ALAMEDA DAIRYMEN FORM A SYNDICATE

"Shaggy" Smith the Shock of San Francisco
Death of Harry Bow—San Francisco—Continuing Strike.

Prof. Day, a lawyer of Oakland, Cal., has in the recent past, been in San Francisco, in a most serious condition as the result of a falling with a case which he carried at the house of Henry H. Smith, a local capitalist. The cause of the accident, which occurred on the street, is attributed to business troubles.

Mrs. Eugene Schuler, who was shot at San Francisco in 1897, by her husband, lived through Sunday, and at a late hour Monday night was resting peacefully in her bed. The wound was at the left side of the breast, and the bullet entered the lung. The wound was at the left side of the breast, and the bullet entered the lung. The wound was at the left side of the breast, and the bullet entered the lung.

Private John Monaghan of company C, First Infantry, United States army, which is stationed at the Presidio, Cal., is alive today, though he has been in the hospital for several months. He was shot in the chest by a bullet which entered the lung. The wound was at the left side of the breast, and the bullet entered the lung. The wound was at the left side of the breast, and the bullet entered the lung.

Indian Jim, the nominal chief of a fragmentary remnant of a tribe of the Indians, who live in the mountains at Point Hill, about a mile from the city of San Francisco, was shot in the chest by a bullet which entered the lung. The wound was at the left side of the breast, and the bullet entered the lung. The wound was at the left side of the breast, and the bullet entered the lung.

Frank Hall, alias Hartman, who claims to be a native of the state of California, was shot in the chest by a bullet which entered the lung. The wound was at the left side of the breast, and the bullet entered the lung. The wound was at the left side of the breast, and the bullet entered the lung.

N. C. Hansen, with two other men, tried to cross the Pacific river by a boat five miles below Ogden, Cal., at 7 o'clock Friday morning. The boat was shot in the chest by a bullet which entered the lung. The wound was at the left side of the breast, and the bullet entered the lung. The wound was at the left side of the breast, and the bullet entered the lung.

Woo Tung, the Chinese who murdered his aged wife, Yee Dick Ching, at the Globe Hotel, August and Jackson streets, in San Francisco, was shot in the chest by a bullet which entered the lung. The wound was at the left side of the breast, and the bullet entered the lung. The wound was at the left side of the breast, and the bullet entered the lung.

The dairymen of Alameda, Cal., have formed a syndicate and taken steps to look after their interests in the matter of securing their cows and markets. The syndicate was formed by a group of dairymen who were concerned with the welfare of their cows and the market for their milk.

James Cullen, better known as "Shaggy" Kelly, was shot in the chest by a bullet which entered the lung. The wound was at the left side of the breast, and the bullet entered the lung. The wound was at the left side of the breast, and the bullet entered the lung.

The oldest planter of California, Harry J. Lee, died at an early hour Friday morning at the home of his daughter at Point. He was nearly 80 years of age. He was a native of the state of California, and was a prominent planter in the state.

Charles E. French, formerly a prominent citizen of Hollands, Cal., committed suicide by shooting himself through the head after making careful preparation for the deed. He was a native of the state of California, and was a prominent citizen in the state.

A great strike is impending in San Francisco, Monday, April 14th, is fixed as the date when which it is to begin. All the union printers, proofreaders, bookbinders, lithographers and other workers are to walk out. The strike is being called by the union workers, who are concerned with the welfare of their workers and the market for their products.

Out of the \$200,000 appropriated for national defense, \$100,000 has been expended for fortifications and big guns on the coast of the state of California. The money was expended by the government, and was used for the purpose of strengthening the defenses of the state.

The demand is made for nine hours' work at the present rate of ten hours' day. It has been suggested to the employers, and has been rejected by them. There have been several conferences between a joint committee from the trades concerned and a committee of the employers, at which an attempt to reach an understanding or a compromise has failed.

The Pennsylvania Salt Mfg. Co., General Agents, Philadelphia, Penn., is the largest producer of salt in the world. The company has a large plant in Pennsylvania, and produces a large quantity of salt each year. The salt is used for a variety of purposes, including the preservation of food and the manufacture of chemicals.

the result of their work in Washington as the appropriation bill was in its present form. The government officials have been accused of having received bribes from the contractors who were awarded the contract for the construction of the Panama Canal.

"Shaggy" Smith, known in the West and South as a gambler and collector, was shot in the chest by a bullet which entered the lung. The wound was at the left side of the breast, and the bullet entered the lung. The wound was at the left side of the breast, and the bullet entered the lung.

Three men, known as "Shaggy" Smith, "Shaggy" Smith, and "Shaggy" Smith, were shot in the chest by a bullet which entered the lung. The wound was at the left side of the breast, and the bullet entered the lung. The wound was at the left side of the breast, and the bullet entered the lung.

The hand-drawn of San Francisco harbor have been recently constructed, and the military and naval use of the harbor has been greatly improved. The harbor is now a safe and secure place for the anchorage of ships, and is a great source of revenue for the city.

Port Baker, together with the sixteen men and the sixteen men, were shot in the chest by a bullet which entered the lung. The wound was at the left side of the breast, and the bullet entered the lung. The wound was at the left side of the breast, and the bullet entered the lung.

The man was a Kentuckian—a Kentucky of the highest type. On the night of the shooting, he was in the city of San Francisco, and was a prominent citizen in the state. He was a native of the state of Kentucky, and was a prominent citizen in the state.
