FAREWELL SOCIALS. A farewell ball will be given in the First ward amusement hall tonight in honor of Reuben Evans, who is to de-part soen on a mission to Germany. The Third ward has arranged to give a farewell party Friday evening Sept. a farewell part of this month. The Fourth ward amusement hall will be the scene of a grand ball this even-ing to be given in honor of William Purdee, who is to depart this month for Footland on a mission. Herefore the prosecution, and all the defendant's attorney, Mr. Reed, could or did do in the matter was to object to the ques-tions as they were presented by the prosecution. It appears that there was some dif-

ference in the marriage certificate in the defendant's two eventful marriages. At the time of his marriage in Box-elder county he gave his name as John Davis, and when married at Gunnison bavis, and when married at Gunnison to Miss Gledhill his name was given as David John Davis. A witness secured by the state, Thomas Blackburn by name, who was sent for from the vi-cinity of Davis' first love affair, stated that he knew the defendant to be the man who was reputed to be the husband of the first wife. The jury in this case, after the court's instructions, retired and shortly before noon returned with a verdict of "guilty of polygamy." Davis will be sentenced Saturday

The case of B. C. Carroll, on the charge of assault with intent to mur-der his wife, on the night of Sept. 6, at Gunnison, was the next case to be heard, and the testimony in this case was commenced shortly before the noon hour. Carroll and his wife and possibly another person, who has not yet ar-rived, will be the witnesses for defendant, while there are at least six wit-nesses for the prosecution, known to be

respected citizens of Gunnison. TENNANT-EVANS NUPTIALS.

Escalante, Garfield Co., Sept. 10.considerable sickness is now prevalent in our community, in the form of ty phoid fever and general summer complaint. Miss Hattle Balley has been very low for the past three weeks with typhoid but has now rallied for the better.

The angel of death visited us on the sth inst. and summoned one of our stalwart young Lein to the great bc-yond. Brother Alonzo Shurtz took to his bed on the 26th of August with erysipelas beginning in his nose. In less than a formight one of the strongest men of the community had suc-cumbed to this disease. Brother Shuriz was a very useful man among us, both in municipal and ecclesiastical affairs. He had just fulfilled a mission to the Southern states. He leaves a wife and daughter to mourn his demise besides the entire community.

morrow at 10 a. m. Favorable reports reach us of the extensive improvements making at the new town of Raymond, the proposed site of the sugar factory. Plowing, building and fencing has given quite a boom to the new town which would be surprising to many of the settlers in staid old Utah. Here things are done on such an extensive scale to harmonize with the vast area of rich rolling prairie, that a few thousands of acres broken up in a place merely looks like a small speck compared with the millions of acres of waving grass and coulee still virgin.

Rains have begun, which now meets a long felt want and new grain is everywhere locking fresh and green, insuring a good crop next season as the results of fall seeding, which has proven most successful. Trainloads of beef cattle are being now exported and altogether all are kept busy, too busy to complain.

Nothing but good words are spoken for the "News," which is always a welcome vishor. The health of the people is good. All schools running to their fullest capacity. Quite a number of our citizens contemplate a visit to conference,
