## For You,

Madam,

some humbling imperfec-

sallow and disfigured in countenance,  
or have eruptions, redness,  
roughness or unwholesome  
tints of complexion, we say  
use ELEGANT Magnolia Balm.

It is a celestial, harmless and  
delicious article, producing  
the most natural and en-  
trancing tints, the artificiality  
of which no observer can detect,  
and which soon becomes per-  
manent if the Magnolia Balm  
is judiciously used.

EASTERN.

THE STATE ELECTIONS.

Yesterday's Vote gives General Re-  
publican Gain.

NEW YORK.

New York, 4.—The day is a  
fine one and the election proceeds  
smoothly and with no pushing  
of the claims of either candidate  
to give any time for news or fights.  
No trouble is expected by the au-  
thorities notwithstanding the in-  
equality of feeling existing. The  
Robinson men say the election will  
be settled in this city and Brook-  
lyn.

The Kellys claim they will  
poll enough votes to retire Robins-  
on forever.

The friends of Cornell are con-  
fident of his election yet many of  
the republicans have written him  
names from the ballots and many  
more vote for Robinson. Politics  
are now so muddled that all specu-  
lation as to the results can be but  
the merest guess work. In the  
city and county elections, the per-  
sonal merits of the candidate prom-  
ise to have a good deal to do with  
his election.

Four hundred and sixty election  
districts out of 678, give Cornell,  
30,819; Robinson, 40,123; Kelly, 30,578;  
Hobbes, 32,917; Potter, 67,794.

Midnight. The figures now  
to hand from outside the cities of  
New York and Brooklyn indicate  
that Cornell will come to Harlem  
River with a plurality of at least  
35,000; against which Robinson has  
about 12,000 in New York City, and  
about 10,000 in Brooklyn. This  
calculation elects Cornell by a  
plurality of 15,000, which may be  
increased to 15,000 or lessened to  
10,000. The democratic State ticket  
other than Governor Robinson, is  
thought to be elected by 15,000  
majority. The Bath branches of the  
Legislature are republican.

MASSACHUSETTS.

Boston 4.—Eighty-three towns  
and ten cities including Boston,  
give Long 3,234 majority over  
Butler.

The hundred and sixty-six towns  
and cities in this State give Long  
113,015; Butler 99,537; Adams 9,915.

The same towns last year gave  
Butler 121,817; Butler 99,317; Ab-  
bott 9,089. The streets are filled  
with crowds, and the results of the  
New York elections are received  
with as much interest as the re-  
turns from this State.

Two hundred and ten cities and  
towns give Long 95,087; Butler 81,  
088; Adams 7,710. Last year But-  
ler had 80,175; Talbot 104,428; Ab-  
bott 7,604.

The defeat of Butler is conceded  
by his friends, who allow that  
Long's plurality will be 8,000; but  
there are every indication that it  
reaches 15,000 and may touch 17,  
000. The republican candidate is  
elected, and the legislature is over-  
whelmingly republican.

Returns as far as received indi-  
cate that Long, republican, can-  
didate for Governor, is elected by  
data for Governor is elected by  
from 10,000 to 15,000 plurality, and  
this may be increased to 15,000 by  
the returns from the State. The re-  
publican State officers are probably elected,  
and the legislature is largely  
republican. The vote shows a  
natural falling off as compared with  
last year; the prohibition vote  
amounting to 14,000, and the strict  
democratic ticket received but  
small support.

ILLINOIS.

Chicago, 4.—The election to-day  
was quiet and peaceful. A good  
full vote was polled. Party lines  
were pretty strictly drawn, and  
there was much less crowding  
than anticipated. The candidates  
are for county treasurer, Republi-  
can, W. T. Johnson; Democrat,  
John Guerin. For judge of the  
superior court; Republican, Sidney  
Smith, Democrat, Adolph Moses.  
The clerk of the court, county sur-  
veyor and county commissioners  
will also vote for. The returns  
from fifteen precincts out of 122 in  
the city, give Johnson 2,161; Gu-  
erin, 2,045; Smith, 2,165; Moses, 2,  
017. These figures indicate a very  
close contest.

11:30 p.m.—The republicans are  
now firing guns in honor of their  
victory in the city and Cook county.  
The indications are that the re-  
publican is elected by 5,000, a gain  
of 10,000, and the county by 10,  
000 to 5,000.

12 m.—One hundred and ten pre-  
cincts out of 118 give Johnson 2,  
783; Guerin 17,723; Johnson's major-  
ity is 5,055.

PENNSYLVANIA.

Philadelphia, 4.—Returns from  
the eastern counties are meagre, but  
all show republican gains. Nine  
wards out of thirty-one in the city  
of Philadelphia, show a republican  
gain of 100.

Indications are that the city of  
Philadelphia has gone republican  
by a larger majority than was ever  
known on the State ticket. Returns  
from the State continue to show  
republican gain.

Erie, 4.—The republican majority  
in Erie is about 250; the demo-  
cratic majority last year was 15.  
The republican gain in the coun-  
ty, but not in the same ratio as in  
Philadelphia.

Partial returns from 21 out of 67  
counties in this State, exclusive of  
Philadelphia county, show republi-  
can gains of 6,000. Twenty-seven  
wards in Philadelphia out of 31,  
give Butler, republican candidate  
for State Treasurer, 25,210 majority  
over Barr, democrat, a republican  
gain of 9,701.

Pittsburg, 4.—Reports from forty  
districts in Allegheny county give  
Butler, republican candidate for  
State Treasurer, 3,418; Barr, 2,130.  
The republican majority is 1,288.  
This year will give a republican  
majority of from 5,000 to 6,000. The  
entire republican county ticket is  
elected by majorities ranging from  
2,000 to 5,000.

WISCONSIN.

Milwaukee, 4.—Ninety-six towns  
and cities outside of Milwaukee,  
show a republican gain of 3,554 over  
two years ago. The county and  
city of Milwaukee, with one pre-  
cinct to hear from, give republi-  
can gain of 2,461. The total republi-  
can gain in the State, including  
Milwaukee, so far is 6,015. There  
is little doubt of Smith's carrying  
the State by 20,000. This was Zack  
Chandler's prediction when he left  
the field.

139 towns and cities, including  
Milwaukee, show a republican  
gain of 15,087 over the vote of two  
years ago. Smith (rep.) for Gov-  
nor has a majority of 11,700 so far,  
with half of the State to hear from.  
His majority is safely estimated at  
25,000. The Assembly and Senate  
are largely republican. EX-SITAE

## TREASURER KUEHN, chairman of the

committee on the part of the re-  
publicans, was defeated for the  
Assembly by more than  
200, the district giving 4,660 ma-  
jority. No more returns are ex-  
pected from the State to-night.

CONNECTICUT.

Hartford, 4.—The election in Con-  
necticut to-day was for the Legisla-  
ture only, and for the Senate. Sen-  
ators were elected by 11 out of 21  
districts. Of these the republicans  
carried 10 and the democrats 1.  
Of the senators elected last year,  
who lived over this year, the re-  
publicans carried 10 and the demo-  
crats 1. The republicans carried  
the House by a majority of 47 re-  
publicans and 4 democrats. The  
House will probably stand about  
150 republicans and 100 democrats.  
The Legislature now has 120 re-  
publicans and 80 democrats. The  
one elected does not choose a United  
States Senator, but the senators  
now elected hold over until next  
March, when a vote for a Senator  
will be taken.

The net republican gain in the  
Senate is four over last year, and in  
the House 15. The republican ma-  
jority on joint ballot last year was  
47, this year it is 53, and possibly  
95.

VIRGINIA.

Richmond, 4.—The vote of this  
city is not yet polled, there being  
no opposition to the  
Funders by the DeWeyers' ticket.  
But few negroes voted. The re-  
turns received at the Funders'  
headquarters show that all the  
counties which were considered  
doubtful have gone for the Re-  
adjusters. With all that, however,  
it is claimed that the Funders will  
have a majority in both houses.

At the Re-adjusters' headquarters  
it is claimed that they will have a  
small majority in the Senate and  
the House. Reports from Char-  
lotte and other cities show that  
John E. Marcy, a prominent  
Re-adjuster, who has been leading  
the canvass of the party throughout  
the State, is shortly expected. His  
Funder opponent, the majority  
against him being stated at 1,500.

NEBRASKA.

Lincoln, 4.—Election returns  
come in slowly. The indications  
are that Cobb, republican candidate  
for supreme judge, is elected over  
Wakely, democrat, by 1,200 major-  
ity. Cobb, an Ohio, republican,  
can regent of the University, are  
elected. The total vote of the  
State will reach 60,000. The republi-  
can county tickets are generally  
successful. The greenbackers make  
a very small showing.

MISSISSIPPI.

Jackson, 4.—The election is very  
quiet, and a small vote is polled.  
Returns light. Cannot judge the  
result, though it is expected the  
democrats will carry the State with  
the exception of a few counties.

MINNESOTA.

St. Paul, 4.—The great amount  
of scratching makes the count  
slow. In Minneapolis (Phillipsburg  
home) the full vote stands, Phil-  
lips (rep.) 2,815; Rice (dem.) 555.

Enthusiastic Burlington.

Burlington, 4.—An immense  
crowd throngs the streets to-day,  
and the city presents a holiday ap-  
pearance, nearly every building  
being profusely decorated with  
national emblem and with flowers.  
The principal streets are liberally  
arched, the arches having appropri-  
ate pictures and mottoes. The  
fire department has been parading  
the streets all the morning, while  
the carriage drawn by four white  
horses, containing Gen. Grant, Gov.  
Gear and Mayor Adams, has driven  
by in the city, escorted by the  
Grand Army corps and followed by  
other carriages. The enthusiasm  
is general.

St. Paul, 4.—The reception for members  
of the press was held at the J. W. Hall  
office, and a copy of this morn-  
ing's *Hawkeye*, printed on white  
silk, was presented to the General.  
Lunch was served at the State Fri-  
er house and at 1:30 there was a gen-  
eral reception at the hotel, where  
there was a dense crowd eager to  
shake hand with the guest.

Mrs. Grant also had a reception at  
the Mayor's house.

Galesburg, 4.—A dispatch from  
the Associated Press office in Chi-  
cago, giving the latest election re-  
turns from New York, was handed  
to General Grant, who said he only  
hoped later returns would confirm  
the result in New York.

If he is elected, said the  
General, Tilden will be shelved as  
effectually as Thurman now is. If  
Robinson is re-elected, in my opin-  
ion the contest for the democratic  
nomination will be ended down to  
Tilden and Thurman.

The General said he would sit up late  
to hear the latest returns.

Respect to Gen. Hooker.

WASHINGTON, 4.—The following  
General order has been issued by  
Gen. Sherman:

The death of Major General John  
Scherer, United States army,  
retired, which took place at Gar-  
den City, Long Island, on the 31st  
ultimo, is announced to the army.  
In announcing the death of this  
gallant veteran, honored with the  
thanks of Congress for "skill,  
energy and endurance," the Gen-  
eral takes occasion to recall to the  
memory of this army the dis-  
tinguished services rendered by Gen-  
eral Hooker through the war with  
Mexico as well as in the late war.  
His gallantry in the former gave  
promise of the superior courage,  
valor and skill in action, which  
have since characterized him. It  
is not necessary here to narrate his  
achievements. They are matters  
of familiar history, and his soldier-  
ly deeds may well excite the ad-  
miration and emulation of his sur-  
viving friends.

The General Military Division of  
the Atlantic will cause minute  
guns to be fired at Fort Columbus  
and the flag to be displayed at  
half staff during the funeral cere-  
monies of the late Gen. Hooker.  
Honors will be paid at Newport  
barracks, Kentucky on the day of  
interment in Cincinnati. The of-  
ficers are requested to wear the  
usual badge of mourning for 30  
days.

Cincinnati, 4.—The Chamber of  
Commerce has appointed a com-  
mittee of five, A. F. Conhorn, N.  
L. Anderson, B. Eggleston, Theo.  
Cook and Florence Marmet, to act  
with a similar committee of the  
Common Council, to receive the  
remains of the late Gen. Hooker,  
expected to arrive on Friday morn-  
ing.

Respectfully Handled.

New York, 4.—The sailing ves-  
sels which arrived this morning  
brought with them a severe  
snow storm, which will be a se-  
vere handicap to the coast. The sail-  
ing vessels which arrived this morn-  
ing brought with them a severe

vere handicap to the coast. The sail-
