MURRAY COMING BACK. Mr. Murray has laid his plans for future meets. ## TROUBLE FOR JOCKEY.

### Schilling Suspended for Bad Ride on Captain Kennedy.

Captain Kennedy. San Francisco, Nov. 12.-The stewards of the Emeryville race track took their first action of the season yesterday when they suspended Jockey Schilling for his ride on Captain Kennedy, sec-ond choice in the fifth race, Schilling had won three of the five races, every one in which he was riding, and had earned the cheers of the track visitors, but he took it easy after he had the fifth practically won, and was beaten by a scant nose. The jockey confossed his fault and was set down. Before his suspension took effect Schilling rode in the last race, piloting his horse to victory.

Demand the Sport. New York, Nov. 13.—Students of Co-lumbia university, who have never be-come fully reconciled to the abolish-ment of football at that institution, have been unable to stand the strain of the present season any longer. They have broken forth with an appeal to President Butlet for "just one game" this fuil. To strengthen their appeal the students point out that a defect was incurred by the varsity crew last year and that with the receipts from a football game this could be wiped out. Sixty undergraduates who have played in the interclass games have atflixed their signatures to the following ap-peal:

The varsity eleven which will play the first intercollegiate football game at Morningside Heights in three years, if the game is played, has been select-ed from the 60 men signing the peti-tion as well as a scrub team.

conditions and causes which produce Rheumatism all suggest a healthful vegetable remedy as the surest and safest cure. The disease is brought about by the accumulation of uric acid, an irritating, pain-producing property in the blood. This causes a weakening and souring of the circula tion which then becomes unfit for nourishing the body, while the deposits of uric acid in the nerves, muscles, joints and bones produce the pain and agony of Rheumatism. To treat the trouble with medicines containing potash or other strong minerals, is simply adding another poison to the already weak, diseased blood, sapping it of its remaining vitality, and perhaps in the end making a physical wreck of the sufferer. The one safe and only cure for Rheumatism is S. S. S. It is nature's remedy for this disease, made entirely from healthful vegetable ingredients extracted from the roots, herbs and barks of the forest and fields. S. S. S. goes down into the blood and removes every trace of the cause of Rheumatism, cleanses and purifies the circulation, and restores health and comfort to those who are suffering from this painful disease.
