BIKE RIDERS COMING.

No Doubt About Big String Being Here Next Season.

Here Next Season. Since the news spread that Harry Hearen is to manage the Sait Palace bicycle track next season, he has been flooded will letters from blke riders all over the country and from far off Aus-tralla, asking for terms to ride here next season, so from this it is clearly seen that Sait Lake will not suffer from a lack of riders. Walthour, West, Demars, Walker, Lawrence, Bardgetr and a score of oth-ers have written Heagren and he has answered them, giving his plans for the season, so there will be a big field of starters when the orack of the pistol starts the speed meruhants around the sauce. price of his release and his season's salary. Comiskey also wants Young. "I had a bid in for both Young and Criger long before the catcher was trad-ed to St. Louis," said Comiskey, "and the bid for Young still sands. In fart, I'll raise it some. I'll give as much for Cy Young and I'll pay him as much as any other man in the country will give. "There was no talk of selling Young ill very recently, and new I think the old boy has taken a notion that he'd like to go where his catcher is. He will, therefore, all other things being equal, give preference to St. Louis, and the Browns will have the best chance to nall him. Nevertheless, he looks so good to me that I'l go the limit with film, and my original offer will be nicely boosted right away."

TROPHY EXHIBITED.

The baskstball fromby for the Utah state high schools has been prepared and is on exhibition at the Y. M. C. A. It consists of a colored oaken shield containing a central copper plate suita-bly insertised, surrounded by oak leaves, with the figures 1908 and 1909 to the right and left respectively, while above is the title in copper. "Utah State High School."

"POP" ANSON BROKE.

Chicago, Jan. 18.—"Busted." This is the financial condition of Adrian C. Anson, former baseball leader, as expressed by himself in Judge Fryer's debtors' court today. Mr. Anson was explaining why he yould not pay a bill for Mill. His income, he said depended upon the success of his semi-professional team. Papke does not look like the same lighter who left here last spring to meet ketchel ar Milwankee. He appears puls and drawn and his statement caused no great surprise inasmuch as he declared he might retire immediately after his defeat by Ketchel at San Francisco.

FLIRTING UPHELD.

Rev. S. B. Baxter Says That in Church

It is Purged of Harmfulness.

Chicago, Jan 19.-While filting in theaters and other public places of amusement should be tabooed, accord-ing to Kev, S. B. Baxier of Aurora, he has announced that it may properly take place in church where, he detake place in church where, he de-clares, "It is purged of Its barmful-ness." His decision grows out of a crussific against Sunday-night amuse-

ments, "Church surrouodings and associa-tions," he says, "are entirely different from those which attend the perform-ances in public play houses, Sometimes the plays in our theaters are a triffe-risque, and if the show be given Sunday the result is a general forgetfulness of that fact. Under such conditions furt-ing is harmful. 'In church, however, i can see no harm in a 'little bit of flirting' if the people come not to look at each other but to learn the Scrip-tures." tures.

Never Fight Again. Hot Springs, Ark., Jan, 15.-Still great-by depressed because of his defeat at the hands of Hugo Kelly, the Italian mid-dieweight now fighting for a chance at Stanley Ketchel, Billy Papke today de-clared that he may never fight again. The Kewanse tad has arrived here to spend a few weeks. On his arrival here was approached as to whether he would meet Kelly on the coast Jan, 29. The question brought out the answer that he may never fight again. Whether he will remain out of the ring for good or not he alone can tell, but he assured all his inquisitors that he would not don a glove for at least two months. A Salt Lake City Case Many More Like it in Salt Lake City.

The following case is but one of many similar occurring daily in Balt Lake City. It is an easy matter to verify its correctness. Burety you cannot ask for better proof than such conchusive ovidence.

Mrs. C. M. Date, living at 459 west Eighth South street, Sait Lake City, Utah, says: "For a year or more I was entirely free from kidney complaint until I began suffering from pains in the small of my back through my joins. When I caught cold or everexerted myself I became very much worse, and was often laid up from three days to a week at a time. My kidneys were also very irregular and gave me much distress and annoyance. I heard so many people praising Doan's Kidney Pills, that I decided to give them a trial, and procured a box at the F. J. Hill's drug store. They helped me from the first, so I continued tak-ing them until I was cured. I am glad to recommend the remady that cured ttie.
