The Moutaux Election Case. The Idahe Admission Bill, etc.

Washinston, April 2.—The conference report on the unyout deficiency bill was presented and agreed to. The House receive from its disagreement to the Senate amenament as to irrigation surveys, with the privise that no part of the amount shall be expensed in the sinking of wells or the construction of irrigation works, and that the government shall not be cummitted to any plan of irrigation of the grade on plan of irrigation of the grade of the control of

symmone words, and that the government shall not be committed to any plan of irrigation.

The Scante their proceeded to the consideration of the Montana election case, the majority report being in favor of William P. Sanders and Thomas C. Power, and the minority report in favor of William A. Clark and Martin Maginins.

Hour stated the case on the part of the majority of the committee, the whole matter turning upon the question as to whether one set of representatives, who voted with the twenty-five republican representatives for Sanders and Power, were legally elected from the county of

WESE LIMALLY STRUCTED WESSE LEGGLEY ELECTRIC.
Gray, representing the ambority of the committee, made a statement of the color that Clark and Alagimia were entitled to the case. He commented upon the initing of the commented upon the initing of the case and the commented upon the initing of the case and the commented upon the initing of the case and the commented upon the initing of the case and the ca

Washington, 2.—The Idahe administration till was taken up and Borsey (Neb) in charge of the fall, unade a speech in the favor. The only opposition to the administration of Idahe, he said, came from the Mornions. They preceded against the prevision of the constitution which disfranchined linguishes and polygamints and persons who were nounbers of an association which encourages higany;

Mansar criticised the provision of the constitution which and the constitution which encourages higany;

Mansar criticised the provision of the constitution which encourage higany;

Marmonapaid and that the real research was that the Mornions well the democratic telest.

Dubois excussely advanced the minority report, he said it proposed that topunds and polygamids should vote in Idahe. What right had the numbers of the minority to impose upon Idahe conditions which had never before been imposed upon any State coming into the Union! There was, he said, in Idahe a genus demo, known as the IJark Mermin," who, while denounting POLYGAMY AND INDAME.

polycoant and modant, obeyed all behests of the Mormon riests. Were the gentleman from Illinois (Springer) to live in John he would probably the known as a "Jack Mormon." He closed his increase of the Mormon question by saying the issue was fairly joined here. Would Congress sustain this treasonable and lasedvious institution, or would ill hold up the hands of the brave ploneers who had gone to Idaho, who, on this proposition, had alondoned all party ties and united in saying. "We carnestly desire Statebood, but we desire it only for loyal American citizens."

Smith (Arisona) earnestly de-POLYGAMY AND BRIGAMY,

intre. Would Congress sistain this treasonable and lacelvious institution, or would find up the hands of the brave planears who had gone to Idshio, who, on this proposition, had alsandaned all party ties and united in saying. "We carnestly dearre Statehood, but we desire It only for loyal American elliseins."

Smill: (Arisona) cornestly denounced the action of the committee on Territories in falling to report a bill for the admission of Arisona. His people had been unfairly treated. Arisona had severy qualifies too for Statehood, but the bill for committee, simply because she had seen fired, The more than loade and Wyeming combines, was asked to be such as democrat to Congress. The Territory of New Mexico, with a population greater than loade and Wyeming combines, was also because poor Jasseph (the delegate in the background, Was side-Insacked. They in also and Wyeming combines, was abled and the comment of the way in the crevates above."

Wishers above. We exist the temporary of the saling will be leveled. Subscriptions continue to come in liberally, and today on the edited given be will ask of the University of Insach and within a few days the most of the saling on the admission of Arisona. His propulation of Arisona had been unfairly treated. Arisona had severy qualified to accommittee, simply because she had seen fift to such a democrate to Congress. The Territory of New Mexico, within a population greater than loade and Wyeming combines, was abled at the propulation of the wagen and strated that the danger of a water of the will be a propulation to the propulation of the wagen and strated the calling the propulation of the wagen and strated the calling the complete the campaign. Armed with a few days the mest of these standance will within a few days the mest of the saling will be freed to more and within a few days the mest of the saling will will be admission of the magen of the saling will be reded. Arisonal had severy qualified to accommission of the wagen and strated the campaign. Armed within a few d

in republican States that have not adopted prohibition and is now in treatment in republican and is now in the past and I think will not in the past and I think will not in the foture."

Resolutions were adopted declaring that the prohibition have had failed in the accomplishment of its objects and that possibilities legislation was anwise on general principles. The repeal of the prohibition has becamed and the enactment of local options and brigh license measures.

pared a ton so that the localities that wanted to prohibit a chance to do so. It licensed by popular vote After a vigorous details of four bours, the matter went over.

HASTINAL CONFERENCE.

LONDON, April 2.—The Tele-graph's St. Petersburg correspondent says the peasants are rising in filazin and blood has already been shed. The agitation is greating to ferniand and Polazad, and gendares and Cossas have been sent to quell the discriber. The emittement is intense. Everyloody sympathizes with the statement. The learning carses a partially successful attempt has been made upon the life of the Crar.

As Earl Mission.

LEUNDON, April 2.—Hen Henry
Boyle started today for Canada, in
search of his elder brother, Viscount
Boyle, who, through the sudden
death of his father, has become
Earl Shanton. Seven years ago
Viscount Boyle resigned his
commission in the army and joined
his beother in purchasing a ranch
in Western Canada. The undertaking proved a failure, and Henry mturned to England. The viscount
has since been university of except
through an lim keeper who saw him
two years ago near a mining camp.

DIAZ'S MESSAGE.

CIVY OF MEXICO, via Galvestot April 2.—Both houses of Congres were opened last evening and Free dent Diar's message was received the second of the configuration of the Para-America of the Second of the Congress at Wash lugton for the analous of the Para-America of the Mexico of the Mexico of the Mexico of the Mexico of the Maritime congress at Wash lugton for the nations at large. The message refers to the apology of the United States for the slightling remarks of Consul Mexico of the Diagnost of the Los of the Congress of the Congress of the United States for the Mexicon frontier. The government at Washington, the investige says, refused to consider the proposition of the Los Auprés Chamber of Commerce for the acquisition of Lower California.

His Excellency draws attention to the decisions of the United States court in the matter of the Abrawel court in the matter of some of the Chalms.

Mexico, Diaz says, will encourage

Paternational Monetary Union.
Wantingtons, April 2.—The PanAmerican Conference tearly unanmonally adopted resolutions that an
international American monetary
mion be established, uniform international coin or culin to be issued,
other a year or less from the adsurmment of the conference, for a
pecial meeting in Washington of a
soundities, composed of delegates
toni each nation, to consider the
calter and quantity of such currency
and culins, etc.

Chricaso, April 2.—The driver and measuringer of the United St. de-Express money wagon, who deliv-cred the money packages to the various banks Monday, in some

Courthouse today that the old family war is opening up again. James Hatfield was killed last Thursday by M. C. Lee, who was an adherent of the Hatfield gang in the war with the McCoys. The details are meage, but it is said great excitement, prevails. Jerry was a neghtwo old "Devil Anse" and was once sheriff of Logan County.

The Lower Riestsalppi.

VICKENTINO, April 2.—The relief committee at Occoio, Miss., has assised for a let of tents, numbers of the people being homeless. The plantations on the Bayou Vidal in Louisians are being rapidly overflowed. The levess on the Tenuse front near St. Jessph are nodding out well, but there is great apprehension; that a return of the water from the Yanos crevasses will cause a heavy rise, in which case no beves on the lower Mississippi could stand the pressure of wind and water.

WASHINGTON, April 2.—The signal service issues a special isulicitie, in which it says: "Notwitt-tanding the heavy rains, there is no likelihood that the Mississippi will be again as high a New Orleans as it has been the season, owing to the relief given by the crevasses above."

Wastington, April 2.—A large delegation of Southern tobacco men appeared before the ways and means committee to protest against the new tobacco schedule.

THE MERCHANT MARINE.

the new tobacco schedule.

THE MERCHANT MARINE.

The house committee on merchant marine and finarries today reported "A bill to place the American mechant marine and finarries today reported in Swegin trade upon an equality with that of other patients." The report accompanying it says in part.

Hen They Take It.

MILWALKER, April 2.—The republicans throughout Wisconsin are
paralyzed at the sweeping victory of
the democrate in Milwanker. The
result is laid to the lidter fight made
by the Cathodic priests and Lotheran
ministers against the Bennett compulsory education law. Many republicans predict the defeat of their
party peat fall if the fight is on the
same lines.

Rebelltons Russian Sindents.

Sr. Perrusourus, April 2—At Moscow filteen students have been arrested and will be tried on a charge of being polifical evolutionies. Forty-hue have been expelled from the university. Forty-four will be subjected to minar panishments and the remainder te re-trassel. Disorders will be considered a sign of revolutionary plans in connection with the agitation in foreign essuatries requesting the treatment of political prisoners in Siberta. It is not thought the movement has the slightest prespect of success. Seventy students at Charlest out versity have been arrested and sleven expelied.

New Cabinet for Mantitube.

Rehering See Negotiasisma.
Nave Yonix, April 2.—The Heralid's Othera, Ont., special: I am
credibly informed that the Behring
Sea negotiathens at Wastington
have not advanced beyond the preliminary stages of a tacil understanding that Behring Sea is part of
the high seas, the free pursuit o
scaling in which can only be restrained by inferrantional action,
and that a reasonable compensation
must be made by the United States
for the past and mistalvan disturbance of the British saling operations therein.
