

TO THE MERCHANTS OF UTAH!

**A. T. GREEN,**  
Successor to  
**JAMES LINFORTH,**  
Commission Merchant,  
3 FRONT STREET, near Market,  
SAN FRANCISCO, CAL.

**MERCHANDISE and MACHINERY** of all descriptions purchased or imported for **UTAH TRADERS** on the most favorable terms and at lowest current rates.

The near approach of the **CENTRAL PACIFIC RAILROAD** to the principal business points in Utah, affords an opportunity to merchants to quickly and frequently replenish their stocks at any season of the year.

Many articles of general consumption, both of Foreign production and California manufacture, can be obtained at less cost from San Francisco than elsewhere.

California and Oregon-made Woolen Goods, Blankets, Cassimeres and Clothing, such as underwear and Hosiery, are superior to anything imported and intrinsically cheaper.

And ahead of all others in the advantages offered.

Actual market quotations and all necessary information furnished to merchants on application.

Having been for the last sixteen years engaged in the Wholesale Trade of this city, and acquired a general knowledge of this Market, and the wants of the Country Merchants, through direct intercourse with them, I feel justified in saying that all orders for Goods, of any description, or any other business entrusted to my care will be attended to with satisfaction to my patrons.

Respectfully soliciting a continuance of the business, as heretofore confided to Mr. Linforth, I beg to refer (by permission) to the following gentlemen.

**STAMPED AND WARE**

WE ARE NOW MANUFACTURING, IN CONNECTION WITH THE  
**ST. LOUIS STAMPING COMPANY,**

A new line of  
TINNED and POLISHED WROUGHT IRON  
WARE, suitable alike for  
**HOUSEHOLD,**  
**MINERS' OR CAMP USE.**

And take pleasure in calling the attention of Stove, Hardware and general dealers to the many desirable qualities of this **NEW WARE**, not only as an article of trade but of **UTILITY**, combining as it does, **NEATNESS, CONVENIENCE and LABOR SAVING** in the care of utensils that are in every day use, in the most important of all **HOUSEHOLD DEPARTMENTS**. We desire and request every housekeeper to see our **Tea Kettles, Sauce Pans, Dippers, Dish Pans, Wash Basins, Polished Stew and Fry Pans**, as we are sure they have only to be seen to be appreciated.

Many of the articles are made entirely of one piece of wrought iron which, during the process of manufacture, receives several coatings of black tin; this leaves a surface, when finished, perfectly smooth, easily kept clean and entirely protected against rust. The cost is but little more than common tin ware, and every article will do ten times the service. The shape enables us to pack the various sizes in nests so as to occupy but little space, and being but a little heavier than tinware, the cost of transportation is very small. At present our assortment consists in part of

Omaha. — Latest reports from the North Platte represents the Indians as quiet, and that a sufficient force was stationed near threatened points.

Trains are running regularly to the nine hundredth mile post. The Union Pacific road passed by the track layers to-day.

The *Republican's* New York special says that 169,070 persons were registered in New York, the increase being over forty-one thousand within the year. In Brooklyn 69,307 were registered, being an increase of 15,000.

Numerous arrests have been made for illegal registration in the 6th Ward, which has less than four thousand legal voters. Five thousand six hundred and fifty-seven names were registered; fifty persons being registered from a single house where only nine actually live. The private residences of prominent politicians were used in the same way. The greatest excitement exists throughout the city, and serious trouble is anticipated. Governor Fenton and General Shaller are at the police headquarters in command of the first division of the national guards, numbering fourteen thousand, ready to respond to any attempt at an outbreak or riot. Should a disturbance break out it is believed the streets will run with blood.

Chicago, 3. — Returns from every where indicate Republican gains. Connecticut is believed to have gone Republican by 1,500 majority. Philadelphia gives 3,000 Republican majority, Alleghany county, 11,000. All the towns in Maine, so far as heard from, show substantial Republican gains. Throughout northern Indiana the Republican gains are heavy.

Ben. Butler telegraphs that he is re-elected by 6,000 majority over all opposition.

New York city has not given over 55,000 Democratic majority, which indicates Griswold's election.

Chicago. — Dispatches from Savannah report a conflict at the polls between the whites and blacks, in which five of the latter were killed and several wounded; four policemen were wounded. More trouble is anticipated to-night.

A private dispatch, this morning, from Orleans says the Democrats have exclusive possession of the polls and the Republicans are not attempting to vote.

Chicago. — The chairman of the Republican State committee, of Michigan, claims the State by 25,000 majority. The chairman of the Ohio Republican committee claims Ohio by from 35,000 to 40,000 for Grant. The returns from Maine indicate a Republican majority of from 28,000 to 30,000. New Hampshire is about 6,000 Republican.

Montgomery, Ala. — This county gives 4,500 Republican majority, but the Conservatives have probably carried the State.

Raleigh, N. C. — The city has gone largely Republican; a conservative was elected in the first congressional district.

Chicago. — The returns from Indiana indicate a Republican majority in the State of from 8,000 to 12,000.

New Orleans. — The city gives 25,000 Democratic majority. The State is largely Democratic; but few Republican votes were cast.

Chicago. — The latest dispatches say that Alabama has gone Democratic. New York has probably gone for Seymour by a small majority. Hoffman runs 2,000 or 3,000 ahead. Nebraska goes about 4,000 Republican majority.

Chicago, 4. — Illinois has probably gone Republican by about 50,000 majority. The Congressional Delegation is unchanged. Wisconsin about 20,000, Indiana 10,000, Ohio 30,000 to 40,000, Pennsylvania 20,000, Michigan 25,000, Massachusetts 75,000, Connecticut 80,000, Iowa 50,000, New York 3,500 for Seymour, Hoffman considerably more. New Jersey is doubtful. In the second district of Minnesota Wilson, Democratic, was elected over Donnelly and Andrews, Republican. Kentucky gives a lengthy increased vote to both parties, since August. The Republicans have a majority in the New York Legislature.

In Minnesota the negro suffrage amendment to the Constitution was adopted by a small majority.

The indications are that Alabama has gone Democratic by a small majority. Kansas is estimated at 12,000 for Grant.

St. Louis. — Both parties claim Congressmen in the 1st district. The chances are in favor of Wells, a Democrat. The negro suffrage amendment was defeated in this county.

San Francisco, 3. — Scattering returns
