Private William T. Daddett of E. company, Twenty-ninth infantry, died in the Fort Douglas hospital Saturday, from peritonitis, from which he had been suffering only a few days. First soak the corn or bunion in warm water to soften it; then pare down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn a few days to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by all druggists.

the company is hiring rather than discharging men. However, the federation has sent out some 40 circulars to labor unions over the state, copies of a resolution calling on them to discriminate against the Utah Fuel company and patronize its competitors.

While S. H. Lynch was riding his horse with another outfit yesterday afternoon on east South Temple street near Twelfth East street, a jolt of the Lynch "trap" over a raised crossing threw Philip, Mr. Lynch's eight-year-old daughter, from the rear seat into the roadway. Another team was immediately following, and the child was run over, she was immediately picked up, and Dr. Hosmer summoned. The doctor found the little one only bruised and suffering from shock so that nothing serious need be anticipated, and she was removed to her home, 215 Second street.

Albert and Lucy Rogers, who were divorced on July 1, have decided to try again. They met on Saturday afternoon they called at the county clerk's office and were granted a marriage license.

Rogers secured a divorce from his wife on the ground of desertion. He had tried on several occasions to induce her to return to him but she refused to do so. It seems that since the divorce he has been more successful in his efforts and they are again husband and wife. They were accompanied to the clerk's office by their 13-year-old daughter, who probably had something to do with the reconciliation.

Suit has been filed in the district court by Jim Lambros against the Utah Construction company to recover \$15,000 damages for personal injuries received by plaintiff on July 17 while in the employ of defendant in construction work on the San Pedro, Los Angeles & Salt Lake road near Moapa. Plaintiff alleges that he is 19 years of age and was inexperienced in such work when he was employed by defendant, and that it was the duty of the company to warn him of the danger of the work on which he was employed. By reason of the failure of defendant to do so he alleges that he was injured by a broken rail falling on his foot and cutting off two of his toes. He therefore asks damages in the sum stated above.

Mrs. Hannah J. Bollwinkel of 151 Center street, leaped from a Center street car about 7 p. m. yesterday, because of fright caused by the car running away down the hill near Fourth North street, and suffered concussion of the brain. Dr. A. S. Bower was immediately summoned, and pronounced the injury not necessarily very serious. Residents living nearby said, it seemed as though the rails were made slippery by the falling leaves, so that the car slipped and went out of control.

Consequently, the car ran away. However, it was brought to a stop at the foot of the hill, and none of the passengers were hurt. The car men claimed, on the contrary, that the car did not run away.

THE HOT WEATHER TEST

Makes people better acquainted with their resources of strength and endurance.

Many find that they are not so well off as they thought and that they are easily enervated and depressed by the heat.
