#### New Geography .- A. S. Barnes

& Co., publishers, have issued a Our CountryContemporaries. Utah edition of Monteith's Geography. A glance over its pages impresses us with a most favorable view of this work. It is free from all redundancy, being the essence of geographical information. In fact, it would be difficult to conceive of anything more terse, yel comprehensive. The maps and illustrative engravings are very fine. The map of Utah was compiled by Mr. George J. Taylor, from the

authorities, and a couple of illustra- Bishop. Live engravings are from sketches from his facile pen. He has also collated a large amount of information relative to the Territory, its rivers, productions, wild game, his-M. E., for Department of the Interior, Washington, 1875.

Besides the edition just issued an elementary one is about to be published, which will also incorpoeditions to supersede the several others heretofore used.

"With regard to our presperity as a settlement, things are moving along in the right direction. The among the children and some of United Order is bound to come out the grown-up people are complaining.

> A citizen from the Sevier states that a gathering of the Indians is going on in the vicinity of the Red Lake.

We learn that a couple of Sal t Lakers, one a mine-owner and the other a land speculator, wrote to Washington, D. C., to get the Bea-ver Land Office removed. The mine-owner is one of the claimants to the Bismuth mine in this county. Mr. Howard is confident that the attempt has proven a failure and that the Beaver Land Office will soon be opened for business.

> Harvest-Preaching. ROCKVILLE, Kane Co., June 12, 1877.

Editor Descret News.

The first harvesting of wheat commenced on the 8th of June. This is early harvesting for a dry mountainous country, once a wil-derness, but now a home for thou-sands of hard handed tillers of the Another genius in the baking soil that earn their bread by the sweat of their brow. The fruits are the lid portions of which are flour

scoops fand the main part of the measures, according to the quan-

sweat of their brow. The fruits are a fair crop for the season. I attended the meetings on Sun-day, the 10th, and heard some ex-cellent preaching from Elders Rus-sell and Steins Worth, of Grafton. Bishop Smith, the President of the Ward, read a portion of Hely Writ, backing up the testimony of his visiting brethren. At the close of the meeting the Bishop proposed that the Ward celebrate the Fourth of July, in memory of the brave and noble fathers of our country of 1776, who gained for us the blessing of a free nation and people.
