and W. T. Critchfield of Winnemucca, returned from the bonanza camp of northern Humboldt last ovening. They spent three days at National, during which time they made a thorough ex- amination of the close-in properties, including the famous Stall brothers' lease and the company workings of the National Mining company on Charles- ton hill. 'The showing on the Stall brothers' lease in fill.	Yankee Con,	1 Z. C. M. L	prices in the opening dealings today, and the division between gains and losses reflected the uncertain tone. Variations were insignificant except for a rise in Wabash preferred of a point and Illinois Central 5% and a decline in Western Maryland of 5%. The undertone of the market grew firm- er when purchasing orders for small amounts of stocks were executed in	west. The indirect bit condition 'ever since the closing of the celebrated "deal" in the May delivery and when traders sought to buy the July wheat today there was almost none to be distributed. July wheat advanced today to 1.23% which is 35% above the previous high mark for the season. The bulke oc- curred during the first half hour of the day and was marked by intense excite- ment in the pit. The advance was started by moderate buying of small lots by a prominent commission house, which was one of the leaders in the bull campaign in the May delivery. This stampeded a	A DISCUSSION. "Blood Atonement and the Origin of Plural Marriage. A pamphlet containing over a hun- dred pages, has just been issued. This brochure contains a discussion on the questions quoted, between Elder Jo- seph F. Smith Jr., and Mr. Blobasi				
I lease beats anything I have over seen in many years experience in mining throughout the western country," said Mr. Edmunds. "I spont an entire day going through the various workings and what I saw was truly marvelous. The Stall brothers have encountered the high-grade in at least a half doz- en places and yet the jewefry ore they have taken out and shipped has been have taken out and shipped has been have taken out and shipped has been	2.55½, seller 60; 200 at 2.47½, buyer 60. Wabash preferred con- tinued its recent upward course and gained 2 points. Reading rose half as much Concelldated Gas. Western	in the May delivery. This stampeded a lot of small "shorts" who covered on stop loss orders. The demand was based largely on the recent unfavorable weath- er in this country for harvesting. The market opened strong with prices 4 to 1½ higher, July being at 1.90% to 1.21½. Demand for the July option was so keen that the price advanced by bounds of ½ to 1 until it had touched 1.33¼. At this figure there was sufficient owing to rains having interfered with realizing to cause a reaction of about 1c. Other deliveries made a fair response to the bulge in July.	C. Evans, the latter gentleman begin second counselor to the present of the "Reorganites." The questions are en- tered into exhaustively by both sides, and a great deal of valuable informa- tion is given. Elder Joseph F. Smith, Jr., shows by historical data and in- controvertible 'deductions that the po- sition of his opponent is untenable. Post paid to any address, 20e. DESERET NEWS BOOK STORE. 6 Main St.				
ment work. They have done placted by no stoping, and have only selected what they call the first-class ore, which I understand is worth from \$5 a pound up. What they designate as sec- ond-class ore is sacked and piled up in the workings, and I should judge they have about a carload of it. Its value can only be conjectured, but some of this "second-class" ore is worth at best 5 a pound. When they send they have about a carload of it.
