FAMILY RECORDS.

WE ARE NOW PREPARED to receive orders for FAMILY RECORDS of an approved form.

Each book is divided into four orms.

The first form is that of a "FAMILY RECORD," with ruled and printed spaces for births, marriages, and deaths, in each family, also for names, dates, and places, one page accommodating one family.

The second form is a "CHURCH RECORD," with spaces for blessings, baptisms, confirmations, ordinations, endowments, and patriarchal blessings and various particulars of the same.

The third form is a "SEALING RECORD," with spaces for name of person sealed, birth, death, time, place, etc.

The fourth form is a "BAPTISM FOR THE DEAD RECORD," with spaces for names, dates, birth death, baptism, confirmation, etc.

Each book is furnished with a title page, on which the person owning the record can enter his or her name. An explanation of the forms, or instructions how to keep the record is also printed in each book, and its pages are numbered.

These Records are well printed and ruled on good ledger paper, substantially bound in full sheep, English roan, or Bock. We can furnish them of any size, from on to five quires, or larger, but probably five quires is as large as will be desired. We can also furnish the various forms in a record, proportioned to each other to order.

HIGHEST HONORS

AT THE

UNITED STATES

CentenniaL

World Exhibition, 1876.

MASON & HAMLIN CABINET ORGANS

Unanimously assigned the

"FIRST RANK

IN THE

"SEVERAL REQUISITES"

of such instruments!

The MASON & HAMLIN ORGAN CO. have the honor to announce that the Organs of their manufacture have been awarded the highest possible rank, the "FIRST RANK in the SEVERAL REQUISITES of instruments of the class" by the Judges at the CENTENNIAL EXHIBITION at Philadelphia, 1876, and are the ONLY INSTRUMENTS OF THIS GENERAL CLASS AWARDED THAT RANK. This is after the severest competition by the best makers, before one of the most competent juries ever assembled.

They have also received the MEDAL, but, as is well known, medals of equal merit have been awarded all articles deemed worthy of recognition, so that it will be easy for any maker to advertise that they have received "first medals."

The difference in competing articles, and their comparative excellence, are recognized in the Reports of the Judges from which the following is an extract:—

"THE MASON & HAMLIN ORGAN CO.'S exhibit of Reed Organs and Harmoniums shows instruments of the FIRST RANK IN THE SEVERAL REQUISITES OF INSTRUMENTS OF THE CLASS, viz: Smoothness and equal responsiveness of tone, scope of expression, promptness and steadiness of action, excellence and uniformity in action of large and bellows, with thoroughness of workmanship, combined with simplicity of action."

(Signed by all the Judges.)

The Mason and Hamlin Organs are thus declared to rank first, not in one or two respects only, but in the SEVERAL REQUISITES of such instruments, and they are the Only ones assigned this rank. This triumph from not less than four of the Mason & Hamlin Cabinet Organs have uniformly been awarded the highest honors in competitions in America, there having been scarcely six exceptions in hundreds of competitions. They were awarded highest honors and

FIRST MEDALS

PARIS, 1867; VIENNA 1873; SANTIAGO, 1875

PHILADELPHIA, 1876;

and have thus been awarded highest honors at

Every World's Exposition!

at which they have been exhibited; being the Only American Organs which have ever obtained ANY Award at any competition with best European makers, or in any European World's Exposition!

NEW STYLES, with improvements, exhibited at the CENTENNIAL, elegant in external finish and variety. Prices very moderate, considering the thorough and workmanship. Sold for cash or on installments, or rented until rent pays. Every Organ warranted to give entire satisfaction or every reasonable cause, or THE MONEY REFUNDED. ILLUSTRATED CATALOGUES sent free.

Last Night's Dispatches.

CONGRESSIONAL.

SENATE.

WASHINGTON, 3.—Upon the reassembling of the Senate the Vice President presented the annual report of the Secretary of the Senate and sergeant-at-arms. Ordered printed.

Soon thereafter, Rodgers, private secretary to the President, appeared with the message, and it was immediately read and ordered printed.

Department and other reports were then presented, and the Senate adjourned till Thursday.

HOUSE.

WASHINGTON, 3.—At noon the Speaker called the House to order, and the second session of the Forty-fifth Congress was begun.

The roll call showed 221 present. The usual committee was appointed to inform the President that Congress was in session and a short recess was taken, when the message was handed in and read, occupying one hour and twenty-five minutes, and referred to the committee of the whole on the state of the Union.

Springer offered a resolution calling for correspondence with the Venezuelan Government since the first session of the Forty-fourth Congress, in relation to the Venezuelan mixed commission. Adopted.

Adjourned.

EASTERN.

Prest. Hayes and Woman Suffrage.

WASHINGTON, 3.—Mrs. Sara J. Spencer and Mrs. Sargent, wife of the senator, this morning, asked the President to recommend in his message, legislation by which women would be recognized in foreign as well as domestic appointments; also that he recommend an amendment to the Constitution to secure woman suffrage in the States. The President replied at a future time he might state, in writing, his views on the subject, but would not say that, if Congress should recommend such an amendment to the Constitution, it would meet his approval.

The Conspirators.

ST. LOUIS, 3.—The case of Thos. Walsh and William K. Patrick, charged with the conspiracy in defrauding the government, in connection with the new Custom House, was called in the United States District Court, to-day. Counsel for defense demanded an immediate trial. District Attorney Bliss stated that he was not quite ready to proceed, and asked the Court to remit the cases to the Circuit Court, which, after considerable argument, was done. They come up at the January term.

More Indian Depredations.

DEADWOOD, D. T., 3.—Many rumors are in circulation about Indian depredations on the northern routes, but few can be traced to reliable sources.

On Saturday six men reached Crook City, suffering from exposure and want of food. They report that their camp on Belle Foureh, about forty miles from this city, was attacked by a band of more than 200 Indians. The party kept the Indians at bay for some time, but were finally forced to abandon their camp, leaving their horses, mules, camp equipage, and other property, which was taken by the Indians. During the fight three Indians were killed, but no whites were injured.

A report from another source states that a band of Indians visited Madden's Ranche, at Cheyenne, crossing the Fort Pierre route, and run off all the stock.

A heavy trail was discovered last week leading across the Bismarck road at the intersection. The Indians had placed a crude sketch of an Indian and a white fraternising, surmounted by three stars.

A ranch on the Sidney road, six miles from Crook City, was attacked, but the inmates escaped to the woods. The Indians ransacked the house and destroyed all the property, and then retired.

The County Commissioners are informed by Gen. Sheridan, by telegraph, to-day, that Gen. Crook has been ordered to afford relief to freighters and settlements in the Hills.
