Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a cold attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by all Druggists.

HIS NOSE IN A VISE

MUNYON'S PAW-PAW AND INHALER CURED HIM

INHALER FREE WITH PAW-PAW

THE ONLY COMPLETE CATARRH CURE

A great sufferer of Catarrh sent me a letter stating that he felt as though his nose was in a vise, that he had been unable to breathe through his nose for nearly three years. That he had had two operations and had been treated by a number of specialists, but every time he caught a cold the air passages of the nose became so greatly inflamed that he was obliged to breathe through his mouth. That there was constant dropping of mucus into his throat and stomach, which produced Dyspepsia, Insomnia and Melancholy. That it had affected his hearing so that he was almost deaf. That he had noticed my advertisement claiming that my Paw-Paw and Inhaler would positively cure Catarrh, and with but little faith he concluded to make one more effort to get well; and much to his astonishment he began to improve after the first day, and although he has been using this treatment less than two weeks he is now able to breathe through his nose, the catarrhal discharges having almost ceased, and his hearing has been quite restored. This case is similar to thousands of others. Catarrh is not only a vice on the nose and air passages, but is a vice against morals and good judgment. It is a vice to be sick from any disease if you can be cured. It is a vice to have a foul breath if it can be sweetened. It is a vice to suffer with indigestion if you can be cured.

Nothing breeds gloom or unhappiness as surely. Nothing unfits a man for business or social life so completely as this dread disease—Catarrh.

Some physicians claim that more than nine-tenths of Stomach troubles and Nervousness is due to some Catarrhal condition of the system. Specialists of the highest repute declare that Catarrh is a germ disease, and that the only way to cure it is by purifying the blood and killing the germ by local applications.

They are absolutely right. I am proving it every day with my combination treatment, My Paw-Paw positively purifies the blood and drives all Catarrhal poisons from the system.

Paw-Paw makes one eat—it digests all they do eat. It makes one sleep. It puts life and vitality into the weak and debilitated, makes the old feel young.

MUNYON, Philadelphia, Pa.

My Inhaler sends clouds of medicated vapor to all the diseased parts that cannot be reached in any other way. It reaches the sore spots, heals the raw places and forms a new membrane. It positively kills all germs and stops all Catarrhal discharges. It sweetens the breath and prevents deafness.

MONEY REFUNDED.

To prove that I have a positive and complete cure for Catarrh I am authorizing druggists to give away with the $1.00 bottle of Paw-Paw my $1.00 inhaler and a package of Paw-Paw Pills a package of Catarrh Tablets absolutely free with each bottle. More than this, to every person that is not perfectly satisfied with this treatment, if they will bring me back their outfit I will refund their money.

EARLY SETTLER DEAD.

Mrs. Eliza Macfarlane Succumbs to Stomach Trouble.

A resident of Utah since 1856, Mrs. Eliza Edwards Hughes McFarlane, wife of W. McFarlane of St. Johns, Tooele county, died yesterday at the home of her son-in-law, Adam Reid, 704 south West Temple street, of stomach trouble, aged 64 years. Mrs. McFarlane came to Utah from Iywain, Glamorganshire, South Wales, where she was born Dec. 30, 1840. She is survived by three daughters and two sons, the former being Mrs. Annie Thomas, Sallie C. McFarlane and Mrs. Rebecca Reid, and the latter Joseph McFarlane and Henry McFarlane. She also leaves over 30 grandchildren.

The funeral will be held Sunday at noon from the Fifteenth ward meetinghouse. The remains may be viewed at the Reid home from 10:30 a. m. to 11:30 a. m. on that day.

Good advice to women. If you want a beautiful complexion, clear skin, bright eyes, red lips, good health, take Hollister's Rocky Mountain Tea. There is nothing like it. 35 cents, Tea or Tablets. Ask your druggist.

NAUGHTY GIRL CAUGHT.

Jennie Sloan, Who Escaped from Industrial School, Now in Custody.

Deputy sheriff Booth yesterday afternoon captured Jennie Sloan, one of the five girls who escaped from the state industrial school at Ogden several days ago, and landed her in the county jail to await th arrival of the school officials who will take her back to Ogden. The girl is 17 years old and after her escape walked from Ogden to Kaysville and then rode to this city in a farmer's wagon. She has been living with some relatives near the state prison since her return.

Yesterday Deputy Sheriff Booth learned of her whereabouts and went to the place where she was staying to arrest her. She saw the deputy approaching the house so she ran out the back door and tried to escape. After chasing her several blocks she was captured in a wheat field where she tried to hide from the officer.

SNAPPY PROGRAM AT THE THEATER

High School Seniors Pay Their Respects to the Juniors in Happy Vein.

ROARING FARCE PRESENTED.

Clever Imitations Do Much to Delight Those Present—Bust of "Sunny Jim."

Last night at the Salt Lake theater the seniors of the West Side High school held the boards in an entertainment that was snappy, successful, and entirely in good taste. The butt of it all was the junior class, but the class wasn't treated in a manner to offend, although many of the jokes set the house to rollicking, so pointed and clever were they. The most successful features were the singing and dancing, in which stage fright and hesitation were banished and a spirit of free abandon prevailed.

FARCE A SPECIAL FEATURE.

The juniors caught it hardest in a special stunt entitled "The Past, Present and Future of the Class of '06." It was a three-act farce, commencing with the entrance of the class into the school, and ending with their class day exercises, in which they were represented as a collection of country bumpkins receiving their diplomas. The heavy fire began when Kate Groo, as Anna Eva Fay took the stage and agreed to answer correctly 80 per cent of the questions of all anxious juniors. As she called each name a searchlight was turned on the member of the audience who was then "bawled out" in a distressing manner. The feature brought down round after round of applause.

A FEW IMITATIONS.

The second act consisted of five short scenes, which were clever imitations of juniors, and was followed by the closing scene—a junior class day exercise in 1906. The master of the celebration was Arthur Morton and his main task seemed to be to keep the audience in a roar of laughter, which he did. Edna Hemphill, in reading the class poem, made a noticeable hit. A Latin oration in imitation of Earl Higson was given by Malcolm Keysor, the Latin being interspersed with laughable English at frequent intervals.

"SUNNY JIM" SHOWN.

The presentation of a bust of "Sunny Jim" as the ideal of the class, was the climax of the burlesque. A telling speech of presentation was made by Beth Critchlow, and a similarly clever acceptance by Julia Cullen.

The program concluded with the singing of a rousing class song, its presentation being rendered dramatic by the waving of many flags of red and black, the school colors.

The stage management and the arrangement of the beautiful dances and musical numbers, were in charge of Mrs. Martha Royle King.

This evening a formal program will be rendered, in which all "jinks" features will be eliminated, concluding with the presentation of diplomas.

FLOWER SUNDAY.

Will be Observed at the Tabernacle Two Weeks Hence.

A grand floral and musical fete will be held at the Tabernacle Sunday, June 18. Three thousand Sunday-school children of the Salt Lake stake will fill the lower floor and choir seats, while the crowds of visitors will be assigned the galleries. The decorations promise to be very elaborate. That every boy and girl will be bedecked with flowers is an assured fact. Banners and pennants will punctuate the lively scene, while wreaths and other floral designs will rob the vast auditorium of its stubborn barrenness. The program is of itself the embodiment of taste and refinement, and this exceptional gathering promises a rare exhalation to lovers of song and flowers, since the combined efforts of the stake superintendency, stake board, ward superintendents, and schools give the assurance that the same success which attended the widely heralded Pioneer celebration of last year will be fully duplicated.

WARD ENTERTAINMENTS

Are You Engaged?

Engaged people should remember, that, after marriage, many quarrels can be avoided, by keeping their digestions in good condition with Electric Bitters. S. A. Brown, of Bennettsville, S. C., says: "For years, my wife suffered intensely from dyspepsia, complicated with a torpid liver, until she lost her strength and vigor, and became a mere wreck of her former self. Then she tried Electric Bitters, which helped her at once, and finally made her entirely well. She is now strong and healthy." Z. C. M. I. Drug Dept. sells and guarantees them, at 50c a bottle.

Don't forget that the ride is fine, boating is good. The pavilion is in splendid condition and the music is the best at Calder's; new management; everything clean.

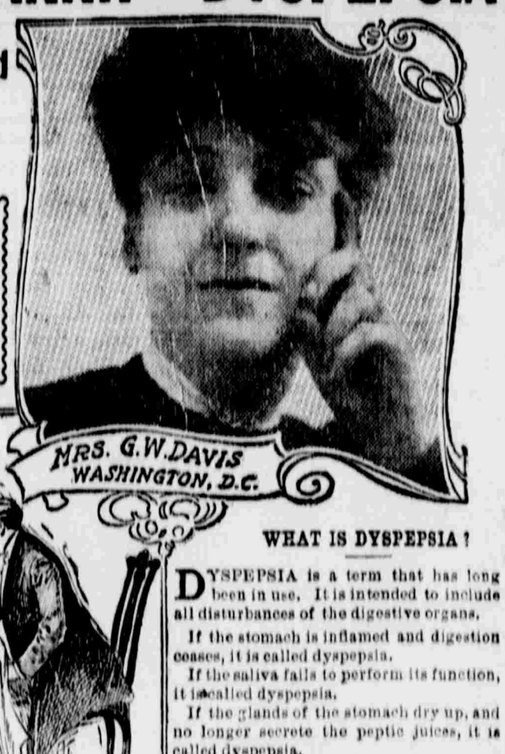
MANY HAVE STOMACH CATARRH AND CALL IT DYSPEPSIA

Two Beautiful Women Cured of Stomach Catarrh By Pe-ru-na.

Mrs. G. W. Davis, 1418 11th street, N. W., Washington, D. C., writes:

"After suffering some time with indigestion and dyspepsia, and having tried so many remedies without relief, I was persuaded by some friends to take Peruna.

"After using several bottles, I found such good results that I can cheerfully thank you and praise your wonderful medicine, Peruna, to my friends in general."



Indigestion, Dyspepsia, Sour Stomach, Flatulence, Palpitation Of the Heart, Are All Symptoms Of Stomach Catarrh.

Run Down in Strength, a Result of Stomach Catarrh.

Miss L. Wall, 350 N. Dale street, St. Paul, Minn., writes: "Last spring I had a very severe case of catarrh of the stomach and bowels. I was very much run down in strength and lost my appetite.

"I took three bottles of Peruna and found myself gaining very quickly in every way.

"I also had catarrh in my head, which has been entirely cured. I thank Peruna for the health I am enjoying."

WHAT IS DYSPEPSIA?

Dyspepsia is a term that has long been in use. It is intended to include all disturbances of the digestive organs.

If the stomach is inflamed and digestion ceases, it is called dyspepsia.

If the saliva fails to perform its function, it is called dyspepsia.

If the glands of the stomach dry up, and no longer secrete the peptic juices, it is called dyspepsia.

Catarrh of the stomach is called dyspepsia. It is really a form of dyspepsia.

How Catarrh Affects Digestion.

When catarrh attacks the mucous membranes of the stomach, the glands that secrete the gastric juices are deranged, the gastric juice is rendered inert and perverted in its action.

No one can have a healthy stomach or anything like a healthy digestion so long as they have catarrh of the stomach.

It is useless to try to remedy dyspepsia caused by catarrh of the stomach by taking pepsin powders or other dyspepsia remedies.

A Rational Treatment.

The first thing that must be done is to remove the catarrh, when the dyspeptic symptoms will disappear.

The stomach that is free from catarrhal congestion will do its work properly.

Pe-ru-na, the Correct Remedy.

Peruna has become famous as a dyspepsia medicine only because it cures catarrh of the stomach.

So many cases of dyspepsia depend upon catarrh of the stomach, that the two diseases are becoming confused in the minds of many people.

Not a Dyspepsia Remedy

In the ordinary sense, Peruna is not a dyspepsia remedy. It cures thousands of cases of dyspepsia by curing catarrh of the stomach, catarrh of the liver and catarrh of all the digestive organs.

Whenever any one is troubled with dyspepsia any length of time, catarrh of the digestive organs may be suspected.

Do Not Waste Valuable Time.

There is no use in wasting time with other remedies. Peruna reaches the spot at once and removes the cause. Its cures are permanent, as it removes the cause.
