riving daily. Refrom our of the year, the tended for a "cure all," and should he recommend it to people as a remedy for so many different forms and classes of disease, he feared those who had never tested its virtues would at once class it among the numerous humbugs of the day. This answer was satisfactory to no one; they argued that the whole country ought to know it at once, and expressed their astonishment at his indifference to the subject. His ear and heart being at all times open to the call of suffering humanity, he has at last, after having received testimony from hundreds who have been speedfly cured by it, and many of them, after quinine and all the usual means had falled, consented to make the matter open of the call of suffering humanity in the suffering humanity, he has at last, after having received testimony from hundreds who have been speedfly cured by it, and many of them, after quinine and all the usual means had falled, consented to make the matter open of the call of suffering humanity in many of them, after quinine and all the usual means had falled, consented to make the matter of the call of suffering humanity in many of them, after quinine and all the usual means had falled, consented to make the matter of the call of suffering humanity in mr.
