

MADDOCK WILL REMAIN AT VARSITY

Signed Another Contract to Stay Here Until June 1906.

AFTER A NEW GYMNASIUM.

Several Offers of Money Have Been Made by Students and Alumni of The Institution.

At a lengthy consultation with President Kingsbury yesterday afternoon Coach Joseph Maddock decided to remain with the University another year, and signed a contract until June 1, 1906. He accordingly wired to President Baker of Boulder his refusal to take up his offer, and announced to the football squad the beginning of spring training. It is understood that at the conference the matter of a gymnasium was talked over at length, and it was decided that conditions were hopeful enough to warrant Maddock's remaining. Several offers of amounts from \$5 to \$100 have been made by students and alumni of the institution, as well as other friends, and within the student body there is a general disposition to throw open subscription lists.

The Alumni under President R. W. Young are considering the same matter, the plan said to be favored among them is to borrow the necessary money in the belief that the Legislature will later appropriate it, seeing the absolute necessity for the building, and the need for its immediate completion.

Still another plan is under discussion among college men not connected with the University. It is to secure, if possible, an endowment from some friend of the institution, the structure to be named in his honor. For the length of time it has been in existence the University has had no little help from endowments and gifts as has any American college. The long dispute over a site and suitability of the permanent future of the institution has withheld the support of the most necessary to its building, and against it but now the alumni and regents feel that support is growing more enthusiastic and that friends can be found who will relieve the present predicament.

TRACK AND OVAL IMPROVED.

The remodeling of Cummings field is almost completed and the condition is now such that it will favor speedy records and comfortable practice. The oval track has been cut away four feet and the entire field is now level, except that there is a rise of one foot from each edge to the center, giving it a slightly oval shape. On Arbor day it is planned to plant the whole field in grass and which will be completed within a week.

BUTTE DROPS OUT.

Backers of Club Got Cold Feet at the Last Moment.

Helena, Mont., March 17.—At the last moment Butte got cold feet and this afternoon announced it would not go in the proposed outfit to take part in the composed of Spokane, Boise, Salt Lake, Ogden, Butte and Helena. President W. E. Nielsen of Salt Lake and Victor C. H. Williams of Spokane arrived here this afternoon at 2 o'clock from Butte. In an hour \$200 cash had been put up for a Helena team and a like amount for a Butte team who had agreed to put up \$100.00 if the citizens put up a like amount. When they got a telephone message from Butte announcing that city was out of the game, when Nielsen and Williams left Butte this morning they had pledged that Butte would go in. The two left Helena this evening for the south with the announcement that the league would have but four teams, owing to the action of Butte.

HOW KELLY GOT THIRD.

Quickly Took Advantage of an Accident To the Umpire.

"Mike Kelly got a funny thing in a game at Boston once," says "Pop" Anson. "He had reached second base on a hit and an out and was practicing around the line when a red-hot cinder from a pass locomotive got in the umpire's eye, and yelling with pain, he called 'Time.' Kelly was the first man to reach the umpire's side, and a few seconds later he had deftly extracted the cinder from the arbitrator's eye and the game was resumed.

"But just then the Boston bunch set up a noisy protest about something, and looking up to see what it was all about, we saw Kelly was on third instead of second." "Here, Kel, how did you get over there," shouted the umpire.

"I came over on the same whiff of smoke that most put your eyes out," said Kelly. A long wrangle followed, but the umpire, probably feeling grateful to Kelly for his medical assistance—allowed him the extra base, which Mike had merely purchased during the mix-up, and a little later a long fly brought Kelly home with the winning run."

L. D. S. Team Lost.

Ogden, March 17.—In a close and exciting basketball game at Lester Park yesterday afternoon the Weber State academy defeated the Latter-day Saints University with a score of 18 to 12. The game was full of interest from the start, being close at all stages of the contest.

MULLODY BEAT MC CARTHY.

Honey Knocked Out Jerry After Fifteen Rounds Hard Fighting.

Butte, Mont., March 17.—"Honey" Melody of Boston, in the fifteenth round of what was scheduled to be a twenty-round fight, knocked out Jerry McCarthy of Butte. Honors were even until the knockout blow, which came during a mix-up. Melody landing hard on McCarthy's jaw.

Chicago Is Benten.

Premio, March 17.—In a splendid exhibition of baseball the Tacoma Tigers beat the Chicago Nationals this afternoon. By dint of consistent ball playing, superb base running and excellent twirling on the part of the fireman, Fitzpatrick, the boys from the north got a 6 to 3 score.

MUCH MONEY SPENT ON BALL TEAMS

Many Thousands of Dollars Will Be Paid Out This Coming Season.

THE EXPENSE OF PRACTISING.

Sixteen Major League Teams Are Now Scattered Over the Sunshiny States—Capital Used Before Games.

If there remains a doubt in the mind of any American citizen concerning the immensity of baseball as a business proposition, wholly aside from the sport of it, a rapid calculation of the thousands of dollars which will be spent by club owners and promoters in the next few weeks will remove the last vestige of that doubt. By now all of the 16 major league teams are scattered over the sunshiny states. Many of them have been there a week already.

Another week will see scores of the minor league clubs beginning the process of conditioning for the pennant battles, which do not begin until the middle of April or later.

With each major league club traveling thousands of miles on its practice trip, the aggregate of the railroad mileage is a big item in itself.

Each club includes 20 to 30 players, besides the necessary managers and guides, and the hotel bills for the army will represent a considerable sum of money.

All this capital must be invested before a wheel is turned in the real baseball factory, which does not begin to manufacture receipts until the championship race is on.

To be sure, each team has planned a long schedule of exhibition and practice games during the time of training. But the receipts from these will not be enough to meet the expenses incurred. There was a time when fewer teams went south, that the trip could be negotiated without great expense.

But today so many games are scheduled in every available city where the weather will permit, that the patronage is divided into small shares and any club owner will be fortunate, both in weather and towns, who receives from exhibition games half the sum the trip costs.

A stretch of cold or wet weather will mean a heavier tax than that.

It is true of every big business enterprise that much capital must be invested before any returns can be looked for, but there are those who look at baseball as anything but a summer diversion, a very pleasant pastime for the public and the players in it.

There are more men financially interested in the game from motives of sport than in any other game, and the money that is in it is more than ever before, but there are just as many as ever in the outside world who consider baseball a goldmine because they see only the heaps of coin turned in at the ticket windows when a club owner is lucky enough to secure a "winner," forgetting that there are more holes for the money to slip through than there are windows at the gates to receive it.

ON THE RACE TRACK.

Neatness Made a Runaway Race at Ascot Park Yesterday.

Los Angeles, March 17.—Neatness, a maiden, 2-year-old, as good as 50 to 1 in the betting, made a runaway race of the third event at Ascot today, winning easily from La Chata, the favorite, El Otrero won from Albert, who, the favorite, won the fifth race, because of the stupid riding of Morality on the later. Weather, clear, a breeze, slow.

Summary:

First race, six furlongs—Kinsman won, Orling second, Neatness third. Time—1:12.

Second race, one mile—Belle Dixon won, Jardine second, Swift Queen third. Time—1:43.

Sixth race, one mile—Meadow Horn won, Mercedes second, Bailey third. Time—1:41.

Salable the Winner.

San Francisco, March 17.—Salable at 5 to 1 won the St. Patrick day's handi-cap. Princess Diana, the favorite, came home last. Jockey Davis won three successive brackets, but got reckless and lost with Baker. Weather, cloudy, track, heavy.

Summary:

First race, six furlongs—Yellowstone won, Orling second, Effervescence third. Time—1:13.

Second race, six furlongs—Emma Reubold won, Orling second, W. W. Times third. Time—1:17.

Third race, four and a half furlongs—F. W. Barr won, Durum second, busy Bee third. Time—1:08.

Fourth race, one mile—Profitable won, Major Tenney second, Lady Luck third. Time—1:43.

Fifth race, seven furlongs—Bob Ragon won, Baker second, Miles' Daughter third. Time—1:50.

Sixth race, six furlongs—Salable won, My Order second, David B. Land third. Time—1:16.

Oaklawn summary.

Hot Springs, March 17.—Oaklawn results:

First race, six furlongs—Lady Moneus won, Aquilina second, Supreme Curt third. Time—1:13.

Second race, three furlongs—Aviston won, Patsy first second, William Moffitt third. Time—1:01.

Sixth race, five furlongs—Gold Rose won, Lucy Young second, Frontenac third. Time—1:14.

Seventh race, mile—Gursun won, Leenja second, Australia third. Time—1:43.

Vanderbilt Won.

Paris, March 17.—W. K. Vanderbilt's Banheer, with Ransoh, the American jockey up, won the Prix Vieux Moulon today at Maisson Laffite race.

SOCIAL AND PERSONAL.

An extremely pretty luncheon was that given yesterday by Mrs. L. W. Whitley in honor of Mrs. J. L. Giesy. The table was decorated entirely in white and green, and covers were laid for 19.

Several theater parties are already planned for the Savage opera company's season.

St. Patrick's emblem was the dominating feature in the party given at the ball given at the Clavers, shamrocks and shakes everywhere, and other details carried out the idea. The affair was altogether successful.

The Wasatch Literary club will meet with Mrs. E. G. Silver, 902 east Second South, Tuesday, March 21, at 2 o'clock.

There was a very pleasant family gathering at the home of H. H. Davis, on last Wednesday afternoon and evening, in honor of the seventy-sixth birthday of Mrs. S. E. Davis, mother of Councilman E. H. Davis, and also in

honor of Alma H. Davis, her son who recently returned from a mission. There were 48 members of the family present, and they partook of a sumptuous banquet. The festivities lasted from 3 o'clock in the afternoon until 11 o'clock in the evening, and the occasion was a decidedly joyous one.

The friends of Dr. S. E. Newton and wife, who reside at 705 Fifth East, descended upon them in force recently in the shape of a surprise party. It was a splendid gathering and a total success, numbering in all 75 persons. Dr. Newton has been practicing in Salt Lake since 1884, when he opened an office on State street. He is now 73 years of age, but well preserved. At the surprise party referred to both Mr. and Mrs. Newton had the satisfaction of greeting 17 grandchildren and 11 great-grandchildren.

One of the most brilliant affairs of the season will be the grand military hop Friday evening, March 24, to be given by the battalion of cadets of the Salt Lake High school, at Christensen's hall. The boys have worked faithfully to make this surpass any of their former balls, and if rumors are true, there will be something to interest the old as well as the young. The cadets will appear for the first time in their handsome full dress uniforms and will undoubtedly win many a smile

from the fair ones present. The grand march will take place at 8:30 p. m., and the feature of the evening, the exhibition guard mount, at 9:30 p. m. This will be the first time anything of this kind has ever been attempted by the cadets, and it will surely prove an entertaining novelty. Christensen's orchestra will furnish the music, which will add to the many other attractions of the evening. The chaperones are, Mrs. Simon Hamberger, Mrs. E. M. Christelow, Miss Murphy, Mrs. J. M. Morton, and Miss Dukes.

Miss Jean Winder entertained the Q. T. club of Murray last evening, at her home.

Don't Borrow Trouble.

It is a bad habit to borrow anything, but the worst thing you can possibly borrow, is trouble. When sick, sore, heavy, weary and worn-out by the pains and poisons of dyspepsia, biliousness, Bright's disease, and similar internal disorders, don't sit down and brood over your symptoms, but fly for relief to Electric Bitters. Here you will find sure and permanent forgetfulness of all your troubles, and your body will not be burdened by a load of debt disease. At Z. C. M. I. Drug Store, Price 50c. Guaranteed.
