—Mr. James Dwyer, bookseller, reached this City from the East last night.

Religious Services.—Meetings at the New Tabernacle to-morrow at ten and two o'clock, and at the Ward meeting houses at the usual hours in the evening.

Will Organize.—It is expected that branches of the United Order will be organized to-morrow at Ogden, Brigham City and West Jordan.

Going East.—We understand that Bishop John Sharp purposes leaving for Boston to-morrow morning, on business, and will probably be absent several weeks.

Stockholder's Meeting.—According to adjournment a meeting of the stockholders of Z. C. M. I. was held in the Old Tabernacle to-day, commencing at 2 o'clock, President Brigham Young in the chair.

The reports of the secretary and treasurer were read and unanimously accepted, and as we went to press, the votes for officers to fill vacancies were being counted.

Washing.—To-day a man stationed near the Kimball and Lawrence corner, with a stove, boilers, washtubs, etc., has been displaying the excellency of his washing machines by manipulating dirty blankets, shirts and other articles brought to him by different parties. He was surrounded by a curious crowd. Quite a number availed themselves of the chance to get their washing done on the cheap.

Information Wanted.—Information of the whereabouts of Philo M. Behunin, who went to California in the Mormon Battalion with Lieut. Dykes, in Comp. D., will greatly relieve the anxieties of an aged father and mother, brothers and sisters, and numerous friends and relatives. Address, Nelson Higgins, Richfield, Sevier County, Utah Territory; or Nancy M. Behunin, Richfield Sevier Co., Utah Territory.—California papers, please copy.

Not He.—The man arrested near Farmington as John Bender was discharged yesterday, it having been proved that he was not the man he was taken for. He lived in Montana two years ago, where he made a living by sawing wood and grinding music. It was a rather curious coincidence that he should have a scar across two fingers of the right hand and one stiff.

Slovenly Dutchmen with swarthy skin, round pumpkin face, and full eyes, had better not be wandering around in out of the way places, or they are liable to get "out of luck."

George Fink told the officers last evening, when he left, that he would call around at the Hall and "gif them some moosick." He is an excellent player on the piano, organ or accordeon.

Elocution.—Brother L. W. Peck, teacher of the 19th Ward school, desires us to announce that there will be an exhibition given by the members of his elocutionary class at the 19th Ward Literary Institute next Tuesday and Wednesday evenings. The class numbers thirty-two pupils, between the ages of ten and twenty-eight years. The two entertainments will be given because it was discovered that the house would not hold all who desired to attend on one evening. The first, on Tuesday evening, will be for persons under fifteen years of age, and on Wednesday for those over that age. No charge will be made for admission. The art of speaking correctly is very desirable and should be cultivated, especially by the young.

The entertainments will be musical as well as elocutionary, and will commence at seven o'clock.

Prison Reform.—Warden Rockwood purposes attending the congress of the National Prison Reform Association, which will convene at St. Louis on the 13th inst. He will leave this city on the 9th, in order to reach St. Louis on the 12th.

Machinery.—A small, four-horse power engine has been on exhibition for the last few days at the Wagon Department, Z.C.M.I. It is handy for driving threshing machines, turning lathes, and for many other purposes. Yesterday Z. C. M. I. received a couple of car loads of agricultural machinery, mostly champion mowers.

Runaway.—A horse with light wagon attached ran away on South Temple Street this afternoon and went down East Temple Street at a tremendous rate. A woman, a small child and a boy were in the vehicle. The runaway came near colliding with other teams and the career of the horse was watched, with breathless anxiety by bystanders.

Theatre.—"Elfie" and "Sketche in India" were well played to a satisfied audience last evening.

This evening the romantic military sensational drama, "Cigarette," for the last time.

During the evening the orchestra will perform the "Plantation Quadrille."

On Monday evening the beautiful five-act drama of the "Pearl of Savoy," for the benefit of Miss Amy Stone.

A Mean Trick.—This morning a man went through the pockets of a vest belonging to a friend of his, stole five dollars, went off to a saloon, spent the money in getting drunk and finally landed in the city jail. The friend he stole the five dollar bill from had been aiding him to exist for several weeks past. The offending party is a man of intelligence and education, which shows how low a person can sink from a good position in society by the aid of that treacherous enemy of many people — strong drink.

Annual Conference.—People are already beginning to arrive from different parts of the Territory for the purpose of attending the adjourned Annual Conference, which will commence at ten o'clock on Thursday morning. It is probable that the attendance will be at least as large as at any previous conference since the Church was organized, there being a universal desire on the part of the Latter-day Saints to hear something concerning the best means to be adopted to produce a unity of [illegible] them.

Utah Prosperous. — Notwithstanding all the quarrelling in and out of Congress on the Utah question, and dispite the misrule of Mormon and Federal officials, the high carnival of misdeeds by citizens and adventurers, it has prospered to a degree unrivaled by any other Territory. Were demagogues kept from places of honor, and respectable and honest men sent to take their places, Utah would soon become a marvel of wealth, and it would soon have a very large population and the Mormon question would settle itself. Public opinion will regulate society much more speedily and effectually than statute law.—*Montana Paper.*

A Fine Improvement.—Mr. John R. Winder has sunk a well on South Temple Street, opposite the Nesler Block, and has found water in abundance at twelve feet. He is now having a tunnel dug from a little below the corner of South Temple St. and Third East Streets, for the purpose of tapping the well. The tunnel will be a hundred feet in length. By this means he purposes conveying water to his residence, Third East Street, in wooden pipes, in abundance for every purpose, with a fall of 22 feet. The pipes will be tapped on his lot with hydrants, enabling him to water any part of the ground without the least difficulty. This will prove a great convenience, and would be a ready means for use in the extinguishment of fire, besides helping to drain the water from a part where the residents are put to much trouble in high water seasons from having their cellars flooded.

The Polygamic Argument. — If the honorable House of Representatives will give us half an hour on the floor we will soon convince them that the argument in favor of Mormon polygamy, as against congressional concubinage, has never been delivered. * * * * * * The domestic economy of the thing has never been duly set forth. While the many-wived Mormons take care of their families, these miscellane us families suffer. Especially is this the case since the repeal of the increased pay and income of the panic. We are driven into a scarlet fever of charity to keep these poor creatures from starvation, while the departments are besieged by embarrassed officials seeking to have their unacknowledged fractions of families supported by the government. Give us half an hour, and there will be no doubt left as to the author of the argument in favor of polygamy. — *Washington Capital.*

Musical Publications. — "Benham's Musical Review," and "The Amateur," for May, are received. The former contains nine pages of new music and a large amount of interesting literary matter, including portrait and biographical sketch of the wonderful infant musician, Rose Mansfield Eversole, who, it is said, has played the piano ever since she was seven months old, and now, only a little over four years of age, is a charming player and composer, and gives promise of being one of the greatest musical geniuses of the world. She was born in Indiana, and is now living at Dayton, O., her father being a physician there. "The Amateur" has eleven pages of music, and nine of literary matter interesting to musical people. Both works can be ordered through Calder and Careless, music dealers, Salt Lake City.

Elegant lines of plain and Fancy Dress Materials and Dress Trimmings.

A full stock of the most popular styles of Spring and Summer Shawls ever offered in the West.

Silks and Ribbons in all the most fashionable shades from foreign and domestic looms.

No effort has been spared in our preparations for the trade of this season, and our patrons in town and country can feel assured that unsurpassed facilities have enabled us to anticipate every want.

We are also determined to give our customers the advantage in price derived from our ability to handle these goods in *large quantities*, and to purchase them wherever and whenever they can be bought most favorably; all lines of merchandise for this department having been carefully selected by our resident buyer in New York.

Patrons ordering merchandise through messengers or the mails can rely on having their orders as faithfully executed and upon the same terms as though they were personally present.

THE ONLY MEDICAL FRIEND,

IN case of Diarrhœa, Dysentery, Cholera Morbus and Cholera, is Maguire's Bense Plant, a three years' remedy in the Mississippi Valley. The acknowledged specific in 1853 and 1866. Sold by druggists everywhere.

Read the following testimonial from the late Father DeSmet, the great Indian missionary:

ST. LOUIS UNIVERSITY,
June 9, 1872.

Messrs. J. & C. Maguire:

Long experience in the use of your valuable EXTRACT OF BENSE PLANT justifies me in saying that I believe it to be an excellent remedy for any form of bowel affections for which you recommend it. On every occasion when I have given it I am happy to inform you that it has been successful in affording relief.

Very truly, your friend,
P. J. DESMET, S. J.

From Rt. Rev. Bishop Ryan:

I fully endorse Father DeSmet's testimonial. P. J. RYAN.
