business of telegraphing to railroad companies was to be made, it should be at least with the restrictions now imposed upon existing telegraph companies. He submitted an amendment so as to provide that said railroad companies shall file their written acceptance of restrictions and obligations imposed on telegraph companies by title 65. Revised Statutes. In explaining the amendment, Howe said title 65 gave government the right to purgave government the right to pur- and amendments.

pany had, but government should have the same right to obtain their lines at appraised value.

Beck opposed government purchasing telegraph lines and doir private commercial business. He favored a repeal of the act of 1866. If the privilege conferred by that act be conferred upon government properties at all telegraph lines.

WASHINGTON, 22,-The committee on ways and means reported

Speaker to issue a warrant for the arrest of George F. Seward as a conturnacious witness. Ordered printed and notice was given that the matter would be called up for action on Monday.

Business on the Speaker's table was then considered.

The House bill with Senate amendments to repeal the moietles was agreed to.

Seas Tanta Street, 1863.0

The second bill on the table was of Congress and goes to the Presi-

notes shall be receivable the same

subject to recall, and provided that whenever the proceeds of sales of riah Chandler, having been pre-sented and read, Chandler was es-corted to the Vice-President's desk issue a call for that amount of bonds. by his colleague Ferry, and the oath of office was administered. Chandler occupies the same seat as when in the senate several years ago.

The credentials of Senator Ingalls re-elected, were filed.

Morrill reported with amendments the Senate bill for the interchange of subsidiary allver coin ing on May 31st 1878, and it shall change of subsidiary silver coin ing on May 31st, 1878, and it shall and United States notes. Placed not be lawful to issue legal tender notes of larger denomination than oration to-night.

supported Ewing's Phillips

Other amendments proposed by of a proposition which he desired to the committee on appropriations, offer as an amendment, to the ef-striking out of the House bill the feet that in the payment of the ob-

who may be detailed to the service in the pay department shall give adjusted themselves. The increase bonds the same as paymasters; appointed the bonded debt under the present administration was over \$100,- to the coroner's office. The explosion of recklessness

were agreed to. The Senate, by a vote of year 29, nays 30, refused to bad been supposed to be laid away in its last resting place, had wanto any established college or university having not less than 150 attaches.

Howe said there was an eccentration of that old subject, which had been supposed to be laid away in its last resting place, had wanto any established college or university having not less than 150 amendments. He said all the great business interests of the country and all wise business men were laws and all wise business men were laws B. Johnson, James Cosgrove, Chas. Howe said there was an eccentric provision in the first part of the bill which read: "for cost of telegrams authorized to be transmitted by railroad lines for government, and for the general publications amendments. He said all the great business interests of the country follows, William Allen, Michael Crowell, H. B. Bishop, jr., Robert saying, "Let the currency laws alone; let business recover itself on Greanor, W. C. Taylor, B. S. the present basis." He believed that it would have been a great Thomas Bedgwick and J. F. Avery, lic, at rates to be fixed by govern-ment according to the provisions of title 65, Revised Statutes." blessing at any time within the last five years if Congress had passed the appropriation bills and gone title 65, Revised Statutes."

the appropriation bills and gone three or four of whom are not like—
Howe said if the transfer of the bome, and had kept its hands off ly to recover. Many were blown a business of telegraphing to railroad from tinkering with the currency considerable distance. The body

ery State of the Union except six, his colleague, therefore, should not "bank" too highly on the assumption that the people of the country were content with the resumption scheme.

were content with the resumption scheme.

Burchard, of Illinois, opposed particularly that feature of the amendment which provided that called bonds shall bear interest for only 30 days. If the power of the Secretary to accumulate coin was taken away, in a week all the legal tenders in the country would be rushed to the Treasury for redemption. It was just as necessary that the government should have a reserve as a bank should have a reserve as a bank should have one.

Butler attempted to get the floor, but was cut off by a motion for the previous question.

Territic Boiler Explosion. tions relating to army reerganization upon the ground that there was a drain of production upon the ground that there was not time to consider them, and it, was agreed to—yeas 45, nays 18.

When the amendment proposed by the committee on appropriations to strike out of the House bill the recognition to strike out of the House bill the grountry which were to live or the provisions forbidding the page of the grountry which were to live or the slough and run by a thresh.

San Francisco, 22.—A Stockton dispatch says: A terrific explosion took place at 2.30 to-day, at the head of the Stockton Slough, on Eido-rado street. A crowd of more than 200 people assembled to witness the trial of a new propellor pump, set the grountry which were to live or in the slough and run by a thresh. the provisions forbidding the use of the country which were to live or in the slough, and run by a thresh-tunity of doing so by hauling troops at elections, and making it die according to the success or failing engine. Those who stood near gravel on the streets now undergine was blown a distance of 150 lay prostrate in every direction, some fell into the slough from the bridge. Ten or 12 dead bodies lay in one heap at the northwest cor-ner of the bridge; others lay strewn dead and dying on the street, blown from 50 to 100 feet. The striking out of the House bill the provision that each member of the paid in coin, gold, silver and currency should be used in equal proportion to the amount of these forms of money then in acceptance of this sum shall render him ineligible to appointment in the army until two years after his graduation. Also striking out the section providing that officers who may be detailed to the service in the pay department shall give dead and dying on the street, blown from 50 to 100 feet. The heads of some were blown to pieces, and others were blown to the ground with such force as to break every bone in their bodies. The faces, hands and whole persons were smeared with dirt and smoke and cinders. The wounded we prompt. on the part of the engineer. The steam gauge recessing to work, the engineer attempted to fix it, and failing, he screwed down the safety
