The superintendent's section met in the office of State Supt. of Schools Nel-son and discussed changes in the course study throughout the state. N. Peterson of Weber county paper on the subject, and the matter as generally discussed by the superintendents present. At the conclusion of the discussion it was decided to ap-point a committee of five to revise and compile a course of study for the schools. All superintendents will have the privilege of suggesting changes in the course to the committee up to April 1. Immediately after that date the committee will meet and prepare its re-port and another meeting of the super-intendents will then be called to ap-

prove of the same. A committee of five was also appointed to prepare questions for a uniform eighth grade examination throughout

the state. Those on the committee are Supt. Larsen of Sanpete county, Supt. Whitesides of Davis county, City Supt. Allison of Ogden, Supt. Eggertson of Utah county and Supt. Smith of Salt Lake county The closing paper at the meeting was one on "State Teachers' Reading Cir-

one on "State Teachers' Reading Cir-cles," read by Supt. Eggertson of Utah rounty. The subject was handled in an eloquent manner and many pertinent points were brought out in favor of op-portunities for the country teacher. Several superintendents took part in the discussion which followed.

CONWAY CONVICTED.

Man Charged With Stealing Electricity Fined \$25 and Costs.

The case of the state against W. T. Conway, who is charged with the lar-ceny of electricity from the Utah Light & Railway company, was heard yester-day before Justice of the Peace F. M. Bishop and the defendant was found guilty and fined \$25 and costs by the court Assistant County Attorney Han. court. Assistant County Attorney Han-son prosecuted the case. Conway did not have an attorney and conducted his

wn case. According to the testimony of the state's witnesses, Conway wired his own home and put in a "jumper" con-necting the wires from the outside of the house to the interior wires around the meter so that he could use all the electricity he wanted without paying for it. Conway admitted that he made the connection because he wanted lights and the company did not have time to adjust them. He said the connection had only been installed a day when it was discovered by the inspec-tors and that the company failed to prove that he had stolen any electricity
