DANGER IN DISGUISE!

Summer Pestilence Unearthed: its Causes Explained and Some Timely Advice About How to Avoid it.

CERTAIN VALUABLE FACTS MADE PUBLIC.

It is well known that hot weather brings sickness, and that few people go through the summer without unpleasant symptoms. The mouth becomes dry and parched, the tongue furred and white, the pulse irregular, the head feverish, the body cramped and the limbs swollen and tired. Ladies especially, with their natural delicacy and tendency to female troubles, find the hot weather almost unbearable, while Little Children are dying every day from exhaustion and because Parents neglect precaution and care. A prominent and well known physician of New York asserts as his positive belief that more than three-fourths of all so-called Summer complaints arise from disordered secretions, and that these secretionary organs, which, by being out of order cause so much trouble, are the Kidneys and Liver. These organs are the governors of the system, and by their movements the other parts of the body are regulated. The brain controls the life, but the lower part of the body rules the health.

There is one, and only one known vegetable that will absolutely regulate and control the Kidneys and Liver at all times and thus prevent the many dangers of the Summer. That vegetable (a West India leaf,) is used as the basis of Warner's Safe Kidney and Liver Cure. It is pure, pleasant to the taste and absolutely certain in its results. It keeps those who intelligently use it in perfect health, and cures those whose secretions are deranged. For all urinary complaints of either sex it is infallible. For all bilious troubles it is certain. For the hot season it is invaluable, and it should be used upon the approach of the slightest symptoms. It may save your life or that of some dear friend; it will certainly prevent much suffering.

No remedy in America has ever received such high and enthusiastic commendations, and it is warmly

Endorsed by the Professions, the Press and the People.

An Editor's Escape.

OFFICE OF THE "INDUSTRIAL ERA,"
ALBIA, IOWA, May 28, 1880.

TO WHOM IT MAY CONCERN:

I take great pleasure in making the following statement: I have been afflicted with a disease of the kidneys for the past two years and have tried numerous remedies with only partial and temporary relief. Warner's Safe Kidney and Liver Cure was recommended to me, and after taking it the pain and distress left me, and I am to-day feeling *strong and well*. I am perfectly satisfied that Warner's Safe Kidney and Liver Cure is the medicine needed and can cheerfully recommend it to others. G. W. STAMM.

A Doctor's Certificate.

I hereby certify that I have been a practising physician for twenty-seven years, and for many chronic cases in my practice do recommend Warner's Safe Kidney and Liver Cure. It was upon my advice that G. W. Stamm, the editor, obtained this valuable remedy. A. A. RAMSAY, M. D.

A Pastor Made Happy.

I have been greatly troubled with my kidneys and liver for over twenty years, and during that entire time I was never free from pain. My medical bills were enormous, and I visited both the Hot and White Springs noted for the curative qualities of the water. I am happy to say I am now a well man, and entirely as the result of Warner's Safe Kidney and Liver Cure. With such glorious results, I am only too glad to testify regarding the remedy which has made me so happy.
(REV.) P. F. HARKLEE.
Coal Run Crossing, Arkansas.

An Educational Endorsement.

The Rev. C. A. Harvey, D. D., of the Howard University, of Washington, has written the following letter:

GENTLEMEN—I take great pleasure in stating that I have for two years past been acquainted with the remedy known as Warner's Safe Kidney and Liver Cure, and that in some cases which had been given up by practitioners of both schools, the speedy change wrought by this remedy seemed but little less than miraculous. I am convinced that no remedy for kidney troubles heretofore discovered can be held for one moment in comparison with it. Respectfully yours,
C. A. HARVEY.

Arousing its Readers.

An alarm of fire at midnight is a startling thing, but not half so startling to many who hear it as would be the sudden knowledge of their own dangerous physical condition. Thousands of thousands are hurrying to their graves because they are carelessly indifferent to the insidious inroads of disease and the means of cure. It is the mission of H. H. Warner & Co., with their Safe Kidney and Liver Cure, to arouse men to a sense of their danger and then cure them.—*Memphis Appeal.*

The Friend of Delicate Ladies.

Warner's Safe Kidney and Liver Cure is the remedy that will cure many diseases peculiar to women. Headaches, neuralgia, disordered nerves, weakness, mental shocks, and kindred ailments are effectually removed by its use.—*The Mother's Magazine.*

Its Grand Reputation.

Warner's Safe Kidney and Liver Cure has reached a reputation that is not limited by the confines of section or country. There are no injurious substances nor false and temporary stimulants in the preparation. It is purely vegetable and compounded under a formula that has passed severe tests and won endorsements from some of the highest medical talent in the country.—*New York World.*

Journalistic Opinions.

Our exchanges come to us bountifully laden with commendatory notices of the wonderful cures effected in diseases of the kidneys and liver, and especially of dropsy, by the use of Warner's Safe Kidney and Liver Cure used in connection with Warner's Safe Pills. We feel sure if our friends who are suffering from like troubles would use these remedies they would be benefited.—*St. Albans's Advertiser.*

"It is the Only Thing."

PEEKSKILL, N. Y., April 13, 1880.

MESSRS. H. H. WARNER & CO.:

GENTS—My wife has been suffering for the past five years from the results of a premature birth, and during that time she has been under the doctors' care and treatment, for a disease peculiar to the female sex, and generally named as a *falling of the womb*. After a thorough examination the doctors finally concluded she had inflammation of the bladder, and changed their treatment accordingly, but as before without helping her in the least. We at last despaired of her ever being any better, and after expending an enormous amount of money—gave it up. But a little while ago one of your pamphlets having been left at my house, and her symptoms being so accurately described therein, we concluded to try your Safe Kidney and Liver Cure, and I can truly state that after five years of faithful trial of physicians, it is the only thing that has done her the least good. Sincerely,
G. E. WOOD.

"The Best and Only Effective."

628 L. St., WASHINGTON, D. C., June 9.

H. H. WARNER & CO.:

GENTLEMEN—I have known of the remedy called Warner's Safe Kidney and Liver Cure, and can personally testify to its efficiency in kidney and liver troubles. I can truthfully say that in my opinion it is the best and only efficient remedy for such troubles ever brought before the public.
Yours very truly,
(COL.) JOHN K. MCCORMICK.

This Great Natural Remedy, which has received so many enthusiastic endersements and has performed such universal cures in *all* diseases of the urinary organs, is for sale by Druggists in every part of the world. Those who have never tried it should not fail to keep it on hand; those who have tried it and know its merits, would not be without it for a moment. It effectually avoids all

There were present on the Stand Howard D. Spencer and James L. Bunting of the Presidency, and Bishops Wm. D. Johnson Jr., of Kanab, H. B. M. Jolly, of Mt. Carmel, R. J. Cutler, of Glendale and Thos. W. Smith of Pahreah, also the Presideney of the Quorums and High Council.

On Sunday afternoon, Elder John Oakley, Prest. Bunting and Bishop Wm. D. Johnson Jr. addressed the Saints. The statistical reports of Stake together with the Society reports were read and the general Church authorities as also the local authorities were sustained.

The bishops reported general good health in their wards, meetings well attended. Good crops have been raised, the waters have increased, and a spirit of union, good feeling and prosperity prevails. The necessity of the legal voters registering their names and attending to casting their votes—also of sowing fall grain, tithing, united order, co-operation, Sunday schools and other kindred subjects, were dwelt upon, together with missionary experience and exhortations to faithfulness, by the several speakers. An agreeable, instructive and enjoyable time was had.

A priesthood meeting was held at 7 o'clock in the evening, and conference adjourned till Dec. 4th and 5th to be held at Orderville.
