#### THE SMALLPOX SITUATION.

The smallpox excitement in this county is decreasing. Quite a stir was caused by the report spreading to the effect that the dreaded disease had invaded the home of Dr. S. H. Allen, and it has kept the doctor busy denying the rumor.

Palms, the actor, who is said to have the disease at Spanish Fork, is reported to be progressing nicely. He had not been compelled to take to his bed, on account of the disease. The young man claims that he has not got smallpox, but that for the past six years he has had the same condition each winter and is affected with a blood and skin disease. The doctors think differently.

It was a thrilling escape that Charles Davis of Bowerston, O., lately had from a frightful death. For two years a severe trouble constantly grew worse until it seemed he must die of consumption. Then he began to use Dr. King's New Discovery and lately wrote: "It gave instant relief and effected a permanent cure." Such wonderful cures have for 25 years, proven its power to cure all kinds of Chest, Lung troubles. Price 50 cts. and \$1.00. Every bottle guaranteed. Trial bottles free at Z. C. M. I. Drug Dept.

to them. Came to Utah in 1849. Lived for some time in Salt Lake City, but soon became permanently located in Kaysville, where he has since lived and labored.

Served in the Utah Territory Legislature, and five terms as a legislator for Davis county. In the Church was Bishop's counselor during the terms of two Bishops—Allen Taylor and Christopher Layton. He has since served faithfully as a teacher where his services have been especially valuable.

On Jan. 13, 1878, he was ordained a patriarch by Apostle Franklin D. Richards, and has since given a great many blessings.

Like her husband Sister Hyde has labored diligently in the Church as president and member of the Relief Society. Their children are without spot or blemish. President Joe. F. Smith once said of Father Hyde that "he is a man in whom there is no guile."

They have a numerous posterity scattered throughout Utah, Idaho and Wyoming, consisting of eight living children, fifty-one grandchildren and sixty-three great grandchildren.

Father Hyde has also an additional family of eight children and three grandchildren.

One remarkable but commendable fact is that among Father Hyde's sons and some-in-law are four Bishops and one is a member of a Stake presidency.

One son, the late Chas. C. Hyde, of this place, a young man highly respected and of brilliant attainments died here several years ago.

His children with the exception of two sons were present last evening, and enjoyed an event which they will long remember and cherish.
