TWO RESIGN AND ARE RE-ELECTED

A. H. Moyes and Robert Paine
Escape Court Process for
Removal From Council.

PECULIAR ACTION OF SOLONS.

Waterwork Franchise Still in Unsettled Condition—New Ordinance Held up For Fee.

Ogden, Aug. 14.—At last night's session of the Ogden city council, Councilman A. H. Moyes and Robert Paine, Republicans from the second and fifth wards, respectively, presented their resignations which were accepted and the men were at once re-elected. Both men are involved with Chambers and Craig in the illegal appropriation of money for which Chambers' office was declared vacant and Craig is to have a retrial. The councilmen took this course in order to protect themselves in the action in the district court to have their places declared vacant.

It is not thought that the matter will be dropped, although the action of the council will certainly mean the dismissal of two of the cases now pending in view of the fact that several of the councilmen have previously taken a stand directly opposite to the action taken last evening. The reappointment came as a surprise to many.

District Attorney George Halverson when told what the council had done, said he was not prepared to say what action he would take in the matter. "As far as Mr. Paine is concerned, there are other objections to his holding the office of councilman and he may be prosecuted along other lines. The council knew when they reappointed him that he was not eligible to office on account of his being an employee of the Harriman system. I have had this matter under consideration and was merely waiting to see what action the council would take. This also applies to Councilman Austin as well. It may be that a criminal action will be brought against these men under section 4315 of the statute if they persist in holding office." Mr. Sken has gone on record as stating that he would drop the prosecution of these men in the event of their reappointment, and he reiterated the statement when seen today.

The waterworks franchise was retained by Mayor Conroy with his approval of a recommendation that section 9 be amended so that motors be placed only on request of the consumer. After the recommendation had been filed and the acceptance by the waterworks people, the substitute franchise with the amendment recommended by the mayor was presented. On account of the fact that a check for \$75 as prescribed by ordinance did not accompany the substitute franchise was not considered. The company already has one check for \$75 in the city treasury for the ordinance. The company has accepted which was contested by legal proceedings. It was contended that this was a new ordinance and that the company should accompany the application. Judge Maginnis was asked for an opinion and believed that that was the proper method. The water company did not think that it should pay \$150 for one franchise and under these circumstances the new franchise did not reach its first reading.

The fire committee recommended that a team of horses and harness be purchased for the new fire station at an expenditure of \$500. The recommendation was adopted. The bid of \$2,325 for furnishing a combination Champion engine and steel hose wagon was accepted. The police committee recommended that A. R. Vance be reinstated as a police officer when a vacancy in the force should occur. The finance committee submitted a statement that the appropriation for the Ogden concert band would be \$1,000 and the matter was turned down on the recommendation of the committee. Bills and payrolls aggregating \$3,648.21 were allowed.

CITY COUNCIL SESSION.

Solons Inspect Waterworks—Spanish Fork Canning Company Incorporates.

Provo, Utah Co., Aug. 14.—At the meeting of the city council last evening it was decided that the members of the council and as many officers of the city as could do so, take a trip to the canyon today to inspect the waterworks extension, and the committee was given power to accept or reject bids for excavation of the trench.

The matter of calling a general mass meeting, or five mass meetings, (one in each ward), to obtain an expression from the citizens on the purchase of the electric company's distribution system, was again up for consideration, and it was decided to call one mass meeting.

Councilman Miller moved that the council take steps to call an election to vote on bonds for the purchase of the electric company's distribution system, and to include a generating plant. Councilman Gill amended to exclude the purchase of the

RECORDER ELLIS FELICITATED.

Retiring Officer Receives Commendations of County Commissioners.

Ogden, Aug. 14.—The resignation yesterday of County Recorder Daniel W. Ellis was received by the board of county commissioners with regret, as he is held in the highest esteem by them.

Chairman Stanford paid the following tribute to Mr. Ellis: "In moving to accept the resignation of County Recorder D. W. Ellis, I cannot but say that I do so with feelings of regret. I am sure that I voice the sentiments and feelings of this board when I state that Mr. Ellis has most truly and faithfully discharged the duties of county recorder. Being by profession a civil engineer, he brought to bear upon the office exceptional ability. Whenever asked to perform service, at platting or surveying, etc., for the benefit of Weber county, Mr. Ellis has readily and cheerfully responded. In abstracting, recording and all detail work he has been fully competent and efficient. It is now nearly six years since he was first elected to the office of county recorder, having been the choice of the electors for three successive terms, is an evidence of his integrity, honesty and popularity, his vote being on each occasion overwhelmingly in the majority. Mr. Ellis is a noble, high-spirited man, and he goes hence to take a more lucrative position with our confidence and good will and best wishes."

Although there remain but a few months before another election, it will be necessary to appoint a successor to Mr. Ellis. Joseph Wallace, who has been chief deputy under Mr. Ellis, and is very efficient in the work of the office, is being very favorably mentioned for promotion to the recordership, and will receive the recommendation of a majority of the Republican central committee for the appointment.

The board granted Mr. Stanford a three week's leave of absence. He will visit the northwest and take in the Irrigation Congress at Boise, Idaho.

\$30,000 DAMAGE SUIT.

Hearing of John Penfield vs Union Pacific Begun.

Ogden, Aug. 14.—The \$30,000 damage suit brought by John Penfield against the Union Pacific Railroad company is now on trial in the Second district court before Judge Howell and a jury. All day yesterday was occupied in securing a jury to hear the evidence, after which adjournment was taken until this morning, when the taking of testimony for the plaintiff was commenced.

The damages asked for is alleged to be due for personal injury. Penfield is in attendance on the case. He appeared before the jury with his right leg off just below the knee and his left foot off, caused by the accident which occurred Feb. 24, 1906, in the Union depot yards in this city, when he was struck by a switch engine, which he claims was done through the carelessness of the railroad company's engine crew. A large number of witnesses have been subpoenaed to testify for both sides, and it is expected the case will go to the jury before the end of the week.

The following special jury venire was drawn to serve during this term: Frank J. Stevens, George Olmstead, Fred M. Nye, Irving C. Bennett, Charles A. Nelson, Wm. G. Riddle, James F. Wadman, George Huss, D. W. Stone, M. H. Wheelwright, Harry A. Simms, of Ogden; C. S. Wood, Huntsville; John A. Randall, North Ogden; John Packham, Pleasant View; and Charles Sken, Plain City.

WEBER STAKE ACADEMY.

Issues Nineteenth Annual Giving Outline of Course of Study.

Ogden, Aug. 14.—The Weber Stake academy has just issued its nineteenth annual for the school year of 1906-7, giving a comprehensive outline of the various courses of study to be taught at the institution during the coming school year.

The academy will open Monday, Sept. 17, 1906, and will complete the year June 7, 1907.

The courses of study offered are a four-year's classical course; a four-

years' normal course; a four years' scientific course; a four years' commercial course; a one year's preparatory course; a one year's missionary course, and a four years' domestic science and arts course.

The excavating for the \$30,000 addition to the academy building is almost completed, but the building cannot be ready for use when school opens.

Prof. David O. McKay will remain at the head of the school during 1906-7.

The faculty will be: David O. McKay, principal, University of Utah, state normal, 1897, theology and literature; John G. Lind, curator, B. S., University of Utah, 1901, history; Wesleyan university, 1902, physics and chemistry; William Z. Terry, registrar and treasurer, B. S., Brigham Young college, 1895, history and political science; Joseph Ballantyne, chorister, student in National Conservatory of Music of America, '95, '96, '97, pupil of Max Hicker and Oscar Sanger, instructor in music; Jennette McKay, University of Utah, state normal, 1897, elementary rhetoric and elocution; Wilford M. McKendrick, B. S., Brigham Young academy, 1895, mathematics; Sylvester D. Bradford, University of Utah, state normal, 1896, pedagogy and psychology; Sarah T. Evans, drawing and domestic arts; David R. Shurtliff, secretary of faculty; D. Y. Colgate, commercial course; LeRoy E. Cowley, Weber Stake academy, 1903, in charge of preparatory course; Mark R. Porter, A. B., University of Utah, 1904, A. M., University of Chicago, 1905, biology and German; Ernest W. Nichols, band instructor; Wilford H. Shurtliff, assistant instructor in drawing.

CANNING COMPANY CHANGES.

Herbert G. Adams, who for several years has been vice president of the Wasatch Orchard company, and connected with the large canning factory, has recently resigned his resignation to take effect at once. Recently Mr. Adams with other gentlemen entered into the live stock business in Ogden valley where they own an immense tract of land, and in the future he will devote his time to that business. Mr. C. S. Gorline of Salt Lake City has been selected to fill Mr. Adams' place in the orchard company.

AUF WIEDERSEHU DONNERSTAG.

Next Thursday, Aug. 16, the Germans of Salt Lake and Ogden will have their annual outing at the Hermitage, in Ogden canyon. Two trains will come to Ogden that morning, over the Oregon Short Line from Salt Lake City arriving in Ogden at 8:05 and 11:25 a. m. Excursion wagons will be taken at the Union depot or the street car to the mouth of the canyon and from there passengers will go by wagons to the cool, beautiful resort. The day will be spent in all kinds of pleasures and feasting.

WEDDING PERMITS.

Licenses to wed have been granted by the county clerk to the following couples:

Roy Child, 21, of Clinton, Davis county, and Miss Malinda Wood, 21 at Roy, Weber county.

Raymond Stager, 19, and Miss Martha Peterson, 20, both of Richmond, Cache county.

BRIEFS AND PERSONALS.

Tomorrow all the butcher and grocery stores will close and the proprietors and their help will go to the Laguna to spend the day. Nichols' band has been engaged to accompany the special train which leaves the Union depot at 8:30.

William Glasman is home again from his camp in Lost creek, to be in attendance in the district court.

A. Baxter, a switchman employed in the local depot yards, had two fingers on his right hand crushed last evening in coupling cars.

The Carnegie library board held a meeting last evening and reappointed Miss Grace Harris, librarian, with Miss Nellie Norman and Gwendolyn Williams assistants. They also decided to paint the woodwork of the building.

The funeral services over the remains of Zella, the little daughter of Roy Child, will be held Wednesday at 3 o'clock at the Fifth ward meetinghouse. The remains may be viewed during the morning at 2575 Jefferson avenue.

GIVEN UP TO DIE.

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the bottle gave me great relief, and after taking the second bottle I was entirely cured." For sale by F. J. Hill Drug Co.

Wednesday, "The big shopping day" AT WALKER'S!

And this will be the biggest of them all. It's the third day of the sensational factory lots sale.

Although nearly three thousand square feet of floor space has been added to our first floor, it seemed as if the great store was crowded more Monday and Tuesday than ever before. The wash goods aisle alone nearly double its former size was so packed as to make it impossible to get through. It was the same everywhere. It will be the same all week.

Notwithstanding the extremely warm weather that has prevailed, people came down. It takes a sale at Walker's to bring them out. No matter how hot it may be, they know its worth while to be here and then too, its so cool in the great store.

Great preparation has been made to make Wednesday the banner day. The store will be open all day. The greatest bargains you ever saw or heard of will be displayed in every department. The alterations on the first floor are now completed save for a little touching up here and there. Join the throngs that will come to the store of opportunities.
