Don't Trifle with the Teeth!

If our teeth were renewed as are our nails, they might not need constant care. But teeth don't repeat themselves after childhood. The proper thing to do is to use ZOZO-DONT, which preserves their health and beauty. It never fails. d eod & w

Solid Merit will Tell.

For all the bitter opposition of jealous rivals, no better illustration could be had of this fact than the immense sale already attained by the great Throat and Lung Remedy, Dr. Aug. Kaiser's German Elixir. For the cure of Coughs and Bronchial Affections, it is truly wonderful, even those suffering from Consumption in advanced stages find great relief, and numbers of patients have found, to their delight, not only relief but cure. It being perfectly harmless, makes it at once popular with mothers, who of all others have felt the necessity of such a medicine. The genuine bears the Prussian Coat of Arms, the fac-simile signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. A trial size may be had for 25 cents.

OBITUARY.

At the residence of W. R. Wilcox, Esq., of this city, on the 17th inst., of dropsy, ANDRE MASSENA, Baron de Camin, in the 76th year of his age. He was the son of Andre Massena, Prince of Essling, Duke of Rivoli, and Marshal of France. He came to this city in September last, having returned from a transcontinental tour to the Pacific coast in pursuit of a purpose to which he had devoted many years of his life, viz: "The History and Origin of Free Masonry," and his extensive researches in Egypt, Palestine, Persia and Japan enabled him to enrich the literature of the subject to an extent which rendered his lectures, delivered before the lodges of that Order worthy of the highest meed of praise from the leading functionaries of the fraternity.

The early history of Baron de Camin is well known to the world of letters. He was a priest in the Roman Catholic Church during a period of 12 years, and performed the duties of Abbot in a French monastery. He was regarded by all who made his acquaintance as a gentleman of rare attainments, possessing a knowledge of several languages and well versed in every department of human knowledge, worthy to be esteemed a gentleman and a scholar. He is "gone the way of all the earth." Peace to his ashes.

He was interred this day in Salt Lake Cemetery.—[COM.]
