Death of George Nebeker .- At an early hour this morning Elder George Nebeker, a well-known and respected citizen, died at his residence in the 19th Ward, as will be seen by a notice which appears elsewhere. It attained to a prodigious size, however, and about six weeks since it was removed by surgical operation. The result was a rupture of some of the leading yeins of the limb and consequent fatal symptoms. He had also been troubled with an affection of the kidneys.
