

## RIDGES' TESTIMONIAL CONCERT.

Despite the Bad Weather a Fair-sized Audience Was in Attendance at Tabernacle Last Night and Applauded a Splendid Program.

The concert given at the Tabernacle last night in honor of Joseph H. Ridges, the builder of the great organ, whose name has been the delight of thousands of people in the thirty years since its construction, was a great artistic and financial success. The program was that which could be desired and the receipts of the entertainment will be used for the benefit of the organ and the great organist.

The opening number was the anthem "The Lord," by the Tabernacle choir, and was rendered in fine spirit. That piece of sweet melody, Lemare's "The Lord," was called for and so enjoyed that Prof. McCallan had to play it a second time in response to the enthusiastic applause which greeted his first rendition.

Mrs. Charles Ridges, who captivated the audience with her sweet notes, and who was given an encore, "O Lord, Thou Art Good," was called for and so enjoyed that Prof. McCallan had to play it a second time in response to the enthusiastic applause which greeted his first rendition.

heavenly choir, but the scent of those roses hangs around that key-board still.

Continuing, he said that a man does not remain a septic long while engaged in producing Diaphanous tones on an organ. "As he hears those mysterious tones issuing from the organ pipes the covering is removed from his head and he looks up to the great source of majesty of beauty in scene and sound, looks up to the Great Conductor above, who clad the hills with verdure and the groves of Paradise with the lily and the rose. He who gave the goldfinch and the woodthrush their glorious voice and composed for the nightingale her beautiful song."

Breaking off abruptly Mr. Ridges said: "I shall not weary you by explaining the work now to be added to this organ. It has been improved upon from time to time since we first built it. Before they died Mr. Johnson and Shure Olsen added to the four great wind chests a solo chest of six more beautiful stops, thus adding to the already great grandeur and volume of beautiful tone."

In conclusion, he said: "When we had nearly completed the original organ with our hands we carried the face of the goddess of the muses and placed her up there in the frieze of the dome attended by her maidens with a garland of flowers for her brow; she looks down with smiling approval on the grand and beautiful choir below and the thousands of swelling throats within. When I and a hundred years have gone, their grand tones will still sing on."

The concert ended with the march and chorus "Hail to the Victor," by the Tabernacle choir and organ which was excellently rendered. The affair was a most pronounced success and could not have been otherwise than gratifying to the promoters and the recipient of the honors.

## A SECRET WEDDING.

Young Couple Whose Union is Not Opposed Run Off to Farmington.

Miss Beatrice Unger, of 377 F street, and Daniel Ellis, of 473 Sixth street, stole away to Farmington on Monday and were secretly married. The parents were apprised of the strange action of their children yesterday, and were very much surprised, as no opposition had been raised against the union.

## BISHOP LEONARD HOME.

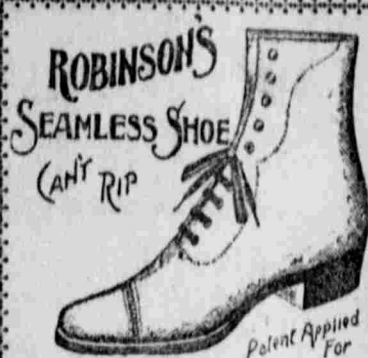

Spent an Enjoyable Vacation of Four Months in the East.

Bishop Leonard returned home yesterday after a sojourn of four months in the east. He spent considerable of his time in New York City, where he was very much interested in the work in the slums that is being done there. He spent some time in St. Louis with his brother. He returned in good health, having thoroughly enjoyed his vacation.

## KELLY QUILTS THE TOWN.

Bartender Accommodates a Man and Loses \$10 by it.

There is a bartender at Walter Brand's saloon who is exceedingly anxious to locate a man by the name of Kelly. Col. Eph Kelly is not the man. It is another Kelly. This one came here during the stock convention and made the acquaintance of the bartender. He represented himself to be a real estate

The best shoes you can buy for boys are these. The kind that won't rip. These seamless shoes for boys are that kind. \$1.25 per pair and up.

ROBINSON BROS. CO., SHOE BUILDERS, 124 Main St.

## LIVELY DAY IN THE HOUSE.

Bill to Abolish Office of District Attorney Passes.

## WARDEN NOT TO EXECUTE.

Measures for Safety of Minors, and Right of Way for Telephones and Telegraphs, Go Through.

Yesterday's session of the lower house was remarkable for two qualities—its length and the acrimony of its debates. The first trouble was over the McMillan bill. As the Journal read the Governor's veto to the bill was sustained by a vote of 33 to 12. As the speaker understood it, however, the vote was correct numerically, but was turned around, so that it should have read 33 against the veto and 12 for, and he ordered the clerk to so record it in the House's message to the Senate.

## VARIOUS COURT CASES.

The trial of the case of H. C. Cramp-ton and N. L. Swartwood vs the Oregon Short Line railroad was finished in Judge Hall's court yesterday afternoon, and after arguments from both sides, his honor took it under advisement. Counsel were allowed to submit briefs in writing.

In the case of the State vs H. P. Morrey, appellant, the Supreme Court yesterday afternoon handed down an opinion, remanding the case back to the lower court. The defendant, it appears from the record, was convicted of adultery and sent up for eighteen months' imprisonment in the State prison. The appeal involved the same issues as those in the Beddo case, as to the legality of informations signed and filed by the district attorneys in lieu of the county attorneys, and as the court had carefully considered the points at issue in the Beddo case, it could find no reason to reverse itself in this case, hence the decision. While these rulings may result in the release of some very tough criminals, still the court held that it could not uphold an enactment made contrary to the fundamental law. The opinion further held that the convict did not lose any of his rights by not objecting to the informations at the trial.

Justice Barch wrote the opinion, which was concurred in by Justices Baskin and Hart. At the instance of E. E. Rich, special administrator of the estate of Hugo W. Uhl, deceased, Judge Hall reversed the order made last Saturday, whereby he set aside the personal property of the deceased for the use of his widow, Daisy Uhl. Mr. Rich has a claim against the estate, which was the basis of his motion yesterday.

## SMALLPOX CASES.

Three new smallpox cases were reported to the board of health yesterday, as follows: George Barrett, aged 17, 1059 west First South street; Mrs. J. W. Hansen, aged 55, corner of Eleventh South and Sixth West streets; the five-year-old daughter of Oscar Mann, 615 south Fifth West street.

The following new cases of smallpox were reported to the State board of health yesterday: Grantsville, 12; Stockton, 1; Ophir, 1; Hinckley, 3; Faroway, 3; Kayville, 5; Syracuse, 5.

## NO ACTION WAS TAKEN.

Anti-Compulsory Vaccination Bill Made a Special Order for Thursday.

Postponement Was Made Out of Deference to the Wishes of Senator Allison.

The time of the Senate yesterday afternoon, after attending the funeral of Dr. Maeser, was taken up principally in considering action upon the McMillan bill. After a general discussion it was made the special order for tomorrow at 2:30. The supporters of the bill desired immediate action, but the minority refused to act upon it, out of deference to the wishes of Senator Allison, who has expressed a desire to be present when the bill is voted upon, to give some reasons why he thinks the bill should be defeated.

The committee on railroad recommended that Senate bill No. 47, by Whitmore, be not passed, and submitted a substitute. The bill provided for the liability of railroad companies for damage to property from fires caused by locomotives. The substitute is the same as the bill in regard to the liability, but enjoins farmers to build their barns, stacks, etc., 200 feet from railroad tracks. The committee was not satisfied with bill No. 26, holding railroads liable for stock killed or injured, as it shifted the burden of proof upon the railroad companies. A sub-committee of Tanner, Howell and Larsen, was selected to draft a substitute.

The Chinese section of Salt Lake citizens tendered through Senator Kiesel an invitation to the Legislature to visit Plum alley and enjoy the New Year doings.

## MAY GO BEHIND RETURNS.

Four of Committee Recommend Such in Ellison-Barnes Contest.

It is very likely that the elections committee will go behind the returns in the Ellison-Barnes contest. The indication is found in yesterday's action of the committee, four of them, two Democrats and two Republicans, recommending that such be done, while Senator Tanner recommended that the contest be dismissed. The majority re-

### What You Know

We know that the Creator has forbidden suicide, and we infer, therefore, that it is man's duty to himself and his family to take care of himself physically as well as spiritually.

We know that, because of inherited or climatic or circumstantial influences, sickness and ill-health prevail, and that most people do not live out half their days.

We know that our carelessness and ignorance bring upon us most of our sufferings.

We know, to-day, as a race, more of the laws of health than we did fifty years ago.

We know more about the true cause of most of the ordinary ailments that afflict humanity, and the true method of curing and preventing them.

Prevention of disease is both rational and scientific. If one knows the cause of most diseases, and can remove that cause, the diseases must disappear.

### What You Ought to Know

That the kidneys are the natural blood purifiers. That all the blood must go through the kidneys for purification, as it goes through the lungs for oxidation.

That if the blood be full of poison that poison must affect every organ.

That the blood is very liable to be filled with uric acid (kidney poison) without your knowledge because the kidneys may be diseased and not give forth any pain.

That you cannot have good health and disordered kidneys.

That the majority per cent of all diseases are caused by unsanctified kidney poisoned blood.

That Warner's Safe Cure is the most wonderful and beneficial medicine ever given to mankind. It cures the kidneys and thus cures all the many disorders which kidney poisons create.

That it is the only recognized specific—the world's supreme medical blessing.

TO SUFFERERS FROM KIDNEY AND LIVER DISEASES

## LOST HOPE AND COURAGE.

223 West Superior Street, Duluth, Minn., Oct. 1, 1900.

Gentlemen: Since last January my health failed. I lost 20 pounds, and my complexion became yellow and muddy. The doctor said it was kidney trouble. I lost hope and courage at once as I knew how difficult that is to cure. My room mate said, "Try Warner's Safe Cure," and I did. For four months I used it constantly and gradually felt better, until I felt I was cured. Only those who have suffered as I did know how grateful I am to you for your cure. I cannot praise it too much, and wish all who suffer with urinary troubles would try it.

Yours truly, ANDREW P. FRANKS, Chief Templar, Sup. Lodge Good Templars.

## FREE WARNER'S Safe Cure

To all who suffer with Kidney, Liver, Heart, Bladder or Blood diseases, a sample bottle of Warner's Safe Cure (the pioneer Kidney and Liver Remedy) will be sent absolutely Free of Cost by addressing postal card to WARNER'S SAFE CURE CO., Rochester, N. Y., and mentioning this paper.

## ONE FOOT IN THE GRAVE.

144 Roscoe Boulevard, Chicago, Oct. 15, 1900.

Gentlemen: About two years ago I had one foot in the grave, as the saying goes, and life looked black to me. The doctors called it Bright's disease. I would give all I had to be cured, but nothing seemed to do me much good until a neighbor recommended that I try Warner's Safe Cure. It was with but little hope that I tried it, but within two weeks my general health was improved, and in four months I was completely cured. I hardly dared to believe that such good fortune was mine, but I have not lost a sleep nor had an ache or pain since. Words seem but poor to express my gratitude.

Yours truly, H. M. STUBBS, (Alderman 27th Ward.)

## ELIAS MORRIS &amp; SONS COMPANY.

21-23-25-27 W. South Temple, Salt Lake City, Utah.

Mantles and Grates
