REQUEST OF COMMITTEE.	
Governor E. H. Murray, Salt Lake City, Utah:	
Sir.—Under the auspices of the City Council and direction of its Central Committee, without distinction of political parties or religious creeds, it is intended to celebrate the Independence Day of our Nation, here, and as it has been suggested that a cavalry company would add interest to the occasion, but might conflict with some previous executive order, we were appointed by a meeting of the various committees, assembled by a call from the Executive Committee, to ascertain from your Excellency if there were any objections or known reasons why there should not be a favor on us and those we represent, by an immediate reply.	
With high regard,	
R. K. WILLIAMS,	
A. S. CONDON,	
M. H. BEARDSLEY,	
Committee.	
THE GOVERNOR'S REPLY.	
To Hon. R. K. Williams, Dr. A. S. Condon and M. H. Beardsley, Esq.:	
GENTLEMEN:—Your letter of the 9th inst. is received, in which you state that the people of your good city are arranging for a celebration of Independence Day, and that it had been suggested that a cavalry company would add interest to the occasion, but that it might conflict with some Executive orders previously promulgated, and that your committee was instructed to advise with me, etc. The orders of my predecessors, as to the militia, are yet in effect, the same necessity of their promulgation existing. If there was an available company or battalion at hand, I should be pleased to issue the necessary orders for it to join in the ceremonies, of the day. There is no authority under the law for the Governor to authorize the organization of the cavalry company you suggest.	
Sincerely wishing you may have a successful and happy celebration, towards which I should be glad to contribute anything in my power officially or personally, I remain, gentlemen,	
Most respectfully,	
ELI H. MURRAY.
