Patry Thomas Colburn, of Morgan County, is in town.

The original Tennessee Jubilee Singers at the Opera House tonight.

The Utah Commission will probably reach here about the 18th of August.

Funeral services of Bishop A. C. Pyper, at the 13th Ward School House at 10 a.m. to-morrow.

Bishop Belpash, of Hooper, and Bishop Shurtliff, from Plain City, were in town from Weber County in 87.

The fourth emigrant company of the season will leave Liverpool on Wednesday, August 30th, in the steamship Nevada, Galton line.

Resolutions of respect to the memory of the late Alderman Pyper were passed last night at a special meeting of the City Council.

A pleasant surprise party gathered to commemorate the forty-ninth anniversary of the birthday of Bro. J. B. Barnes, at Kayville, last evening, July 28th. When he arrived home from work he found a large number of relatives and friends, who had the time in singing, dancing, etc., until "the wee sma' hours."

LOCAL AND OTHER MATTERS.

Religious Services.—Religious services of the Church of Jesus Christ of Latter-day Saints at the Tabernacle to-morrow afternoon, beginning at 2 o'clock.

Priesthood Meeting.—The regular meeting of the Priesthood of the Salt Lake Stake will be held on Saturday, August 5, 1922, at 11 a.m., in the Salt Lake Assembly Hall.

W. W. TAYLOR, Clerk of Stake.

Requested to Call.—The President of the Relief Societies who left the names of those who were unable to be present at the gathering of the (old) Folks, will please call at Bishop Hunter's office the first opportunity and oblige.

GRD. GODDARD.

Toole Stake Conference.—Toole Stake Conference opened at Toole City to-day. Elder F. M. Lyman, of the Apostles, went west yesterday, bound for that point, to attend the meetings, and President H. J. C. W. Henrice left this morning for the same place for a similar purpose.

Recovering.—Robert Kiddell, the young man who was struck on the head, about a week ago, by a falling log, on the Denyer and Rio Grande Railroad, in this city, came near "beating in his checks" a day or two since. We learn to-day, however, that he is recovering. He is at his home in American Fork.

Harvesting Machinery.—We take pleasure in calling the attention of our farmer friends to the interesting column of D. M. Osborne. This firm has manufactured harvesting machinery for more than a quarter of a century, and we never heard of their ever made or sold an imperfect machine, or one that did not give full satisfaction.

Pleasant Hunting.—Le Grand Young Esq. and family accompanied by Ben Sheek's Esq. and A. Young Esq. have started for a trip to the West of Weber River. The party expect to be absent about three weeks, during which time they will visit Reeds Peak, Lakes Hoosier, Goose and Beth. The party will doubtless have a pleasant time.

Theatre.—The last opportunity to see Uncle Tom's Cabin by Jay Rial's excellent company, will be presented this evening, when the engagement closes. The excellence of the performance has drawn large audiences during the entire week. There are but few dramatic entertainments that could have been played to such good business during this heated term.

Brought For Interment.—Mrs. Elizabeth Bannion, wife of Samuel H. Bannion, and daughter of Adam H. Bannion, formerly of the 20th Ward of this city, died at her home in Yreka, Tooele Co., on Thursday, July 27th. The remains were brought from the train the same evening, and taken to the residence of the father-in-law of the deceased, Bishop Samuel Bannion, of North Jordan, where the funeral services were conducted yesterday, when the burial also took place, in the family lot in the cemetery of this city.

Alleged Inhumanity.—We have received an anonymous communication, the writer of which complains of the inhuman treatment of street car animals by one of the drivers engaged on the southwest portion of the line. The correspondent should have attached his name as an evidence of good faith. On account of this omission his letter does not appear. No doubt, Capt. Arnold is ready to look into the matter and act in accordance with the facts. He will always be found willing to rectify any wrong connected with the road, to the extent of his ability.

Family Gathering.—On Thursday there was a family reunion of relatives, children, grandchildren and others, of Father Isaac Chase, a respected veteran in the Church. The gathering took place at the home of Brother George Chase, whose daughters waited upon the guests with the most charming grace. The guests were mostly from Farmington and Salt Lake City, and among them were Elder W. Young and Sister Zina D. H. Young. Father Chase, in whose home the gathering assembled, became identified with the Church in its early days, and has been generally respected for his integrity and general uprightness, and was held in special esteem by the late President Young.

THE EUREKA SUICIDE.

THE CAUSE OF R. T. COULSON'S SUICIDE.

A few days ago we published a dispatch which stated that R. T. Coulson had committed suicide by shooting himself through the head, at Eureka, Utah, but only a few particulars were given. It appears that the misguided young man had been engaged to a young lady in the East, who had agreed to wait a certain time to marry him, should he succeed within the prescribed time in sufficiently improving his financial status. He received word some time ago that the lady had concluded to accept of another offer of marriage. From that time he became despondent, took to drinking heavily, and finally to taking his nerves. After taking a large dose of this drug, he entered the private room of his store and, kneeling beside a small trunk he had opened a bible as if to read it, placing a pistol directly over his left ear, fired, the bullet passing entirely through his head. He had prepared two letters containing remittances to Salt Lake firms, stamped them and given them to a Mr. Gates to mail. He has left considerable surplus property, so that the suicide can only be attributed to his domestic troubles.

THE ST. JOHN TRAGEDY.

A STRICTLY CORRECT ACCOUNT OF THE AFFAIR.

A variety of statements have appeared regarding the shooting affair that occurred at St. John, Apache County, Arizona, on June 24th, in which Father Tenney, a highly respected citizen, was killed, while acting in the capacity of peace-maker. President Woodruff has received a strictly authentic account of the occurrence from A. M. Tenney, a son of the deceased veteran, from which we extract the following:

The quarrel commenced between the Greer boys and the Mexicans. There had previously been some feelings existing between the two parties. The boys however came into St. John to witness the feast of the Mexicans, but had no sooner arrived than the police of the town invited them to take off their pistols, which they declined doing; whereupon they were given an hour to either leave town or lay aside their arms.

A short time after, while the boys were standing in the co-op store, the Mexican police, and doubtless many others, followed them and as they came out of the store, the Mexicans fired upon them. The boys ran away, four entering an unfinished adobe house, while eight escaped. Among the four who entered the house were the Greer boys and a man by the name of Jim Von (Vaughn), the latter was killed.

After firing had continued for about an hour, Father came up and said to Sol Barth: "Tell the Mexicans to stop shooting and I will go to the house where the boys are and get them to give themselves up." Barth called out, telling the Mexicans that Father Tenney would go and see if the boys would desist. The shooting ceased and Father walked up to the house and asked the boys to lay aside their arms, which they agreed to do if the sheriff would guarantee them protection. Father then went to the sheriff's house and brought him to the boys. While he was taking their arms and handing them to some one fired, and the ball passed into my father's right cheek bone, ranging down and coming out at the center of the back of his neck, killing him instantly. There was one of our people besides Father, one American and the sheriff in the house at the time he was shot. The Green boys are out on bail and will probably have their trial transferred to Prescott.

Ogden Chaps.—Building appears to be brisk this season in Ogden, particularly in the business center of town; many new stores have already been completed, and others are now in course of construction.

The most prominent building now going up is the Broom Hotel, situated on the west side of Main Street, corner of Fifth. It is of brick, dimensions about 65 x 145 feet, and will be a handsome structure.

Opposite this, on the east side of Main Street, David Kay, the enterprising fruit and vegetable dealer, has built a fine two-story brick business house.

Mr. Chas. Woodmansee has a two story brick building, just completed and fitted up for two stores on Main Street.

Mr. J. S. Lewis is also putting up a two-story brick building on Main Street.

The Third Ward (Bishop Winifred Farr) is putting up a handsome new meeting house, 35 x 85 feet, on the southwest corner of the Tabernacle Square. It will be of brick.

A brick timber barn, 40 x 100 feet and 15 feet to the square, is being erected. A large number of fine residences and private houses are also being constructed.

The brick making industry is necessarily lively, about 1,000,000 have already laid up this season in Ogden and large quantities have been shipped. Jos. T. Johnson has two brick yards in full operation and employing about 60 hands.

Walker Opera House.—Attention is directed to the advertisement of the Danville Musical Burlesque Company. The members who were delayed in California (through sickness) have arrived, and the full company will appear next Monday evening in their variety entertainment. The company claim to have numerous specialty stars, and that the performance is full of jokes, hits, side-splitting burlesques and ludicrous situations. The 4th Infantry band has been engaged to appear with this company, besides Kelly and Siles, song and dance men. Billy Morton, comedian, Bert Holm, the male soprano singer; Dick Mortimer, the banjoist, and numerous others. The company give "College Memories" and "Wilds at the Asylum." Box office open Saturday and Sunday, July 29th and 30th.

Requested to Meet.—We are directed to state that the City Council and officers are requested to meet at the City Hall at 9 a.m. to-morrow, before proceeding to the funeral of the late Alderman Pyper.

THE EDITORIAL PARTY.

THE EDITORIAL PARTY.

The editorial association party, composed of members of the Illinois Press Association, arrived last evening. They have been taking in the sights of the city to-day. Tomorrow, they will attend the services at the Tabernacle. They passed visiting the Lake to-day, but owing to the large crowd of people that go there on Saturdays, have decided to postpone that part of the program until Monday. The party will start for Denver on Monday afternoon. We wish them a pleasant trip throughout and a specially agreeable sojourn in Utah. The following is a list of the company:

Home Mission.—Home Missions of Salt Lake Stake will visit the meetings of the city wards to-morrow evening.

Restore It.—To-day a man from Fairview lost a small red pocket-book containing a considerable sum of money. The finder will be rewarded on leaving it at this office.

Farmington Bishopric.—Jacob Moroni Becraft was ordained Bishop of Farmington to-day. Jacob Miller and Jonathan Wood were selected and set apart as his counselors.

Sunday School "Out."—On Tuesday next, under the auspices of the Sunday School, the 21st Warders will spend a day at Liberty Park. Arrangements have been made with the street car company to convey them to and from the scene of enjoyment on moderate terms. The exercises will consist of short speeches, singing, martial band music, racing for prizes, games of different descriptions, including a game of base ball. Several savings will be in operation, quilt playing, etc. Lemonade to be supplied free by the committee of arrangements. Bishop Andrew Burt is taking the leading part in the affair.

Interest Increased.—Sister Zina D. H. Young attended a meeting of the Young Ladies' Improvement Association of Centreville last Thursday. The interest in the society had considerably diminished during the summer months. Those who were alive to the welfare of the institution visited every house to awaken a more active attention to the matter. These practical labors were rewarded not only by a largely increased attendance at meeting, but also the addition of ten new members whose names were added to the roll. It would be well for some other societies needing it to adopt a similar method to produce reactivation.

TAPE WORM REMOVED.

SALT LAKE CITY, July 28th, 1922.

Editor Deseret News:

I have been suffering the past two years with a tapeworm, and hearing of Dr. E. L. Platt, and that he was successful in taking away worms from persons, I thought I would go down and try him. He gave me some medicine and in less than eight hours I parted with a tapeworm about thirty feet long. I live at Nephi.

Yours truly,
SARAH COKEY.

I testify that the above is correct.

BENEFACTORS.

When a board of eminent physicians and chemists announced the discovery that by combining some well known valuable remedies, the most wonderful medicine was produced, which would cure such a wide range of diseases that most all other remedies could be dispensed with, many were sceptical; but proof of its merits by actual trial has dispelled all doubts, and to-day the discovery of that great medicine, Bitters, are honored and blessed by all as benefactors.

FROM "THE TIMES"

Editors Times: The veterinary department in your valuable paper is always read by me with great interest and I value the information received from it a hundred fold more than the actual amount paid for the paper. One year ago you published a letter from Dr. John Bates, relating the wonderful success he had had in curing spavins and splints with Kendall's Spavin Cure, and his allusion to using it now in his practice for several human ailments on account of the success he has always had with it. The above statement from so prominent a Physician gave me great faith in its efficacy, and as I had been afflicted for years with the rheumatism and hip-joint lameness so bad, that I could hardly walk at times, I procured a bottle and as it has completely cured me I wish to proclaim it to all the world as the most wonderful discovery ever made for the benefit of afflicted men as well as for the poor horse, for which it was first used. As this remedy must be of inestimable value to the world, I write this letter to express my thankfulness to you for ever mentioning it in your columns and to ask another favor in behalf of my fellow men who are afflicted to body, that you continue to make known to the world, the great value of Kendall's Spavin Cure for both man as well as beast. Respectfully,
ARNOLD PARKER.
