

UTAH MAY BECOME CHAMPION OF WEST

Track Meet Arranged With the Colorado College by Coach Maddeck.

U. OF U. HAS FASTER RECORDS.

Preliminary Scores Indicate a Close Victory For Home Team in Most of the Events.

Utah University has a fair chance of winning this year's work on the track by bringing home to Salt Lake the championship of the intermountain region. To do it she must defeat Colorado college at Colorado Springs on May 27, Saturday last Colorado college won the championship of Colorado at a Western Amateur Athletic union meet, the college entered including Denver university, Colorado Agricultural college, school of Mines, Colorado college, and the State Normal school. The agreement of Coach Maddeck to enter against the winner of the meet, and this proved to be Colorado college. Coach Maddeck stated to the "News" in his return to Salt Lake last night, from his Colorado trip, that the track at Colorado college is in good condition and ought to give Utah plenty of chance to make her best records.

SCORES POINT TO VICTORY.
That Utah will win if her men make their best records is the only possible conclusion from a careful comparison of the records made at the meet by Colorado college with the records made by Utah in this preliminary contest this season.

DANGEROUS SPEED IN SPRINTS.

In this meet Colorado college showed dangerous speed in the running events, and here it is that the danger exists. If Utah can secure several seconds places, and even a first in the 200-yard dash, it might almost be said that she would have a fair chance to win. Whitney and Moore depend Utah's chances for victory in the closest events. In the 100-yard dash Colorado college entered Painter, who dashed off the distance in 16 seconds flat, equalling the Utah state record held by Whitney, 2.6 of a second better than his best in this spring. Colorado college, however, has no formidable man for second place, and Whitney and Moore should both crowd Painter at the finish.

In the 200-yard hurdles Colorado college took second place, Thomas of the Agricultural college taking first as he did also in the hammer throw, the discus throwing, and in the 200-yard hurdles. The time was 35.5 seconds, which is under a full second the records of Park and

BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of kidney or bladder trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

O. B. Burdette, Trustee After Four Years.

O. B. Burdette of Carlsbad, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking more than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured of stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

UTAH BUTTER

IT MAKES YOU EAT MORE BREAD

Hunt of the U. of U. These men, however, should crowd Weeks of Colorado college, and take at least three points from the event, with possibility of Park winning a first place.

HALF MILE EASILY UTILITY.

In the half-mile Gibbs of Colorado college took first place in 2:53.5, which is three seconds slower than Wade and Park have done this year. Both places in this event should go to Utah. In the 200-yard dash James of Colorado college holds the time at 24 seconds flat. Whitney holds the Utah state record at 22.5 seconds, while Moore can easily come under the Colorado time, as did also McAllister of Provo. A first and second is a probability for Utah here.

In the 400-yard run James of Colorado college made a record of 1:45.3 seconds, which is 1.5 seconds slower than both Butter and Swapp of the U. of U. can do. Utah should get all the points here, with ease and grace.

In the 800-yard hurdles there will be close competition. Weeks did not take first place for Colorado college, but finished a close second. Thomas in 3:25.4 finished a second slower than Butter of the U. of U. in the Provo meet.

HIGH JUMP DOUBTFUL.

The high jump went for second and third place to Colorado college, at a first 5 inches ahead of Hedges and Stoffer, son of the U. of U. can reach that point, but to take first Utah must develop a jumper who can show her power.

Benjamin will have to go some to damage the Colorado record in the hammer throw. Mad and Heald of Colorado college took second and third places with a first place of 135.5, which is only 1 foot 3 inches over the record of Heald of the U. of U. in this event, and Utah should at least get a look-in.

POLE VAULT BY A FOOT.

"Cuddy" Russell has the pole vault for the coming year. He has developed wonderfully this year, and has been something of a marvel in the way he has grown. He has improved his record from 11 feet 6 inches to 12 feet 6 inches, and has broken the state record of Colorado this year and finished at 12 feet flat.

The shot put Heald of Colorado college took only a third place, with a first not greatly over the possibilities of Benjamin and Stoffer.

RELAY IS DOUBTFUL.

The rub of the meet for Utah will be in the relay. For the Amateur Athletic union rules require a mile event, each man going 400 yards. This is a long run and many a runner with a star record has fallen flat in this run from weakness due to previous efforts during the day. Utah, whose quarter-mile runners are rare, and who will be required to cut their pace down to 400 yards for the long and expensive trip is liable to lose this event, however good are her men entered as this year's relay.

MEET IS IMPORTANT.

The meet will be of greater importance than any like event in the history of Utah athletics, for the eyes of Colorado will be on Salt Lake, and the eyes of the middle west will be on her Rocky Mountain neighbors, and Utah, if she wins, will have won the respect and belief from her neighboring states that nothing good can come out of her. It will do more for the state with a victory over Boulder would have done in football last season, could a second game have been played.
