IMPORTANT TO THE TRAVELING PUBLIC.

It is the duty of all persons before starting on a journey to ascertain by what route they can reach their destination with the least trouble, and if there are two or more roads leading to the same point, to decide which is the safest and pleasantest to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest, and several miles the shortest, route between Omaha and Chicago. Within the last two years the road bed has been put in admirable condition, and almost the entire line has been re-laid with steel rails.

The Depot in Chicago is centrally located, and as their trains arrive there thirty minutes in advance of all other lines, passengers can always be sure of making Eastern connections.

Close connections are made at Chicago with the Lake Shore & Michigan Southern, Michigan Central, Baltimore & Ohio, Pittsburg, Fort Wayne & Chicago, Kankakee Line and Pan Handle Routes, for all points EAST and SOUTH-EAST.

If you are going to Chicago, or East, you should, by all means, purchase your tickets on the Old Pioneer Route—

The Chicago and North-Western.

You will find on all through trains Pullman Sleepers, new and magnificent Day Coaches, and the best Smoking and Second Class Cars now on any road in the United States.

Particular information with maps, time tables, etc., may be had at any of the Through Ticket Offices in the West, or upon personal or written application to J. W. Irons, Ticket Agent, Salt Lake City, A. H. Earl, Ticket Agent at Ogden, or to J. H. Mountain, Western Traveling Agent, Omaha, Neb. or to W. H. Stennett, General Passenger Agent, Chicago. d54

Local and Other Matters.

THERMOMETER 36 degrees F in the shade at 1 p.m. to-day. Cloudy.

THERE are messages at the Western Union Telegraph office for T.J. Brown and Sheriff Florida.

Stormy.—Considerable rain on Saturday evening and Sunday morning, and rain and snow on Sunday evening and this morning.

District Court.—The time in Court was occupied to-day in taking testimony in the case of Kate Flint *vs.* Jeter Clinton *et al.*

No Eastern Telegrams.—The absence of eastern telegrams to-day is owing to the fact that a storm has prostrated about sixty miles of the Western Union Company's wires, east of Green River.

A Change.—We understand that Elder John Henry Smith has been appointed Bishop of the 17th Ward, in place of Bishop Nathan Davis, who resigned the office a few days ago. The latter, a gentleman well known and much respected, had felt for some time that the delicate state of his health prevented him from doing as ample justice to the onerous position as he desired. The new incumbent is the eldest son of the late President Geo. A. Smith.

Attempted Escape.—Early on Saturday morning a number of prisoners confined in the Penitentiary attempted an escape. The guards had been informed of the matter beforehand, and were on the alert. The break was headed by the notorious C. L. Williamson, on whose person was found a key to open the inner gate of the yard, manufactured from a piece of hoop iron by Shaffer. The attempt was a failure, and the prisoners are still in durance vile.

A Small Fire.—About half past five o'clock last evening a fire broke out in a house on Third South Street, about two and a half blocks west of the Cliff House, on the south side of the street. By dint of great exertion on the part of a number of people on the spot, the flames were extinguished, and no fire alarm bell was rung. The damage done amounts to about one hundred dollars. We understand the property belongs to a gentleman in the employ of Joslyn & Park, jewellers, and are informed that his name is Peirce.

Virginia City Relief.—The following report has been made by the committee appointed to solicit subscriptions for the sufferers by the late fire at Virginia City—

Amount already published	$2,318.75
R. N. Baskin	5.00
Total amt. subscribed	$2,323.75

Disbursed as follows:

Forwarded to Hon. James G. Currie	$2,233.75
do. do. 1 suit of clothes	30.00
Uncollected	15.00
Cash on hand	45.00
Total	$2,323.75

The money on hand and the amount due, when collected, the committee have decided to distribute among sufferers by the Virginia city fire residing in this city.

The following letter accompanied the remittance to Mayor Currie:

UTAH TERRITORY,
SALT LAKE CITY,
Nov. 23d, 1875.

Hon. James G Currie, Mayor, Virginia City, Nevada:

Sir—The citizens of Salt Lake City, through their mayor and committee, have the honor to hand you herewith two thousand, two hundred and thirty-three dollars and seventy-five cents, which you will please accept for the most needy sufferers by the late fire in your city.

We hope and trust that this donation will assure you of our sincere sympathy in your misfortunes, and our warm and friendly feeling towards Virginia City.

We are with respect,
Your obt. servants,
DANIEL H. WELLS, Mayor,
WM. JENNINGS, WM. HAYDON,
W. H. HOOPER, P. H. LANNAN,
H. W. LAWRENCE, JOHN SHARP,
JNO. T. CAINE, JOS. R. WALKER,
THOS. MARSHALL, J. T. LITTLE,
Committee.
H. C. GOODSPEED, Sec.

To which the following telegram was received—

VIRGINIA CITY, Nev.,
November 6th, 1875.

Daniel H. Wells, Mayor:

Accept the heartfelt thanks of our people for your liberal donation.
R. V. DEY, Sec.

Salt Lake City, Nov. 13, 1875.

In behalf of the committee,
WM. JENNINGS, Chairman.
H. C. GOODSPEED, Sec.

Miss Walters' Benefit.—The complimentary benefit to Miss Walters comes off on Wednesday evening, when the beautiful play of "Ingomar" will be given, followed by the farce of the "Rough Diamond," Miss Walters appearing as "Parthenia" and "Margery," supported by Messrs. Lindsay and Graham and the company.

The 14th Infantry band from Camp Douglas will appear and play a number of choice pieces.

Theatre.—The stormy weather on Saturday evening caused the audience to be smaller than it otherwise would have been to witness the clever feats of Mr. St. Jean, which were performed with a great deal of neatness and address. It was very remarkable the way he took carrots, cards, a dish of water, a rabbit, etc., from underneath the coats of persons from and in the audience, and also suddenly produced two rabbits from one. The instantaneous multiplication of the stars and stripes was particularly well done, as were also the coin and rope and card tricks. The audience appeared to be highly amused. Mr. St. Jean is very skilful in his profession.

The Amateur Trapper, and Trapmaker's Guide. A complete and carefully prepared treatise on the art of trapping, snaring and netting, also containing receipts for preparing skins and furs for market, tanning them, with instructions for preserving and stuffing specimens of birds and animals. By Stanley Harding. Published by Dick & Fitzgerald, 18 Ann street, New York.

Useful and entertaining for boys and sporting characters.

"Habeas Corpus."—The following writ was served on Saturday upon U. S. Marshal Maxwell, by the Sheriff of Salt Lake County—

TERRITORY OF UTAH, } ss.
Salt Lake County. }

To George R. Maxwell, United States Marshal for said Territory.

You are hereby commanded to have the body of Brigham Young, by you detained as alleged, before the undersigned Alexander White, Chief Justice of the Supreme Court of said Territory at the Judge's chambers, room No. 8, in the Federal Court House in Salt Lake City, in said county and Territory, on Wednesday, the 17th inst., at ten o'clock a.m. of said day, or as soon thereafter as practicable, to be dealt with according to law, and to abide such order as the said Judge shall make in the premises, and have you then and there this writ, with a return of your doings in the premises.

Witness my hand this 12th of November, one thousand eight hundred and seventy-five (1875).

(Signed) ALEX. WHITE.
Chief Justice of Supreme Court of Utah.

Indicted for Polygamy.—From a gentleman just in from Cache County we learn that indictments have been found by the grand jury of one of the District Courts of Idaho, against citizens of Franklin, to the number of about eighteen, for polygamy.

A peculiarity connected with these proceedings is that nearly all of the parties who composed the grand jury who found the bills are residents of Franklin, and apostates from the "Mormon" Church, there being about one or two exceptions.

A gentleman with whom we conversed to-day stated that as one of those grand jurymen was on the point of leaving Franklin for Malad City, to assume the functions of a juryman, he asked him how it was that so many of the grand jurymen were selected from Malad.

"I don't know," said the juror, "unless it is a packed jury."

"Yes, that's just what I think it is," was the retort.

"Well, I don't know that I understand what a packed jury is," said the juror, checking himself, "unless it is the kind of jury they want."

"Just so," said the interrogator.

Warrants were in the hands of officers to make the arrests of the indicted parties, and some or perhaps all of them may have been served by this time.

The Beekeeper's Meeting.—The attendance at the meeting of persons interested in beekeeping, at the City Hall, on Saturday evening, was not very large, owing to the threatening state of the weather. The meeting was called to order by A. M. Musser, Esq., who stated the object of the gathering and called for remarks from some of the keepers present.

E. Stevenson stated that he started to keep bees three years ago last Spring and in the three years had taken 600 pounds of honey, and increased his stock to twelve hives. This year he had increased his stock to twenty hives, and besides this had sold $100 worth of bees, and had taken 900 pounds of honey. He was decidedly in favor of the compound hives, both for wintering in and for the yield of honey. Said there were a few cases of foul brood in Mill Creek.

Samuel McKay stated that he had taken from his own thirty-six hives and those he had attended to the past Summer, about one thousand three hundred pounds of honey; had lost five fine swarms of bees the past season; had seen no foul brood.

Benjamin Judson had been accustomed to attend bees all his life and found that the best way to deal with foul brood was to bury the infected hives, bees and all, three feet below the surface of the ground.

Mr. Stevenson reported that Mr. Bailey, of Mill Creek, had taken from seventy-five swarms 5000 pounds of honey this season. Bees throughout the country were very healthy.

The linden tree was recommended as a very profitable tree for bee pasturage.

Meeting adjourned *sine die.*

Ogden *Junction*, Nov. 13—

We have been informed that the newly appointed postmaster for Ogden, N. J. Sharp, Esq., arrived in this city by the Union Pacific road, yesterday evening, probably accompanied by his family, intending to take up his residence here.

We heartily congratulate Mr. W. Henry Clark upon his promotion to the responsible position of Chief of the Ogden Police Force, to which position he was yesterday called by the unanimous voice of the City Council, to fill the vacancy occasioned by the death of Chief James B. Welch, which occurred recently. While extending the congratulations of the *Junction* to Mr. Clark, we cannot refrain from commending the action of the Council in securing the services of so worthy an officer in the position, as Mr. Clark has proved himself to be.

Utah County *Times*, Nov. 13—

The November term of the First District Court commences in this city on next Monday.

Beaver *Enterprise*, Nov. 11—

Mr. Frank J. Brown, of Beaver, has been appointed post trader at Fort Bliss, Texas. We have been acquainted with Mr. Brown for a long time, and feel that we are doing nothing more than a plain duty in saying that he is an honest, upright citizen. He is not a Mormon, neither is he a fanatical bigot, and no man in the community enjoys a better reputation for fair dealing and honorable behavior. He is the kind of man that contributes largely to building up material resources, because he recognizes that the welfare of the whole people should be considered before mere partizan considerations are attended to. We wish him every success and prosperity in his new home.

THIS IS THE

MEDICINE OF NATURE

For Destroying and Expelling all Kinds of Worms, Cleansing the Body, Blood, &c.

SYMPTONS OF WORMS.

A few of the most Common Symptoms which indicate the presence of worms:—Changeable Appetite, Offensive Breath, Pains in the Stomach and head, Grinding of the Teeth during Sleep, Pale Face with Hollow Sunken Eyes, Itching of the Nose and Fundament, Irregularity of the Bowels, a Short Dry Cough, Loss of Spirits, Feverishness and Disturbed Sleep, Rising in the Throat causing Sickness, &c.

DO NOT LET YOUR CHILD DIE.

Shall the bud of infant bloom
Soon be hurried to the tomb?
Mother, you with watchful eye,
I no not let your darling die.
Mark the dullness of that eye,
All irregularity;
Mark that paleness, white and deep,
And the feverish fitful sleep,
See the stomach, full and hard,
And the Bowels still debarred.
Mark the spirit, even low,
All bespeaking pain and woe.

SAVE IT—SAVE IT!

Why has your darling never smiled,
The Worm is in your precious child,
And gnaws its vital powers away,
Sinks it to death and dire decay.
Hear then the really welcome sound,
Save it! a remedy is found.
PLANT'S never-failing Powder and Syrup
A cure most sure and speedy makes;
Kills the death-worm, and the gloom,
Changes to matchless health and bloom;
It never fails, it never can,
It cures the child, the youth, the man;
It's taken, too, with haste,
Not unpleasant to the taste.
Hundreds who have tried it all attest
It is the cheapest and the best.
Try it—try it—try it—try it—
Every parent now should buy it,
Wait not till another day,
Till every chance has passed away;
Make at once the solemn vow
That you will try it—try it now!
Mother, you with watchful eye,
Do not let your darling die.
