Persons inquiring for the above letters are requested to state when advertised.
J. M. MOORE, Postmaster.

Miss Frances Power Cobbe is a writer of good English and stout editorial; she is also a middle aged woman of the most liberal proportions. Complaining one day that she had a "pain in the small of her back," a spoiled infant of a younger brother cried, rather to her disgust, "Well, Fanny, where is the small of your back?"

Dr. McCosh having protested against their use, the trustees of Princeton College have ordered the removal of the billiard tables presented to that institution. After a while the presidents of our American colleges will protest against boat-racing, and then there will be no inducement left for our young men to enter college.—Norr. Herald.

Parties desiring to simply examine goods with a view to future purchase will receive the same attention from the manager, who will secure for them the most advantageous terms.

TESTIMONIALS

Consumption of the Bowels cured by Dr. E. L. Plant, of Market Row, Salt Lake City.

TESTIMONY:

Our dear little grandson was for many months fearfully troubled with the above complaint, rendering him to every appearance a most frightful-looking object, and from which his sufferings were beyond description, but, thanks to Dr. E. L. Plant, is now perfectly cured and free from the disease. For verification please call at our Lunch House, First South Street, opposite Theatre, S. L. C., and ascertain all particulars.
JOHN HAGELL.

FITS! FITS! FITS!

A Testimony from Mr. Hunter, of Payson, son of Bishop Hunter:

DEAR DOCTOR PLANT.—Gratitude and thanks are comparatively very poor words to use in conveying my feelings for the very astonishing cure you have performed on my son. He was troubled with those fearful fits from his birth, from which he was deprived of both the use of his right arm and right foot, from which, under God's blessing and your superior skill, he is now entirely recovered.

Success to and God bless you.
Doctor E. L. Plant, Market Row,
Salt Lake City, Nov. 8, 1876.

SALT LAKE CITY, May 22, 1876.

About six weeks ago I was perfectly cured of a cancer in my tongue. The suffering through which I passed previous to its removal, cannot be described. The cure was effected without any surgical operation, and I gradually experienced great relief from the commencement of Dr. Plant's skillful treatment. The entire cure was performed in six weeks. I am sixty-one years old, and am prepared to answer any or all inquiries in relation to the matter. But the case, to myself, seems so wonderful that I think it my duty to take the present means of communicating the fact for the benefit of others.
Mrs. MAY,
14th Ward, Main Street.

A PERFECT CURE.

Dr. E. L. Plant's reputation is increasing all over the Territory as a certain destroyer of worms in the human body, and a curer of fits, cancers, tumors, scrofula, etc. One case, that of Mr. John Skidmore's daughter, at Salt Lake, should be mentioned among others. The girl had been afflicted for years with fits. She was placed under Dr. Plant's care, and in a short time she was entirely cured, and has not had a single fit for twelve months. Another daughter of the same gentleman was affected with a huge wen. Dr. Plant made a perfect cure without the use of the knife. He does all he claims, and his charges are reasonable. His office is in Market Row, Salt Lake City.
