AMERICAN.

BY TELEGRAPH

WIRED FROM WASHINGTON. WASHINGTON, 23.—Sergeant La-mar testified before the probate court that Captain Pike told him when the vessel reached Cape Sabin that he felt disposed to delay to eral days, but Garlingten discovering land to the north, urged a forward movement. It will be remembered that Garlington was ordered to take advantage of every lead and push northward as rapidly se possible. Sergeant Kenny testified that the craw of the Proteus
were good for nothing as sallors or
anything else. He believed they
intended to steal Garlington's boat.
He had been cautioned to "look out
for himself."

Comptroller Knox's report shows that Illinois has advanced from the sixth to the fifth place in National bank capital; Kentucky has displaced New Jersey, and Minnesota is now the fourteenth state, taking the place of Vermont, and displacing lows and New Hampshire. Virginial lower and New Hampshire. ginia is superdeded by Wisconsin, Texas and alifornia in the next two years the charters of 976 banks expire leaving a capital of \$275,843,000, and a circulation of \$185,335,000. The average rate of interest now paid by the United States on bonds deposited as security for circulating notes is about \$1 per cent. on par value, but count to \$1 per cent. but equal to 31 per cent. only on current market value. More than half the bonds now held by Nation a: Banks are 3 per cents, and all these are likely to be called within the next three years. Those of the lower numbers, which it is safe to estimate will not be called for the next two years, cannot be purchased for a premium, much less for 2 per cent, and at that price there will be a loss upon circulation based on this class of bonds if redeemed within three years. Total amount of bonds held by National, State and Savings Banks on November 1st, \$621,229,-259, or nearly half the interest bearing debt of the country. The Comptroller says the section of the revised statutes which places restric-tions upon loans should be so amended as to be excluded from the limits

upon produce or warehouse receipte, and some other classes of collateral security, as well as loans upon United States bonds.

coupon frauds in the finance department of the city government, by which the city has been swindled of \$120,000. Inspector Byrnes arrested Thomas Enos, charged with receiving stolen goods. Enos has been regarded as a man of means. He was an intimate friend of Wm. B. Carroll, late coupon clerk of the finance department, through whose death the frauds were brought to light. Enos was the man who sold the coupons. It is supposed he received the coupons from Carroll, and perhaps also some from others in the Comptroller's office whose names have not been made public. The pelice followed Enos two months before his capture. Inspector Byrnes says there is now a prospect that all the guilty persons will be brought to justice. Carroll shared the proceeds of the sale of coupons with Enos. Others doubtless received a sherr, and in the course of time it will be found out who did. Enos Thousands of our people are suffering with such lege as this out shows. There is no reason why they should not all be cured in a very short time. Their treatment is very simple. Dr. Van Hummell guarantees instant relief and a permanent cure, in a very short time without detention from business. will be found out who did. Enos said nothing regarding the matter. Dr. Van Hummell; I take great pleas ure in certifying to the efficacy of your treatment for Nose, Ear, Throat and Lung Diseases. I attribute my rapid resteration to what I consider permanent good health to the treatment I received at your 464, Hart 428, Har iman 408, Mo-Hanlan arrived this evening. He was present at the walking match hands in 1879, and I unhesitatingly reand walked around the track with With Catarrh, Throat or Lung Disease. Very truly yours, U. J. WENDER. Portland, Or., 23.—Another 100 sacks of undistributed mail have ar-

Nasal Catarrh Cured. Dear Doctor: I have been troubled with Chronic Nasal Catarrh for the past ten years. I am happy to state that your treatment was entirely successful in my case. If by publishing this you can influence others suffering with this dreadful isease to try your skil, you are at liberty disease to try your skill, you are at hearty
to do so. Because the physicians who can
cure this disease are very scarce, and
when one is found skillful enough to sue
ceed, I think the public should know it.
I remain yours,
BTEPHEN B. LEYBOURNE,
Corner First S. uth and Third West.

From Mr. Warren Huesey, former banker of Salt Lake, owner of Jay Gould Mine, Bullion, Idaho.

DENVER, CoL., August 2, 1878. This is to certify that I have been for nany years a great sufferer from pasal and bronchial catarrh, the puln from it in and bronchial catarrh, the pain from it in my head and eyes being at times almost unbearable. I have tried many doctors and remedies, with temperary relief from some, growing gradually worse, until last whiter, being in a very bad condition, I consulted Dr. Van Hummell and put myself under his treatment. From the first week my head and throat were releved, have not had a headache—they were the bane of my life—since he began with me, and uow I remain entirely well.

I write this for the benefit of like sufferers who may be seeking relief and urgently recommend them to give Dr. Van Hummell a trial. The benefit I had from his treatment is invaluable, and I know of many others he has treated equally successfully.

Warren Hussey WARREN HUSSEY
