FLOATING FRAGMENTS.

Bishop Thomas R. Cutler, of Lehi, is in town.

Home Missionaries will preach in the city wards to-morrow evening.

Sister Harriet Dunbar, the well known midwife, of the Twentieth Ward, died this morning.

The old "saw" about March is verified. It came in like a lamb, and is going out a roaring.

We are indebted to Messrs. Stayner & Simmons for a copy of their excellent pamphlet on land matters.

There is a chance for situations for a good sawyer and engineer, at a mill near this city. See advertisement.

Evan Stephens' songsters should not forget to meet him after the Assembly Hall services to-morrow afternoon.

The time for holding the funeral services over the remains of young Gus Larsen has been changed from 10 to 11 o'clock to-morrow.

There will be a meeting of Pioneer Engine Co. No. 1 on Monday evening for the election of officers.
J. H. KELSON, Sec'y.

Artists may produce excellent designs, but they will avail little unless the taste of the public is sufficiently cultivated to appreciate them.
—*George C. Mason.*

There are messages at the Western Union Telegraph office for Jonathan Williams, S. G. Cook, A. S. Hiders, E. D. Egan, Tom Toughney and James Robertson.

On Thursday morning a large quantity of coal and rock fell down in Mine No. 6 at Carbon, and Anton Kratz, a German about 50 years of age, who was at work under the fall at the time, was quite seriously injured. Dr. Webb, the Union Pacific surgeon at Carbon, not being at home, Kratz was taken to Laramie and placed in St. Joseph's hospital.

Three or four weeks ago a party representing himself as the agent of a telephone company came to Provo and canvassed for subscriptions in the event of the company deciding to establish a line here. He went away evidently satisfied with the result of his canvass; the wire and some other material arrived a few days later, and are now at the depot; but nothing more has been done.—*Enquirer.*

LOCAL AND OTHER MATTERS.

High Council.—The members of the High Council are particularly requested to meet in the Council House on Monday evening, April 2nd, at 7 o'clock.
WILLIAM W. TAYLOR, Clerk.

Gone to Provo.—This morning Presidents John Taylor, George Q. Cannon and Joseph F. Smith went to Provo, on Church business.

On the Way.—A private dispatch to President John Taylor, sent by C. H. Wood, from Union Depot, Kansas City, Missouri, dated the 30th inst., stated that Elder John Morgan had passed that point, on his way to Colorado, with one hundred and eighty immigrants, all well.

Glad to Learn It.—We are pleased to learn from the *Utah Journal* that Bishop George L. Farrell, of Smithfield Cache Co., lately down with typhoid fever, is now convalescent. Several members of his family who were afflicted with the same disease, have also recovered.

Gun Accident.—Yesterday, about noon, two men named Parsons and Dusterberg, of Wales, Sanpete County, were peddling goods in Piute County, when in the vicinity of Koosharem, a shot gun which was in some bedding in the wagon, was accidentally discharged, the contents entering the body of Dusterburg, killing him instantly.

Spring and Summer Styles.—Mrs. M. G. Lapham, First South Street, has received the spring styles of fashion plates. Among them are the *Bazar Dressmaker*, for which she is sole agent. The patterns are very numerous, and published by James McCall & Co., New York, for whose fashion works Mrs. Lapham is sole agent for Utah. They are claimed to be the very best published, enabling unprofessionals to cut out any kind of garment. See advt.

Copper Ore.—Heesch & Ellerbeck have on view in front of their store, a large and very pretty specimen of copper ore, weighing several hundred pounds, taken from the Red Cloud Mine in northern Arizona, in which the Ellerbeck boys and the Doctors Richards are interested. They have spent considerable time and money in opening up the mine and erecting a small smelting furnace, feeling confident of its becoming valuable.

Salt Lake Theatre.—On Wednesday evening, April 4th, Mr. John S. Lindsay and a strong company selected from our home talent, will reproduce the fine, romantic play, "A Soldier's Fortune," which gave so much pleasure to those who witnessed its first production a week or more ago. The play is an excellent one, is put upon the stage handsomely, with splendid new scenery by Mr. Tryon, elegant and appropriate costumes, and stage mountings. We can heartily recommend those who wish a good evening's enjoyment, to go and see "A Soldier's Fortune" on Wednesday night.

Theatre.—There was a very good attendance at the Theatre last night in spite of the darkness, and the storm. "Fogge Ferry" was again well presented. Miss Minnie Maddern grows in favor with her re-appearances, and the whole company show out with even brighter lustre on repeating their performance. The scenery is very fine, and the effects striking, and good music from the Thomas orchestra assisted greatly in the interest of the evening's entertainment.

To-night Jessop and Gill's new comedy of "Wild Wave" will be presented, and close the present engagement.

Death of Sister H. H. Dunbar.—It will be observed by a notice in another part of the paper that Sister Harriet H. Dunbar, of the 20th Ward, died this morning. Her illness was quite protracted, beginning with erisypelas and merging into typhoid fever, there being unmistakable symptoms of blood-poisoning toward the end. The death of this estimable woman will be deeply regretted by a host of friends as well as her immediate family. For many years she has placed herself at the service of the people at any hour of the day or night. She frequently resolved to quit her profession, as it was wearing upon her constitution, but her resolution invariably gave way the moment an appeal was made for her aid. She was extremely popular, not only on account of her ability, but also because of a remarkable cheerfulness of disposition.

From the early stages of her illness Sister Dunbar felt as if the end of her earthly life was near and so expressed herself. Death began to assert unmistakable supremacy last night, about 7 o'clock. On Thursday night she sang with much fervor that beautiful hymn by E. R. S. Snow, "O my Father, Thou that dwellest, in the high and glorious place." Her end was peace, and she leaves a kindly recollection in the hearts of many.

A Singular Incident.—Last night a blaze of light was observed at the top of the cellar-way of the Nevada Restaurant. Mr. Fred. Simons happening to see it, and believing that something was on fire below, descended the steps. Finding he was mistaken he returned, and in making the ascent of the stairway, seized the iron rail with his hands, which, to his great alarm, were held there by a powerful electric current. He vociferated for help, which soon reached him and he was pulled away, after receiving a considerable shock. Meanwhile streaks of light were flashing from the railing. The cause of the trouble was that the conducting electric light wire on the roof of the building had come in contact with the tin roofing, causing a strong current to descend the wall and iron pillars to the rail. Some connecting wood-work caught fire, but the electric stream was turned off and the blaze soon extinguished.

To be Repeated.—Next Monday night the Fifteenth Ward entertainment, given last Wednesday, will be repeated. It is a very fine performance. On the first occasion the Twenty-first Ward Dramatic Association rendered their piece in good style.

Miss Druce and Mrs. Hull sang very sweetly, and received well deserved encores; and the flute solo by Mr. John Smith was very fine.

The Glee Club and Orchestra, is composed of young men of the 15th Ward, are led by Bro. H. E. Giles, and are deserving of praise for the excellent manner in which they render their selections.

The people of the Ward should turn out and attend.

S. S. Union Meeting.—Next Monday evening April 2nd, the monthly meeting of the Deseret Sunday School Union will be held at 7 o'clock in the Assembly Hall.

Stake Superintendent David John will be unable to fill his appointment to give a lecture. Elder John Nicholson has by request kindly consented to illustrate his method of training a class of young men in a knowledge of and the ability to preach the principles of the Gospel.

The 17th Ward will furnish singing and doorkeepers, and the combined martial bands of the 6th and 17th Wards will be present.

The plan adopted at the last meeting of closing the outer gate at 8 o'clock; for the maintenance of order, will be strictly observed; it is particularly desired that none of the audience leave their seats until the benediction closes the meeting.

Sunday School officers and teachers are especially invited to attend.
L. W. RICHARDS,
Secretary.

The Hand of Providence.—There has just been issued, from the office of the *Juvenile Instructor*, a work of over 200 pages, entitled "The Hand of Providence, as shown in the History of Nations and Individuals, from the Great Apostasy to the Restoration of the Gospel." It is by Elder J. W. Ward, of this city, and, so far as we have been able to look over its pages, is interesting and very instructive, showing a good deal of research, and much attention to the subject treated.

Another Success Ahead.—The Unity Club are going to give another of their splendid entertainments at the Theatre, for the benefit of the Deseret Hospital. It will come off on Monday, April 9th. Although their previous efforts have been crowned with the most gratifying success, the coming affair promises to be ahead of all their past achievements.

Reduction of Rates.—To meet the circumstances arising from the completion of the Denver & Rio Grande Railroad to this point, the U. P. R. R. and U. C. R. R. will, we understand, on Monday, issue a new tariff table, which will exhibit some reductions in rates.

Mr. Fred. Auerbach of the well known firm of F. Auerbach & Bro., has arrived home from his trip to Eastern cities, where he has been purchasing a very large stock of goods.
