## FOUR TOP HORSES TAKE THE MONEY

Good Money, 10 to 1. Banfield, Orelle And Wander All Come Under The Wire First.

The races at Buena Vista yesterday afternoon were remarkable for the fact that the top horses on the program won four events, two to 1 shot, one 6 to 1, and three favorites winning, thus breaking even with the odds. It was a day of surprises for the spectators as it was a rather poor day for the books as they got the worst of the bams.

There was a row when the result of the fifth race was announced. A number of men who failed to take into consideration the angle of the track, thought that Minnie, the 1 shot, was third, Good Money, a 6 to 1 shot, winning by a good head from Jim Brady, who placed second. Two or three spectators became so excited as to begin to abuse the judges. They were promptly hustled off the track by the police.

In the second race Banfield was slated at 6 to 1 and did win the race. The spectators, the favorite, with Alvin running in for show, in the third, Louis Brumley, 10 to 1, and the 1 shot, Orelle won the race. In the fourth, Wander, Cadichon and Arnett finished in the order named in the fourth event.

In the fifth there was a lively fight between La Chata and La Chata, the former winning by a narrow margin. On the tenth coming into the stretch Wilson Wilson's My Nurse, 10 to 1, shot, ran tense and his foot badly lacerated, in the sixth race Rutherford Royal was a strong favorite and won all the way.

San Francisco, Oct. 13.—A challenge was issued yesterday by the Oakland Aero club to the Pacific Aero club, calling for a balloon contest similar to that which ended last Sunday by the clipping of the wire and found to have sustained little damage. The aeromats will start from the Oakland side of the bay on Sunday, Oct. 18, at 10 a.m., and the two women will ride in each car, but this has not been decided.

Capt. Baldwin will pilot the Pacific club's entry, while A. Van Tassel will guide the Oakland balloon.

The record of the balloons is as follows:
