Sufferers from this horrible malady nearly always inherit it - not necessarily from the parents, but may be from some remote ancestor, for Cancer often runs through several generations. This deadly poison may lay dormant in the blood for years, or until you reach middle life, then the first little sore or ulcer makes its appearance - or a swollen gland in the breast, or some other part of the body, gives the first warning,

To cure Cancer thoroughly and permanently all the poisonous virus must be eliminated from the blood-every vestage of it driven out. This S. S. S. does, and is the only medicine that can reach deepseated, obstinate blood troubles like this. When all the poison has been forced out of the system the Cancer heals, and the disease never returns.

Cancer begins often in a small way, as the following letter from Mrs. Shirer shows : A small pluple come on my jaw about an inch below the ear out he left side of my face. It gave

The Women of Woodcraft held an animated session, the question that caused the spirited meeting being the reserve fund. Some thought it could be done, some thought it couldn't. The question will be settled later. Later in the afternoon both men and women choppers went to Lagoon. The few hours at the resort were made very en-loyable. The amusement was begun by a relay race over a 100-yard course. A representative of the Sait Lake camp 53 was given the prize. M. H. Hanson, of camp 338, Sait Lake, crossed the line several yards ahead of the other man, but it was claimed that he vio-lated the rules in falling to raise his flag at the proper time.
