does it show that railway companies PITTSBURG. July 22 .- The coke strike were more honest then or that the lawjust ended is one of the most stub-bornly contested battles ever fought between capital and labor. For eleven weeks and four days the fight went on. The amount of money lost by iddeness cannot be calculated, but it reaches millions.

When the strike began four-fifths of the 11,000 men in the region had money of their own, now but few of them have money enough to take them out of the districts if they wanted to go. The operators have been kept running at all t'e pits. Pit and yard bosses, superistendents and clerks have been Let us hope that, while realizing that drawing salaties, and mules were get-ing fat on oats and hay that they find not earn. At West Leisen ing, where the Pinkerton men bave been stationed, the expense has ocen over \$1,000 a the expense has ocen over \$1,000 a day since the strike began. Besides this, the ovens have become badly out of repair. Fully a in the purview of the statute limiting third of them all over the region have the area of military reservations.
