SULPHUE SOAP. All local die of the skin are speedily eradicate by it and it is at once the best ap most inexpensive clarifier and emol-lient of the complexion in use. With a box of this Boap, which only costs 60 cents, all the advantages of a series of Sulphur Baths, which cannot be enjoyed without incurring considerable expense, are secured.

dral Seymour's instructions has Ori

when viewed in the light of these movements towards the East, and of the fact that Ayoub Khan, the claimant to the throne of Afghanistan, is now living at Te. Egypt heran, a pensioner on the bounty of Persia. It is evident that the course

of Russia is steadily in the direction of Herat and Candahar, to Cabool the Afghanistan capital.

While these interesting steps' are being taken in the East, Turkey is British Ge in dauger from internal commotions. And these are the more formitable to say that the effect of because they are of a religious ghar-acter. The influence of the Sultan is greater as the spiritual head of the foslems than as the temporal ruler of the Ottoman empire. And it is in this character that he is likely to be materially weakened. Both the eastern and western branches of the faith of Islam look for the coming of Christ, who is to be preceded eary. If the Ports refuses to inter vene in Egypt we shall gladly well come the assistance of France, and by "The Mehdl," a Messlah, a great reformer who is to lead the Mohamadans back into the pure faith and signs are not wanting that Dafrey into freedom from the power of the his country's taste. 'infidele."

The Mehdi, according to Moham edan tradition, is to come fro either Iabulka or Iabulsa, and each of these places is described in their books as "A great city with 2,000 gates and 2,000 gate-keepers;" one, however, is in the East" and the other "in the West." Some look for the Mehdi as a Monjeddid or renovator, who is to effect his reform by peaceful ex-hortations. Others hold timt he will be a Sahib I Khourouj, or one who abandons his allegations to the rul-ing powers in order to initiste re-

LATEST DISPATCHES

In the Commons this afternoon Gladstone replying to Gourley, ad-vanced liberal, said he had made communications to other govern-ments in regard to the free navaga-tion of the Sues Causi, which be thought it his duty to make. Gour-ley moved an adjournment in order to obtain a satisfactory statement, Sir Wilfred Lawson, Radical, seconded the motion declaring finit the action of England was atractous, cruel and cowardly. Gladstonesaid the action of England was acredited, cruel and cowardly. Giadstonesaid the action of the government had been taken quite spart from the in-terests of the bondholders; adding that it would be unjust on his part ing, says. The Inflexible and Tem-eraise opened fire this morning on Fort Moncrieff, which during the night had been repaired. Three shots greatly damaged the batteriss. A signal has just been given to cease firing. The Achilles has just been sighted steaming toward the fleet. to discuss the reasons for the course taken by France. He also said of taken by France. He also said of the massacre that if the massacre at Alexandria remained unavenged and uninvestigated, the effect would be serious to Europeans. The present Egyptian regime was one of mill-tary violence. The proceedings of Great Britain were not against the people, but against their oppressor. Dilke denied that Arabi Pasha represented a national movement. He denied that yesterday's action

Admiral Seymour telegraphs that the party from the *Invencible* which landed to destroy Fort Mexs, burst three and spined six guns in the fort. The wounded include Lieut. Jackson severely injured, Lieut. Davies and midshipman Lumsden slightly injured. He denied that yesterday's action was an assassination as Anstria and

Germany approved it and that European concert would yet settle the Califug out the Reserves Egyptian question.

The Times this morning says: It is contemplated to call out 7,000 of the army of the reserve to take the places of unlearned men belonging The Slaughter of the Egyptians. to regiments prepared to proceed to
