**CHICAGO CONVENTION.**  
**LOTS OF TALK AND ENTHUSIASM.**  
**UTAH RECEIVES SOME ATTENTION.**  
**Committees Appointed, and their Personnel.**  
CHICAGO, 2.—Hear on taking the platform addressed it at some length. He arraigned the democratic party for all the political sins committed by it, and said that that party confronted the republican party with unchanged in purpose, in temper, or in character, and united in nothing else. Proposing no other measure of policy than was upon the safeguards which the Nation had thrown around the purity of elections, it saw nothing of evil except that a free man should cast a free vote under the protection of the iron rule of Louisiana and Mississippi it was the accomplice of the White League and the KKK. In South Carolina it took the honest ballot from the hands of the white men and placed it in the hands of the negroes. In New York it issued fraudulent naturalization papers—50,000 in number. In its ambitious luxury tried to pilfer a whole State government, and in Delaware it stood by the whip-post. The republican party had no such misdeeds. It was a party of freedom, of great public works, of sound currency restored, of a flag floating everywhere, honored and respected. The key note of every republican platform was found in respect for the dignity of the individual man until the prevailing principle of the Republic, from Canada to the Gulf, from the Atlantic to the Pacific. The republican mission was not ended. The republican party lived by faith that every man within the borders of the Republic might dwell secure in a sunny home, might cast his equal vote and have it counted, and might send his children to the public charge to a free school. Until these things came to pass the mission of the republican party was not accomplished, nor its conflict with its ancient adversary ended. [Applause.]  
After the roll call had been finished, Frye called attention to the fact that Utah had not been called, and moved that the omission be rectified.  
The Chair said Utah would be called if there was no objection.  
Conkling, of New York, rising, was received with applause, and said there was objection, holding, as he did, that the order of the convention had been executed when it had called the roll as prepared by the national committee. There was a contest in Utah as in Louisiana, and they were omitted.  
The Chair ruled that as the committee's roll had been called a motion to add any other State or Territory was in order.  
Frye said it was agreed by the committee that Utah should be put upon that roll, (great applause), and that the secretary of the national committee should call Utah on the roll. This was made by mistake. (Wild applause.)  
Conkling said if there had been a mistake it should be corrected.  
The only special significance of this colloquial incident was the enthusiastic applause which greeted Frye from both galleries and floor.  
McCormick, of Arizona, moved the call of the roll of States and Territories for the presentation of credentials and for notice of contests, and that all such papers be referred without statement or debate to the committee on credentials.  
On the call of the roll Alabama and Arkansas gave notice of contest. Henderson, of Iowa, gave notice of contest in ten districts of Illinois (applause). The committee on credentials and contests was notified in Louisiana. Contests were also notified in Pennsylvania and Utah, the latter by Conkling, of New York, by request.  
Logan, of Illinois, moved instructions to the committee on tickets of admission to the Convention to issue 400 tickets daily to the Veteran Association; that justice had been done to the veterans by every other National Convention; that the convention, and why should it not be done now and here? (Applause.) There were veteran soldiers supporting each of the presidential candidates so that there was no reason for denying them an address from a delegate from the Woman's Suffrage Association now in session here.  
The organization of standing committees to-day, indicate clearly that Blaine's friends have control of that on credentials, and that the Blaine and Sherman men, who are in control of the rules and order of business, this is another heavy blow to Grant's prospects. His managers, however, are struggling to hold their ground, and their plan being to endeavor to tire out Blaine's adherents, in the hope of causing them to break in such a manner as to give the Grant men a victory. The Grant men are now in a position to make a compromise candidate. But as Blaine's friends are by far the most earnest and enthusiastic of all the factions here, and as they are not likely to succeed in wagging the Blaine dog.  
Some shrewd calculators to-night estimate Blaine's strength at over 300 votes on the first and second ballots, while Grant's, according to the present appearance, can't be much larger on the first, and likely to be considerably less on the second.  
Frye, as chairman of the consolidated Pacific Coast delegation, is taking an active part in the proceedings, and the members of the delegation have accepted his invitation to meet in the spacious California headquarters.  
Exciting scenes are expected to-morrow when the committee on credentials will report, but the Blaine men, while very firm are conciliatory to all points.  
There still seems to be little confidence anywhere that Sherman or Edmunds can draw materially from the two leading candidates. There continues to be much leaning towards Washburne as the possible dark horse, and some quiet direction is being given for that purpose. The men are counting the Washburne sentiment by suggesting the latter for second place on the ticket, with their own favorite, Fred Billings, as the first in nomination.  
12.39.—The committee on credentials has made a little progress, but is still with the Illinois case.  
The committee on resolutions has made no progress, and the hands which have been referred for report to-morrow morning to a sub-committee consisting of Edwards, Pierpont, Emery, Storrs, Chicago, D. O. Wayne, California, Wm. Walter Phelps, New Jersey, and C. W. Clark, Mississippi. It is anticipated that there will be a minority report of the committee on credentials, and that the question of the contesting delegates will come early before the convention, in the morning.  
At General Sherman's headquarters to-night the following estimates are made of the first ballot after the unit rule was adopted: Grant, 397; Blaine, 273; Sherman, 138. The name of Garfield has been quite frequently mentioned to-night as a possible compromise.  
In the Grant caucus to-night a short hand reporter was present during the speeches which Boutwell and Conkling made. The former declared they had from 325 to 380 votes on the first ballot, and that the nomination of Gen. Grant was secure. Conkling said there was no use of concealing or perverting facts. It was time now to look this matter squarely in the face. Not more than 400 votes were assured for Grant on the first ballot. They need not count on more than they secured there. He advised, however, that they hold together through the first, second and to the tenth ballot if necessary, but not to yield, for they would eventually worry out their opponents and win. They would not here offer nor accept a compromise. The breaks would come from other candidates. A committee of one from each State represented at the caucus was appointed to visit the various State delegations and to report progress to-morrow.  
At this point of the proceedings the reporter was somewhat summarily removed from the meeting.  
**Appointments.**  
The committee on credentials: California, Geo. T. Clark; Colorado, C. Hayward; Nevada, M. Foley; Arizona, R. C. McCormick; Dakota, Porter Warner; Idaho, J. L. Shoup; Montana, Henry M. Blake; New Mexico, Wm. Breiden; Washington Territory, T. L. Miner; Wyoming, W. A. Carter; Nebraska, Mr. Carter.  
On rules and order of business: California, E. A. Davis; Colorado, M. M. Menier; Nevada, W. W. Shoup; Missouri, H. S. Blake; New Mexico, Wm. L. Ryerson; Washington Territory, Thos. H. Brown; Wyoming, M. C. Brown.  
The following were appointed on the committee on resolutions: from the coast: California, D. S. Payne; Nevada, F. S. Edwards; Oregon, H. W. Scott; Arizona, J. S. Osberg; from the interior: Idaho, J. L. Shoup; Montana, R. E. Fisk; New Mexico, Wm. L. Ryerson; Washington Territory, Thos. H. Brown; Wyoming, M. C. Brown.  
At 11 o'clock to-night the situation is as follows: The committee on credentials is still in session, and is holding an all night session. They have thus far decided only one case, which was that of Rapier (anti-Grant) from the Fourth Alabama district. It was decided by a vote of 31 to 12 in favor of admission. This was the only vote in the committee, except that upon which Grant was made chairman, being 29 to 1. The committee briefly considered the cases of Smith and Warner, of Alabama (contested), but they were passed for the time, and the Illinois case was taken up. Kirkham was protesting. This case will probably occupy the greater part of the session.  
The Kentucky delegation held a caucus to-day, and decided to support the resolution of the State convention, which instructs them to vote as a unit, Mr. E. C. Hubbard, of the delegation, made that notwithstanding this action, four of the delegates will disregard the instructions.  
The committee on permanent organization agreed on the following: Vice-Presidents and Secretaries, Vice-Treasurers and Transfers, General Bankers, Business, for which we have the necessary facilities. We solicit new accounts and business generally.
