

THE EVENING NEWS.

Thursday, June 3, 1899.

LOCAL AND OTHER MATTERS.

RETURNING.—President Young left Provo at ten minutes before eight, and American Fork at half past ten o'clock this morning, on his return to this city.

THEATRE.—Last evening the third and last performance of La Grand Duchesse was presented to a well filled house, the different characters being sustained with a success fully equal to that which characterized their previous performances. Miss Clelia sang the song of the "Letter" in the second act with good effect; she is a painstaking and deserving actress and will always be a favorite. The opera was preceded by the comedy of "After the Masquerade," which was very nicely performed by Mr. Jerome and Miss Clelia Howson. We are sorry to state that Mr. Jerome is suffering under a severe attack of indigestion, caused by the change of climate. We hope he will speedily recover.

To-night an entire change of programme is offered commencing with Offenbach's comic burlesque of Tromb-Ai-Ca-Zar, after which the Howsons will appear in a variety of vocal gems, the performance concluding with the laughable farce of "The Eton Boy." Miss Clelia Howson in the title role. She will be supported by the Howson family, and Mr. Thorne and Miss Platt of the home company. During the piece Mr. Jerome will appear in the great modern absurdity of "The Grecian Bend." With an appropriate song.

To-morrow night an entire change of programme will be given to the patrons of the Theatre.

POLICE.—David P. and John Adamson, for having a settee at a la Morrissey and Heenan, were each fined five dollars.

C. Brown for imbibing too freely was fined \$10.

Wm. Griffith for being drunk and using profane language was fined \$20.

MORRIS COMPLAINTS.—We have received many complaints about the non-arrival of the News at different places, arising through the mismanagement, neglect or culpability of some who carry or distribute the mail matter north. We are strongly inclined to believe that the fault is wilful, and is the result of spite and meanness on the part of some contemptible individuals who are trying to show their ill will; but we are after them and shall continue our efforts until they are discovered and punished, and the nuisance stopped.

Bro. W. H. Anderson, p. m. at Portage Rock, El Dorado County, writing on the 1st inst., says:

"My DEARER EVENING NEWS has commenced playing truant. I received one last week in place of six. The Weeklies have not yet made their appearance. I do not, for a moment, believe the fault is with you for everything was as regular as clock work before Corinne was made the distributing office for separating the Northern mail. Will you please put a flea in the mail agents ear, and see if he will not take a trip up there and see where the loose screw is, for there is one somewhere."

Brother Joseph Foster, agent for the News at Henterville, Summit Co., writing on the 31st ult., says: "We have had no DEARER NEWS for the last two weeks, and we would like to know what is the matter. Several packages, I received before then had been burst open at Echo Post Office, the reason assigned being that they did not know whom they were for."

This non arrival of the News in the several settlements north is becoming an intolerable nuisance and must be stopped. We rather guess our correspondence at Portage tells the whole story when he says "everything was as regular as clockwork before Corinne was made the distributing point for the separation of the Northern mails." We are satisfied there is where the mischief is done, and if it be the result of untrustworthiness on the part of the P. O. officials at that point, the sooner a change is made the better; but if it be wilful, the authors of it are sure to find out before long that it will not pay.

LEGISLATIVE ENACTMENTS.—The attention of our readers is directed to the acts of the Legislative Assembly published in today's paper.

SUDDEN DEMISE.

WE were much shocked yesterday by receiving the sad intelligence of the sudden demise of Brother L. BARNABAS ADAMS. The news will be startling to the entire community, to whom Bro. Adams was almost universally known. He was engaged in getting out logs for President Young's saw mill in City Creek canyon, and had occasion on Tuesday to lift the bed of a wagon. He afterwards complained of a pain in the chest; to relieve the pain he drank some composition tea, and afterwards remarked that he felt better. While the pain remained he did not desist from working, and neither himself nor his men whom he had assisting him supposed that it was anything serious. He sat down to dinner yesterday, and while in the act of eating he fell over and when raised up he merely gasped once and then expired took his flight. This was at ten minutes to 2 o'clock.

There are but few men in the community better known than Bro. Barnabas L. Adams. He was a faithful, kind hearted, unobtrusive, industrious man, and was much respected and beloved by a large circle of acquaintances. He was born in Upper Canada, of Vermont parents, and was educated in the Methodist faith, several of his immediate relatives being preachers in that denomination. He joined the Church of Jesus Christ of Latter-day Saints, we think under the ministry of John E. Page, when he was 23 years of age. It is not convenient for him to emigrate to Kirtland, when his brother Arza, (who now resides at American Fork) did, he afterwards gathered with the Saints in Missouri, in what was known as the Canada camp, which was led there by John E. Page. In company with his brethren and sisters he was expelled from that State by mobocratic violence and he settled with the Saints in Illinois. When compelled by the ruthless hand of persecution to leave Illinois, he came west, and at an early day, settled in this city, where he has continued to reside ever since. We think it was on Monday that we saw him in this office, and had a lengthy conversation with him. He came for the purpose of having a paper sent to a younger brother of his, a lawyer, who resides in Sarnia, Canada. He seemed uncommonly interested in conversing about his family and friends, and his conversation seemed our undivided attention. While with him we mentally remarked that we never saw Bro. Adams look to such advantage as he did then, and it would have been difficult for us then to have thought that his stay among us was only to be for a few brief hours longer. He appeared vigorous and healthy and his manner was more than usually pleasant. We deeply sympathize with his family and relatives, upon whom his sudden demise will fall very unexpectedly; but that God, whom Barnabas L. Adams has faithfully served, will sustain and comfort them. He will prove a husband to the widow and a father to the fatherless.
