

# TO OUR PATRONS.

We beg to inform our Patrons and the Public generally, that in consequence of our increased trade, we have recently doubled the capacity of our Store.

We are now well stocked with Choice Goods of Latest Designs, direct from the largest Eastern factories. Our line of HOME-MADE FURNITURE is good and substantial, being manufactured at our own factory, where we employ competent workmen.

We respectfully invite Visitors and Buyers to call and examine our Goods and Prices. Under our change of management, we are confident of meriting a liberal share of public patronage. By promptness and fair and honest dealing, we will fully satisfy our customers, and add to the already extensive list of patrons. Our prices are low, and we guarantee satisfaction.
