A Decline in Erie—More Details of the San Miguel Massacre.

NEW YORK, 10.—A London dispatch says there has been a slight pressure to sell Erie, which resulted in a decline of one quarter per cent from the quotation of yesterday.

A letter from San Miguel in the *Star* and *Herald* of Panama, received to-day, says of the massacre, that after the barracks had been taken, nothing was heard but the savage yell of assailants dispersing in all directions, breaking open the doors and windows of houses of merchants, and others, robbing, pillaging and assassinating in their fiendish occupations, and applying the torch to houses and whatever else their whims chose. Amidst this the cry of "death to foreigners," "death to heretics," was constantly heard. The town remained for three days at the mercy of the assailants, and during that time all classes of crimes were committed, and even those who took refuge in churches were threatened with assassination by the mob. The losses in property will not fall short of one million dollars. The President of the Republic has done what he could to bring the offenders to punishment, but so numerous are they that they can't be dealt with. The foreigners in the place have addressed their respective governments, for the purpose of making the government responsible for the losses incurred.

Respect to the Late Mr. Mumford.

At a numerously attended meeting of the friends and associates of the late Geo. H. Mumford, Vice Prest. of the W. U. Tel., Co., held in the office lately occupied by him, this afternoon, to take action in relation to his death, Hon. Wm. Orton was chosen chairman, and Geo. B. Prescott secretary. Eloquent and feeling addresses were made by President Orton, and by Vice Presidents Cornell and Green, Grosvenor P. Lowery, Hon. George Walker, Gen. O. H. Palmer and others, and the following resolutions were unanimously adopted:

"Whereas, it has pleased our heavenly Father, in his infinite wisdom, to remove from this life, suddenly and in a foreign land, our late cherished colleague, George Hart Mumford, one of the Vice Presidents of the Western Union Telegraph Company, who, by his manly qualities, had won the sincere respect and affectionate regard of his official associates; and

"Whereas, we who for many years have been connected with him in the management of a great business, desire to express our feelings of sorrow and record a tribute of respect to his memory, it is hereby

"*Resolved*, that by Mr. Mumford's death our company has lost an officer of estimable value, on whose superb intelligence, improved by a careful and thorough education, and an enthusiastic devotion to the business in all of its varied details, and supplemented by an unimpeachable integrity, general courtesy and rare dignity of character, which fitted him to discharge all his official duties with wisdom and discretion, remarkable for one of his age. In him the community has lost a citizen of the highest character, devoted to the best interests of society, loyal to the country in her darkest hours, and respected by all good citizens, one whose brilliant career, which had not yet reached its meridian, gave promise of the greatest future usefulness and influence.

"*Resolved*, that by his early death in the prime of vigorous manhood, his family has lost an affectionate and devoted husband and father, who was the pride and glory of a happy home, and we tender our warmest sympathy and condolence to the stricken wife and fatherless children, whom we commend to the care of Him who is the refuge and shield of the widow and the orphan. We also tender our respectful sympathy to the widowed mother and affectionate sister, to whom he was a dutiful son and loving brother.

"*Resolved*, as a tribute of respect, that a committee consisting of Marvin Green, John Van Horne, Abner Steger, John C. Hinchman, C. Brown, W. J. Holmes, A. B. Gifford, John B. Van Every, J. D. Reed and A. H. Watson, is hereby designated to receive the remains on their arrival in N. Y. and escort them to Rochester, attend to the funeral and, if agreeable to the family, to serve as pall bearers.

"*Resolved*, that these resolutions, appropriately engrossed, and signed by the officers of this meeting, be presented to the bereaved family, and that copies thereof be furnished for publication to the several telegraphic journals, and to the daily press of New York, Rochester, and San Francisco.

(Signed) "WM. ORTON.
Chairman.
"GEO. B. PRESCOTT,
Secretary."

Released.

The vessels loaded with grain by Archibald Baxter & Co., which were seized by the sheriff, have been released by orders from Kent & Co.

More Failures.

An evening cable dispatch from London refers to a heavy failure in the metal trade, no particulars. The *Commercial* announces the suspension of A. Castle & Co., fancy goods dealers, Howard Street, and J. G. Shaw & Co., manufacturers of blank books.

Suits Against Defaulters.

OMAHA, Neb., 10.—The United States district attorney, according to instructions from Washington, has brought suit against John P. Baker, formerly Indian agent, and his bondsmen, to recover the sum of $16,401, the balance due the government from Baker, whose accounts date back to 1862; also a suit against R. M. Forbes, for failure to fill a contract. He is preparing to bring suits against seven other citizens in this State, some of whom are said to be prominent politicians.

U. S. Minister to Belgium.

WASHINGTON, 10.—J. Russell Jones, U.S. minister to Belgium, is in this city.

Remanded to Jail.

Ottman's bail was reduced to $40,000 to-day, but the accused being unable to furnish the amount he was remanded to jail.

Fatal Railroad Accident, etc.

DENVER, 10.—This afternoon a passenger car attached to an eastbound train on the Denver and South Park railroad was thrown from the track fourteen miles west of Denver; James Smith, Western Union telegraph repairer, was thrown beneath the car and instantly killed. Among those who received fatal injuries are Mrs. Jno. Lane and daughter, of Denver; a number of others were severely bruised. An inquest will determine the cause of the accident.

Ex-U. S. Marshal Shaffenburg, against whom certain charges have been recently published, voluntarily appeared to-day before the U. S. commissioner here, and demanded a legal investigation of these several charges, which he claims to be wholly groundless and malicious. He entered into a recognizance for his appearance at the September term of the U. S. court.

The Hon. John Taffe, lately appointed secretary of this Territory, has arrived.

Meeting of Stockholders.

PHILADELPHIA, 10.—The stockholders of the Texas and Pacific Railroad had a meeting to-day, at which the report of the President was read. The document, which is very voluminous, states that the work of construction is practically suspended at the present time, but will be resumed in September. The report was adopted.

Wool.

Wool steady for fine, dull for medium, combing in fair demand. Texas fine and medium 25 @ 30, Texas coarse 24 @ 25, California fine and medium 18 @ 35, California coarse 15 @ 25.

The Crops in Wisconsin.

MILWAUKEE, 10.—The *Sentinel*, to-morrow, publishes crop reports from thirty of the most important counties in the State. The winter wheat, which is now nearly all harvested, shows a splendid crop, in many portions of the State the best ever known. The acreage sown, taken as a whole, is fully up to the average, while more bushels to the acre will be realized than anticipated. Spring wheat will be more than usual; in many places the chinch bug has destroyed whole fields, but this is compensated for by the excessive growth in other localities.

Latest From the Black Hills.

CHEYENNE, Wy., 10.—General Crook and Col. Stanton returned here to-day from the Black Hills. The miners were preparing to leave, and were covering up the richest leads to prevent their becoming known until such time as they can return. The country is considered rich in gold and the mountains full of quartz. Capital and skilled labor will develop mines equal to those of Colorado or Nevada. There were about fifteen hundred miners in the Hills, and a great deal of preliminary work has been done by them in the way of ditches and sluices. There were no Indians in that region, and but few had been seen, but those at the agencies are still demanding that the miners be driven out. Some gold was panned out in the presence of the party which yielded seventy-five cents to the pan. There is abundance of water and grass, also timber for building, but the pine is not of the highest merchantable quality. A town named Stonewall has been laid out on Custar's gulch, in the vicinity of which some rich diggings are located. The whole country is well adapted to grazing and farming. Troops are now en *route* to establish a temporary post near Stonewall, for the purpose of keeping out miners. Prof. Jenny's party were still exploring the Hills, and will probably remain until the middle of October. General Crook and party had fine hunting on Spring Rapids, Elk, and Box Elder Creeks, taking a large number of red deer, elk and mountain sheep. General Crook leaves to-morrow for Omaha.

Insurgents Defeated.

SAN FRANCISCO, 10.—A dispatch from San Diego says that the purser of the steamer *City of Panama* reports that the revolutionists, about the second inst., attempted to sack San Blas, but were defeated and fled.

The Woodruff Case.

The officials of the Central Pacific were brought into court to-day, on a citation to produce Woodruff, the case was continued till to-morrow. Charles Crocker testified that he did not know his whereabouts.

CANADA.

Drowned.

QUEBEC, 10.—Last night Miss Murray, of Montreal, and the son of the Rev. Mr. Wilson, of Kingston, while attempting to step from the wharf to the steamer just leaving, fell into the river and were drowned.

The People Rule.

MONTREAL, 10.—A meeting of the city council was held last night, to consider the new health by-law, which includes clauses compelling vaccination. A large number of French Canadians opposed to vaccination, who occupied the galleries and were assembled outside, were so noisy that no business could be done. Several volleys of stones were fired, and nearly all the windows broken and two aldermen struck. The council finally postponed action for six months, and adjourned in confusion under a volley of stones.

The liabilities of the Jacques Cartier Bank will exceed six millions.
