AYER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long, laborious, and successful chemical investigation, and their extensive use by Physicians in their practice, and by all civilized nations, proves them the best and most effective purgative pill that medical science can devise. Being purely vegetable, no harm can arise from their use. In intrinsic value and curative powers no other Pills can be compared with them, and every person, knowing their virtues, will employ them, when needed, to keep the system in perfect order, and maintain in healthy action the whole machinery of life. Mild, soothing and effective, they are especially adapted to the needs of the digestive apparatus, derangements of which they prevent and cure, if timely taken. They are the best and safest physic to employ for children and weakened constitutions, where a mild, but effective cathartic is required.

The scarcity of Diamonds, Gold and silver, and the difficulties met with in securing them, is a serious indication of their value.

Thus it is with a valuable medicine. Dr. Aug. Kasper's Celebrated German Pulmonic Elixir, through the jealousy of rivals, has met with the most bitter opposition, and apparently almost insurmountable obstacles have been thrown in its way; but its opponents might as well try to change the course of the sun, sweep back the ocean with a broom or put out a prairie fire with a comb.

For the cure of Throat and Lung diseases, such as Croup, Consumption and Bronchial Affections, it is unequalled. Its cures are truly magical. Ask your Druggist for it. The genuine bears the Russian Coat of Arms, the familiar signature of Dr. Aug. Kasper, and has his name blown on every 75 cent bottle. Trial bottle, 25 cents.

It is asserted that the ordinary cosmetics used by ladies are productive of great mischief. We believe this is so, and that a better means of securing a beautiful complexion is to use some good blood medicine like Scott's Blood and Liver Syrup, which cleanses the blood and gives permanent beauty to the skin.

From numerous cases of Dyspepsia and Constipation cured by the use of Feltz's Compound Syrup of Hypophosphites, after every other known remedy had been used in vain, its efficacy in restoring the functions of Digestion and Evacuation is manifest.

EVENING NEWS.

Wednesday, January 21, 1893.

LOCAL AND OTHER MATTERS.

Primary Meetings.—Bear in mind the primary meetings, to be held in the various municipal precincts, next Monday night, at half past 7 o'clock, at which time delegates to the coming convention will be chosen.

Almanacs.—Dwyer has received the New York Tribune Almanac, for 1893, also the Clipper Almanac. They are both good, containing valuable information. The Tribune Almanac is prized for its political data, which are carefully compiled and very useful.

Decree Granted.—In the action for divorce brought by M. M. Kaighn of this city against his wife Angie S. Kaighn, of Washington, to which we made allusion some time ago, decree has been issued in his favor on the showing of desertion by the wife for over three years past. The course of Cal. Kaighn has been straightforward and fair throughout these proceedings.

A Handsome Medal.—Mr. Geo. M. Olinger, our talented artist, now sports a handsome gold medal, awarded him by the D. A. and M. Society, as the first prize for historical paintings, exhibited in the Fair, last October. The medal is worth \$10, and besides its greater value, as a prize for a work of high merit, is a very handsome pendant for a watch-chain.

New York Visitors.—Among the arrivals from the East, last evening, was Mr. J. E. Cowles, of the popular clothing house of J. M. Argall & Co., New York, who is spending a few days in this city, on business connected with his establishment.

Accompanying him, was Mr. Barney, from the dry goods house of Bates, Reed & Cowley, of the same city. Both are very pleasant gentlemen.

Birth Day Party.—Yesterday being the 6th anniversary of the birth of Bishop F. Keeler, of the 16th Ward, a few of the members of his family and a number of friends arranged a surprise party in his honor. The affair came off last evening, each person bringing his picnic, and altogether the affair was a very happy and enjoyable one, all joining in wishing long life, happiness and prosperity to the worthy Bishop.

Clean Them Out.—The good people of the 11th and 21st Wards are hereby notified that there is plenty of water running to waste up there, which might be utilized if their ditches were properly cleaned out.

Other residents of the city are respectfully advised to do likewise in regard to the seats near their residences or places of business, as this present thaw is apt to overflow the streets and sidewalks, which have been kept in a very good condition this winter, so far.

Settled.—The question about which so much has been said, since the "laying upon the table" of the women's bill, in the Legislative Assembly, viz: The meaning and effect of a motion for such a disposition of any measure, has been settled at last, as far as the House is concerned.

The matter was discussed yesterday afternoon, and the Speaker decided that the effect of a motion to lay a bill upon the table, was to kill said bill, practically. It was then moved and carried that hereafter, in the House of Representatives, no bill upon the table, be understood simply to mean, remain there during the will of the House.

It was also decided that those measures heretofore laid upon the table be included in the effect of this motion.

City Council.—Pursuant to adjournment, the City Council met on Tuesday evening, January 20th, 1893, Mayor Little presiding.

Frank Pickering petitioned for the transfer of the one-horse job wagon license issued to him on January 12th, to Mr. Wm. Yeats. Granted.

C. H. Moore petitioned for an auctioneer's license for one year from January 17th, 1893. Granted.

The committee on elections, to whom was referred the subject of making nominations, reported a list of names, which were voted upon, and resulted in the appointment of the following gentlemen (the first named in each municipal ward is to preside, the other two to act as clerks):

First Municipal Ward.—A. M. Mummer, James C. Woods, Albert Dwyer.

Second Municipal Ward.—Joseph Horne, Wm. McLaughlin, Thomas Dobson.

Third Municipal Ward.—Wm. Asper, Silas T. Smith, Chas. S. Kimball.

Fourth Municipal Ward.—Wm. L. N. Allen, H. C. Fowler, Farley L. Williams.

Fifth Municipal Ward.—Edwin D. Wooley, George Y. Wallace, Robert Campbell.

Council adjourned to Tuesday, Jan. 27th, at the usual hour.

New Governor.—The question "Who is he?" having been particularly answered by the nomination of General Eli A. Murray, of Kentucky, the query "What is he?" is next in order. Judge Williams, of Ogden, formerly a resident of the State from whence Mr. Murray hails, thus describes the personal appearance and characteristics of the gentleman, who will very likely be the next Governor of this Territory:

Gen. Murray is now less than 40 years old, is a man of good personal appearance, and something over six feet high; is a man of ability and of noble moral elements, with great firmness of purpose and personal courage.

He entered the Union army at the first outbreak of the late Rebellion, when but a youth, and by his gallant conduct and noble bearing won a brigadier's commission from the close of the war, being the youngest officer of that rank in the army. After the war he was appointed United States Marshal of Kentucky, which position he held for six years or more, and discharged its duties to the satisfaction of the people. Since then he has practiced law in Louisville, Ky.

His past history is a guarantee that he will see the laws faithfully executed to all parties in the true spirit of their enactment, but will not see them prostituted to unholy purposes for any one.

Supreme Court.—Proceedings, in the Supreme Court of the Territory of Utah, Tuesday, January 20, 1893, Chief Justice Hunter and Associate Justices Emerson and Boreman, presiding:

Luellen Livingston, et al., respondents, vs. Adolph Jansen, administrator, impleaded with others, appellants; argued, submitted and taken under advisement.

The Free Silver Mining Company of Utah, a corporation, plaintiff and respondents, vs. Anthony Godde et al., defendants; argued, submitted and taken under advisement.

Proceedings on Wednesday, January 21st, 1893:

People of the Territory of Utah, respondents, vs. Peter Clausen, appellant; cause argued by Messrs. Woods and Lomax for appellant, and by F. Tilton, Esq., for respondent. Submitted and taken under advisement.

People, etc., respondents, vs. Frank Butler, appellant; cause argued by F. Tilton, Esq., for appellant, and by J. H. Beatty, Esq., for respondents. Submitted and taken under advisement by the court.

People, etc., respondents, vs. M. T. Seaburg, appellant; arguments in progress.

Charity Ball.—On the evening of Thursday, the 5th prox., a grand charity ball, for the benefit of St. Mark's Hospital, will be given at the Continental Hotel. From the circular of the Institution we learn that during the past year, 217 patients have been inmates of the Hospital, and many others outside have received treatment, and besides these expenses, the hospital premises have been purchased and the title vested in St. Mark's Hospital, which is now incorporated under the laws of the Territory. The committee find the expenditures for the past year in advance of the income, and therefore solicit aid from those who feel inclined to contribute to the cause of charity. We acknowledge the receipt of a ticket to the ball, on the 5th of February.
