MONEY FOR VOLUNTEERS.

The National Encampment Committee Wants Battery Reception Fund.

When Utah's soldiers returned home two years ago, an energetic and enterprising reception committee raised some \$13,000 as a fund to be used in greeting the boys properly. As events transpired, all of this money wasn't required and the reception committee found it-self with something over \$2,000 in the treasury after the soldiers had all been welcomed and had joined their respective firesides. What to do with the mon-cy wasn't then a very perplexing ques-tion: it was simply put out at interest to be employed as the future might

Now the citizens' committee on preparation for the coming national en-campment of the Society of the Army of the Philippines has come forward with a proposition to use the money in making the reunion of the Luzon veterans from all over the country one of the biggest things that over took place in Sait Lake. They have asked the committee if it will not turn the matter over to them, assuring those now have the fund that it will be ex-pended in a judicious manner.

At five o'clock this afternoon the committee is scheduled to meet and dewhether to donate the money, whether to give part of it or whether to give any or all. As matters look now, part of the fund will probably be given but all of it will not be expended. At least that is what one of the committhe said, and he is in a position to know just about what will be done. The meeting will be held in the office of Acting Governor Hammond.

George T. Odell received a telegram today from his daughter. Miss Jean Odell, at Butte, stating that she is very much better and that no serious results from her injuries are expected. Miss Odell was thrown from a carriage in a runaway a few days ago, and was rendered unconscious. She is stopping with her brother, Dr. T. George Odell.

There was an interesting gathering at the tables on the lower floor at Saltair yesterday when the descendants of the late George B. Wallace, to the extent of 130 children, grandchildren and greatgrandchildren, congregated to honor the eldest son of the departed pioneer. Major James B. Wallace, a real estate man and stockbroker of Cincinnati. The man and stockbroker of Cincinnati. The big family reunion took place at 3:39 p.m., when all concerned sat down to a sumptuous repast. Major Wallace, who is visiting Sait Lake for a few days, for the first time in his life, at this time was introduced to his summaries cale, tives in Fire.

The canse exists in the blood, in what causes inflammation of the mucous membrane.

It is therefore impossible to cure the disease by local applications. It is positively dangerous to neglect it, because it always affects

the stomach and deranges the general health, and is likely to develop into consumption.

Many have been radically and permanently cured by Hood's Sarsaparilla. It cleanses the blood and has a peculiar alterative and tonic effect. R. Long. California Junction, Iowa, writes: "I had catarrh three years, lost my appetite and could not sleep. My head pained me and I felt had all over. I took Hood's Sarsaparilla and now have a good appetite. sleep well, and have no symptoms of entarrh."

Odds were in favor of the bachelors, as several members of the benedict aggregation were said to be out of training consequent to the hot weather keeping the third and fifth editions of papa awake at night, thereby necessitating parades at unseemly hours in undress uniform, with their attendant wear and tear on nerves and tissue.

The papas, however, handed out a series of surprises to their juniors to the ultimate tune of 5-3. Those who made sport in the arena for the Z. C. M. I. holiday were:

The other races and their winners are as follows: Fifty-yard dash (ladies), prize, a berry-dish, won by Mary Terry, Boys' shpes, coat and hat race, prize, fishing rod, won by Willle Pierce. One hundred-yard dash (married men), prize, a pair of pants, won by D. Margetts. Fat man's handicap, prize, a pair of shoes, won by Capt. Bywater. The outing was enjoyed by all who went out to Lagoon, and it was not until a late hour that the merry throng finally scattered to their homes, one and all declaring that a splendid time had been spent.

WELSH REUNION.

Great Gathering of the Cambrians at Saltair Yesterday.

There were some 4,500 people present at Saltair yesterday on the occasion of the annual outing of the Cambrian association, and out of this number the Welshmen present claimed 2,000 were of the old Llewellyn stock. It was a great reunion and all concerned, from the youngest to the old-est, spent a most enjoyable time. The festivities included a program which started in the afternoon and terminated late in the evening.

At 5 o'clock a number of selections were rendered by the band and then Hon. Arthur L. Thomas, president of the association, made an address in Weish to the crowd which had gathered

MAN FROM BRIGHAM.

Conduct Was Such at Saltair That Was Locked in a Cooler.

A well dressed man of about 35 years of age from Brigham City showed great anxiety to get into a fight in the bar at Saltair last night. Everyone that came into the bar he considered a fit subject for insult, and when Sherift Naylor and Deputy Eldredge dropped in to see that everything was orderly the stranger thought he might be able to find some trouble with the sheriff. He had evidently loaded him-self up with whisky before going out to the beach, as his breath bore testi-bibing stronger drinks than are for sale in the Saltair barroom. Argument seemed to have no weight with the man from Boxelder county, so the only thing to do was to lock him up in the beach police station, where he was kept till time to leave on the last train into the city, when he promised

to behave himself like a gentleman and was released.
